## War Prisoner Caught by Ex-G. I. Sheriff; U.N.O. Moves Towards Showdown With Reds

### Byrnes Leads the Procedure

**Council Will Ask Three Specific Questions of Moscow and Tehran on Troops in Iran**  
**Want Quick Reply**  
**Russia Is Expected to Find Graceful Way Out of Situation**

By JOHN M. HIGHTOWER  
New York, March 29 (AP)—A majority of the United Nations Security Council with considerable leadership from Secretary of State Byrnes, moved toward an early showdown with Russia today over her refusal to take part in discussion of the Iranian case.

As the council scheduled (3 p. m. E.S.T.) another public meeting on the case, having decided to go ahead without Russia, there were authoritative predictions that it would adopt a plan calling for submission to both Moscow and Tehran of three specific questions bearing on current negotiations between them and on the withdrawal of Russian troops from Iran.

Replies would be requested by early next week, probably Tuesday or Wednesday, after which the council might proceed with or without the answers. The question procedure was informal majority support at a closed session of the council late yesterday, according to persons familiar with the discussions at that meeting.

Among top delegates there was some hope the Soviet government would find this, or some other method, as a graceful way out of the situation in walking out of Wednesday's security council meeting and in the interest of restoring unity among the key powers in the council. The ambassador stayed at his Russian consulate offices last night until after midnight, then returned to his hotel.

Secretary Byrnes was represented by persons familiar with his statements at yesterday's secret council session as extremely desirous of finding a "constructive solution" to the problems both of the Iranian case and restoration of harmony within the council.

**Byrnes Determined**

But he was determined, with the publicly expressed backing of President Truman, not to let the Soviet boycott hamstring the council's work in so far as that can be prevented, even though Russia is one of the five powers

**21 Go to Albany**

**Saugerties Draft Board**

**Reads Two Groups**

Local Board No. 314, Saugerties, will forward the following registrants to Albany for induction into service on April 2:

Frank T. Calnan, Jr., R. D. 2, Saugerties.

Clarence C. Dunham, Jr., Shandaken.

Peter N. Zmyarch, West Camp. Leo H. Swart, Seager.

Frank J. Lucchi, R. D. 1, Kingston.

Patsy Petramale, Glasco.

Robert Brown, Saugerties.

Robert C. Magee, R. D. 1, Saugerties.

On the same day the following registrants will receive their pre-induction physical examination:

Clarence A. Burger, West Camp.

Alonso T. Gale, Phenicia.

George J. Terpening, Saugerties.

Myron C. Swart, R. D. 3, Saugerties.

Thomas J. McGrath, Jr., Phenicia.

### Episcopal Bishop W. T. Manning Will Resign This Year

**One of Nation's Best Known Churchmen Served 25 Years in New York; 80 May 12th**

Rt. Rev. William T. Manning

New York, March 29 (AP)—The Right Rev. William T. Manning, Protestant Episcopal bishop of New York for 25 years and one of the nation's best-known churchmen, will resign at the end of this year.

In an announcement yesterday from the Cathedral of St. John the Divine, Bishop Manning, who will be 80 May 12, said he would present his resignation to the House of Bishops at the triennial general convention of the church to be held in September.

The resignation will take effect in December.

The British-born churchman gave no reason for his action.

A leader of High Church Episcopalianism, he has often expressed his belief in the ultimate reunion of all Christian faiths.

His long service in New York had been marked by frequent controversies. One such controversy was precipitated last November by his statement that Elliott Roosevelt, twice-divorced son of the late President, was ineligible to serve as a vestryman in the family church at Hyde Park, N. Y.

Although long an advocate of strict adherence to the scriptures, Dr. Manning has sanctioned the moderate use of wines and liquors and Sunday recreations which did not interfere with worship.

His diocese, reputedly one of the wealthiest in the Episcopal Church, extends 140 miles north of New York city along both sides of the Hudson river. It includes the boroughs of Manhattan, the Bronx and Richmond, as well as Westchester, Putnam, Dutchess, Rockland, Orange, Sullivan and Ulster counties.

Ordained to the deaconate in 1889 he was advanced to the priesthood two years later. He then served parishes in California, Tennessee and Pennsylvania before coming to New York in 1903 as a vicar of Trinity parish. He was elected bishop on January 23, 1921.

**Milk Tieup**

Trenton, N. J., March 29 (AP)—Threat of a milk strike by July 1 today faced New Jersey as members of the United Milk Producers called for restoration of state control.

Plans for a new 60 bed building at the county home at Palitz to house the men, have been completed but when this postwar project will be undertaken cannot be determined at this time. The present ban on construction may delay work for some time.

Plans, a part of the county's postwar building program, have been approved by the Postwar Planning Commission. Approval of the detailed plans by the State Welfare Department is now being awaited.

Designed to replace the present antiquated men's building at the County Home, the new building as designed will be built of local common brick and will be completely fireproof. It is planned to raise the present men's building and to erect on the site the new modern fireproof building which will have a capacity of 60. The new building will be built along modern lines with room apartments which will house two, four or six beds instead of the old type

### Teachers' Pay Increase Request Reveals Conflict In State Aid Figures

**Veto Clause Seen As Joker in U.N.O. Atomic Control**

**Senators Insistent That No Secrets Be Bared if Any One Nation Could Veto Use**

Washington, March 29 (AP)—A cautionary note against any loophole that might permit secret bomb-making tempered general Congressional approval today of a plan for international co-operation to control atomic power.

The veto question was brought to the front by Senator Ferguson (R., Mich.) in discussing the State Department's proposal for a United Nations "Atomic Development Authority" which would mine all fissionable materials and operate all primary production plants. From these, "denatured" products would be shipped to secondary plants throughout the world for either scientific or industrial purposes.

But Ferguson told a reporter he does not see how a satisfactory agreement outlawing the use of atomic energy for war purposes can be reached if any of the Big Five nations retains the right to veto measures the U.N.O. Security Council might want to take to enforce that agreement.

"It's my opinion," the Michigan senator said, "that we are not yet ready to place full control of atomic energy in an international organization until we can be assured that such an organization will control it at all times for peaceful uses."

He said that before the United States turns over its secret formulas and processes to such an organization, it should make sure that no nation could veto an action to prevent use of these formulas and processes to make atomic bombs.

Senator Pepper (D-Fla.), who said he likes the general outline of the State Department plan, agreed that no veto should operate in any such case.

"The State Department report's confirmation that a way has been found to 'denature' energy-producing plutonium of its explosive qualities prompted assertions by legislators that this may simplify the task of preventing secret bomb manufacture."

The Senate's special Atomic Committee, working again today on domestic control legislation, decided to call Dr. J. R. Oppenheimer and other scientists Monday for an explanation of the immunizing process.

On a New York radio program last night, Senator Edwin C. Johnson (D-Colo.), a member of the Senate Atomic Committee, said it is "sheer nonsense" to believe that the interests of this country will be best served "by telling the good nations and the bad exactly how to create an atomic bomb."

**Information Secured by Federation on Grant Differs From Board's Records**

**Check Necessary City Education Trustees Will Take Matter Up With State**

Application for a 20 per cent increase in pay which has been requested by the teachers in the public school system of Kingston, has brought to light a difference of opinion within the State Education Department as to how much "state money" the city of Kingston will receive and which might be applicable to increased payroll.

Francis Martocci, representing the Teachers' Federation as counsel, at a recent meeting with the Board stated that information had been received from a source in Albany that the increase in state money would be \$37,000 and that this would practically absorb any increase in salaries granted and there would be no need to increase the school tax rate to meet the demanded increase in salary.

At that time the Board presented figures which indicated a probable increase in state money for 1945-46 of between \$17,000 and \$22,000.

The Board asked for additional figures to indicate where the \$37,000 increase would come from for the 1945-46 school year and also a similar increase for the year 1946-47, which it was stated would give the school system an increase of \$114,000 in state money during the two years.

At the meeting of the Board Thursday evening a communication was received from Mr. Martocci in which he stated that according to Dr. A. W. Schmidt, assistant commissioner of finance, the city received \$283,000 in 1944-45 and would receive a total of \$340,000 in 1945-46 and \$397,000 in 1946-47. The letter stated that if these figures were correct the increase of \$114,000 in two years in money from the state would make necessary only a "slight increase" in the tax rate for the 20 per cent raise in salaries requested. The letter again asked for the 20 per cent increase and also asked for the adoption of the single salary schedule, which had been discussed by the Teachers' Federation and the Board at the special meeting earlier in the month.

Figures which were submitted by the Board of Education and based on a statement made by C. T. Wenzl, chief of the Bureau of Appropriations, indicated that there would not be an increase of

**Ferry Schedule Is Not Arranged, 1st Trip Indefinite**

**Hagginbotham Denies Boat Will Start on April 20; Fares Not Settled**

A report that the Kingston-Rhinebeck ferry would be placed in operation on April 20 and that the hours of operation would be between 8 a. m. and 8 p. m. was flatly denied today by William K. Hagginbotham, executive officer of the New York State Bridge Authority at his office in Poughkeepsie.

"We do not know when the ferry will be placed in operation, no schedule for operating hours has been discussed and there has been no determination as to the fares to be charged," said Mr. Hagginbotham.

**Repairing Boat**  
The ferry which was brought to Kingston from New York a week ago is now undergoing repairs at the Hiltbrant yards in Connelly. The work of scraping paint and getting the boat ready for government inspection prior to its being placed in operation, is now going on at the yard and it is expected the boat will go into dry dock next week some time for hull inspection and repairs which cannot be made while the boat is in the water. It is expected that the boat will go on dry dock some time during the latter part of the week when boats now undergoing repairs have been cleared.

Asked when the boat would be placed on the Kingston-Rhinebeck run, Mr. Hagginbotham said this could not be determined until it was known when the ferry would actually go on dry dock.

**Needs a Lot of Work**

"The matter of schedule has not been determined and no decision has been arrived at as to the rates to be charged," he stated. He indicated that the ferry would be placed in operation as soon as possible, but until some definite information was at hand as to when the boat would go into dry dock it would be impossible to get an opening date for ferry service. Until the boat is in dry dock the amount of work cannot be determined but it was stated that a great deal of work would be required to place the Richmond in condition for the run.

**Parking Meters Asked by Chamber Of Commerce Here**

**Members Vote by Mail Endorsing Move 3-1; Results Will Go to Aldermen**

Members of the Kingston Chamber of Commerce favor the installation of parking meters in Kingston, according to the results of a poll taken by the retail merchants group, President James L. Rowe announced this morning.

Results of the poll were given out at a combined meeting of the retail, wholesale and public committees of the Chamber of Commerce, held at the Governor Clinton Hotel Thursday afternoon. Postal cards had been sent to all members of the C. of C. and a tabulation of the cards returned showed a majority of three to one in favor of installing the meters.

It was voted to forward the results of the poll to the Common Council and ask that body to pass an ordinance authorizing the installation of meters after it had made a thorough canvass of the local situation.

Members of the three committees present were asked to give their opinion as to the most desirable hours for the operation of the Kingston-Rhinebeck ferry. After discussion the group agreed that, providing a 12-hour schedule is put into force, the most desirable hours would be from eight a. m. to 8 p. m.

Gordon Fry, 6, looks at an opening in a 300-gallon storage tank

incredulous that a spark from a match be dropped into the empty fume-filled container at Grand Rapids, Mich., could make such an explosion. The ensuing blast blew both ends of the tank 50 feet into the air. Gordon suffered a scorched hand. "He's lucky to be alive," firemen told his mother. (AP Wirephoto).

**Arranging Card Party to Pay For Well Baby Clinic Here**

**Water Department Will Make Survey Purpose Is to Determine Number of Fixtures Being Used Here**

Plans are being made to open a well baby clinic in the city's Health Center on East O'Reilly street, commencing May 1. Funds to finance the project are needed, and the Kingston City Public Health Nursing Committee is arranging to hold a big public card party on Tuesday evening, April 9, in the municipal auditorium.

The clinic will be held under the supervision of the Board of Health. The need of such a clinic is emphasized by the health board and physicians of the city.

**Event in April**  
In order to raise the funds needed to defray the expenses of the clinic the city Public Health Nursing Committee decided to hold the card party in April, and tickets are now available.

The tickets may be obtained by getting in touch with Mrs. Joseph Deegan of 219 Albany avenue, whose telephone number is 3865, or by calling the health board office in the city hall. The telephone call is 94.

**Committee Heads**  
The co-chairmen of the card party are Mrs. W. G. Smith and Mrs. Leroy Webber. The chairmen of the various committees are: Mrs. Joseph Deegan, tickets; Mrs. Emily Fetter, favors; Mrs. Eugene Cornwell, tables; Mrs. Ernest Studdt, refreshments.

A food sale will also be held in connection with the card party at the auditorium, and Mrs. Reynolds Van Keuren is chairman of the committee in charge of the sale.

**Will Also Serve**  
Other women who will serve on the various committees include Mrs. Fred Scott, Mrs. Samuel Moss, Mrs. Richard Hobson, Mrs. Adrian Kaplan, Mrs. H. W. Rhodes, Miss Jane Glover, Mrs. Gregory Badger, Mrs. Roger Billings, Mrs. George Shivery and Mrs. Frank Egan.

The Public Health Nursing Committee are anticipating an attendance of at least a thousand of the card players of the city at the big party on April 9.

**Refused Landing Russians Deny U. S. Plane Descent in Korea**

Seoul, March 29 (AP)—An official American source said today that Russian authorities had refused a request for an American plane to land at Heijo, Russian occupation capital in northern Korea, with a message for Lt. Gen. I. M. Chistiakov, the Soviet commander.

The informant, who asked anonymity, did not report the nature of the dispatch. It presumably concerned current sessions of the joint U. S.-Soviet Commission on Korea and was from Lt. Gen. John H. Hodge, American Occupation Commander of southern Korea.

There was no explanation of why the American plane was refused entry. The 38th parallel occupation boundary is patrolled closely by armed Russian guards to prevent free communications between the two zones. However, several official American parties have gone into northern Korea by train on pre-arranged trips.

The refusal seemed significant to observers who have noted an atmosphere of bickering and bitterness in meetings of the U. S. Soviet Commission since it convened March 20.

**O. P. A. Orders Hike in Pork Prices and for Some Beef**

Washington, March 29 (AP)—Housewives will pay slightly more for most pork and about a third of all beef cuts beginning next Monday.

Announcing this today, the O. P. A. said the increases result from higher prices recently authorized for the packing industry to offset a wage increase of 16 cents an hour.

Price hikes for veal, lamb and mutton will be announced later. Retail pork prices generally will be upped an average of three-quarters of a cent a pound, O. P. A. said, while beef price increases will average a third of a cent a pound.

### Escaped Here From W. S. Train

**Deputy Ellsworth Takes Italian Into Custody At Roundhouse in the North Yard**

**Stole Clothes**

**Giuseppe D'Angelosante Discards P.O.W. Garb for W. Schaffer's**

Escaping from a prison train enroute to Camp Shanks following a roll call of the prisoners taken when the train stopped in Kingston last night, Giuseppe D'Angelosante, 25, was found by Deputy Sheriff Leonard Ellsworth of the sheriff's staff, hiding in the West Shore railroad roundhouse in the North Yard, several hours after he had made his escape.

The sheriff's office received a telephone call from a resident on Albany avenue extension, who reported that as the prison train was passing through the North Yard it had slackened speed and he had seen a man jump from it.

Deputy Sheriff Ellsworth, who is a veteran of World War 2, was one of the men assigned to search along Albany avenue extension and the railroad yards and found D'Angelosante hiding in the roundhouse.

The deputy sheriff, ready for a fight as he entered the building, was surprised when the Italian submitted quietly to arrest. Ellsworth served as a staff sergeant through three invasions in the past war. He passed unscathed through the invasions of North Africa and Sicily, only to be seriously wounded on August 9, 1944, while taking part in the invasion of France.

**No Struggle**  
The sheriff said that D'Angelosante put up no struggle when found by Ellsworth, but submitted to arrest quietly and was conveyed to the court house where he was given his breakfast, and then questioned by the sheriff.

D'Angelosante's escape caused an intensive man hunt to be launched, and first reports of his being seen were received by the State Troopers at Lake Katrine when William Schaffer, who lives on Route 9-W, just outside of Kingston, reported that a burglar had broken into his home.

**Took Clothing**  
The State Troopers said Mr. Schaffer had been aroused about 5 o'clock this morning, when he heard some one moving around downstairs. As he investigated he saw the intruder leave the house and disappear in the woods.

With the prisoner disappeared articles of clothing, including a white shirt and blue denim overalls.

State Trooper Arthur Riley got in touch with the Kingston police and the sheriff's office and informed them of the burglary and

However, several official American parties have gone into northern Korea by train on pre-arranged trips.

The refusal seemed significant to observers who have noted an atmosphere of bickering and bitterness in meetings of the U. S. Soviet Commission since it convened March 20.

**O. P. A. Orders Hike in Pork Prices and for Some Beef**

Washington, March 29 (AP)—Housewives will pay slightly more for most pork and about a third of all beef cuts beginning next Monday.

Announcing this today, the O. P. A. said the increases result from higher prices recently authorized for the packing industry to offset a wage increase of 16 cents an hour.

Price hikes for veal, lamb and mutton will be announced later. Retail pork prices generally will be upped an average of three-quarters of a cent a pound, O. P. A. said, while beef price increases will average a third of a cent a pound.

Increases for individual pork and beef cuts range from one to four cents a pound. The price boost for most popular cuts—such as sirloin and porterhouse steaks, bacon and pork chops and loins—will be only one cent a pound.

In some areas, ceilings for these

## War Prisoner Caught by Ex-G.I. Sheriff; U.N.O. Moves Towards Showdown With Reds

### Byrnes Leads the Procedure

Council Will Ask Three Specific Questions of Moscow and Tehran on Troops in Iran

### Want Quick Reply

Russia Is Expected to Find Graceful Way Out of Situation

By JOHN M. HIGHTOWER  
New York, March 29 (AP)—A majority of the United Nations Security Council with considerable leadership from Secretary of State Byrnes, moved toward an early showdown with Russia today over her refusal to take part in discussion of the Iranian case.

As the council scheduled (3 p. m. E.S.T.) another public meeting on the case, having decided to go ahead without Russia, there were authoritative predictions that it would adopt a plan calling for submission to both Moscow and Tehran of three specific questions hearing on current negotiations between them and on the withdrawal of Russian troops from Iran.

Replies would be requested by early next week, probably Tuesday or Wednesday, after which the council might proceed with or without the answers. The question procedure won informal majority support at a closed session of the council late yesterday, according to persons familiar with the discussions at that meeting.

Among top delegates there was some hope the Soviet government would find this, or some other method, as a graceful way out of the situation created by Ambassador Andrei Gromyko's Moscow-directed absence from two council sessions.

Some privately expressed hope that Gromyko might receive new instructions after the Kremlin weighed world reaction to his dramatic gesture in walking out of Wednesday's security council meeting and in the interest of restoring unity among the key powers in the council. The ambassador stayed at his Russian consulate offices last night until after midnight, then returned to his hotel.

Secretary Byrnes was represented by persons familiar with his statements at yesterday's secret council session as extremely desirous of finding a "constructive solution" to the problems both of the Iranian case and restoration of harmony within the council.

Byrnes Determined  
But he was determined, with the publicly expressed backing of President Truman, not to let the Soviet boycott hamstring the council's work so far as that can be prevented, even though Russia is one of the five powers.

## Teachers' Pay Increase Request Reveals Conflict In State Aid Figures

### Veto Clause Seen As Joker in U.N.O. Atomic Control

Senators Insistent That No Secrets Be Bared if Any One Nation Could Veto Use

Washington, March 29 (AP)—A cautionary note against any loophole that might permit secret bomb-making tempered general Congressional approval today of a plan for international atomic energy control over atomic power.

The veto question was brought to the front by Senator Ferguson (R., Mich.) in discussing the State Department's proposal for a United Nations Atomic Development Authority which would mine all fissionable materials and operate all primary production plants. From these, "denatured" products would be shipped to secondary plants throughout the world for either scientific or industrial purposes.

But Ferguson told a reporter he does not see how a satisfactory agreement outlawing the use of atomic energy for war purposes can be reached if any of the Big Four nations insist on a veto. He said the U.N.O. Security Council might want to take to enforce that agreement.

"It's my opinion," the Michigan senator said, "that we are not yet ready to place full control of atomic energy in an international organization until we can be assured that such an organization will control it at all times for peaceful uses."

He said that before the United States turns over its secret formulas and processes to such an organization, it should make certain that no nation could veto an action to prevent use of these formulas and processes to make atomic bombs.

Senator Pepper (D-Fla.), who said he likes the general outline of the State Department plan, agreed that no veto should operate in any such case.

"The State Department report's confirmation that a way has been found to 'denature' energy-producing plutonium of its explosive qualities prompted assertions by legislators that this may simplify the task of preventing secret bomb manufacture."

The Senate's special Atomic Committee, working again today on domestic control legislation, decided to call Dr. J. R. Oppenheimer and other scientists Monday for an explanation of the immunizing process.

### On a New York radio program last night, Senator Edwin C. Johnson (D-Colo.), a member of the Senate Atomic Committee, said it is "best nonsense" to believe that the interests of this country will be best served by telling the good nations and the bad exactly how to create an atomic bomb.

### Information Secured by Federation on Grant Differs From Board's Records

### Check Necessary

City Education Trustees Will Take Matter Up With State

Application for a 20 per cent increase in pay which has been requested by the teachers in the public school system of Kingston, has brought to light a difference of opinion within the State Education Department as to how much "state money" the city of Kingston will receive and which might be applicable to increased payroll.

Francis Martocci, representing the Teachers' Federation as counsel, at a recent meeting with the Board stated that information had been received from a source in Albany that the increase in state money would be \$57,000 and that this would practically absorb any increase in salaries granted and there would be no need to increase the school tax rate to meet the demanded increase in salary.

At that time the Board presented figures which indicated a probable increase in state money for 1945-46 of between \$17,000 and \$22,000.

The Board asked for additional figures to indicate where the \$57,000 increase would come from for the 1945-46 school year and also a similar increase for the school year 1946-47, which was stated would give the school system an increase of \$114,000 in state money during the two years.

### Refers to Tax Increase

At the meeting of the Board Thursday evening a communication was received from Mr. Martocci in which he stated that according to Dr. A. W. Schmidt, assistant commissioner for finance, the city received \$283,000 in 1944-45 and would receive a total of \$340,000 in 1945-46 and \$397,000 in 1946-47. The letter stated that if these figures were correct the increase of \$114,000 in two years in money from the state would make necessary only a "slight increase" in the tax rate for the 20 per cent raise in salaries requested. The letter again asked for the 20 per cent increase and also asked for the adoption of the single salary schedule, which had been discussed by the Teachers' Federation and the Board at the special meeting earlier in the month.

Figures which were submitted by the Board of Education and based on a statement made by T. C. Wenz, chief of the Bureau of Appropriations, indicated that there would not be an increase of \$114,000 in state money.

### Ferry Schedule Is Not Arranged, 1st Trip Indefinite

### Hagginbotham Denies Boat Will Start on April 20; Fares Not Settled

A report that the Kingston-Rhinebeck ferry would be placed in operation on April 20 and that the hours of operation would be between 8 a. m. and 8 p. m. was flatly denied today by William K. Hagginbotham, executive officer of the New York State Bridge Authority at his office in Poughkeepsie.

"We do not know when the ferry will be placed in operation, no schedule for operating hours has been discussed and there has been no determination as to the fares to be charged," said Mr. Hagginbotham.

### Repairing Boat

The ferry which was brought to Kingston from New York a week ago is now undergoing repairs at the Hillebrand yards in Connelly. The work of scraping paint and getting the boat ready for government inspection prior to its being placed in operation is being done at the yard and it is expected the boat will go into dry dock next week some time for hull inspection and repairs which cannot be made while the boat is in the water. It is expected that the boat will go on dry dock some time during the latter part of the week when boats now undergoing repairs have been cleared.

### Needs a Lot of Work

"The matter of schedule has not been determined and no decision has been arrived at as to the rates to be charged," he stated. He indicated that the ferry would be placed in operation as soon as possible but until some definite information was at hand as to when the boat would go into dry dock, it would be impossible to get an opening date for ferry service. Until the boat is in dry dock the exact amount of work cannot be determined but it was stated that it was not expected that a great deal of work would be required to place the Richmond in condition for the run.

### Parking Meters Asked by Chamber of Commerce Here

### Members Vote by Mail

Endorsing Move 3-1; Results Will Go to Aldermen

Members of the Kingston Chamber of Commerce favor the installation of parking meters in Kingston, according to the results of a poll taken by the retail merchants group, President James L. Rowe announced this morning.

Results of the poll were given out at a chamber meeting of the retail, wholesale and public utility members of the Chamber of Commerce, held at the Governor Clinton Hotel Thursday afternoon. Postal cards had been sent to all members of the C. of C. and a list of the cards returned, indicating a majority of those polled in favor of installing the meters.

It was voted to forward the results of the poll to the Common Council and ask that body to pass an ordinance authorizing the installation of meters after it had made a thorough canvass of the local situation.

Members of the three committees present were asked to give their opinion as to the most desirable place for the operation of the Kingston-Rhinebeck ferry. After discussion the group agreed that, during a 12-hour schedule, from 8 a. m. to 8 p. m., the most desirable hours would be from eight a. m. to 8 p. m.

### "Did I Do That?"

Gordon Fry, 6, looks at an opening in a 300-gallon storage tank, incredulous that a spark from a match he dropped into the empty fume-filled container at Grand Rapids, Mich., could make such an explosion. The ensuing blast blew both ends of the tank 50 feet into the air. Gordon suffered a scorched hand. "He's lucky to be alive," firemen told his mother. (AP Wirephoto).

### Arranging Card Party to Pay For Well Baby Clinic Here

### Water Department Will Make Survey

Purpose Is to Determine Number of Fixtures Being Used Here

Kingston's water department will shortly begin a citywide survey of all premises using city water. It was announced at the water board office in the city hall today.

Such a survey, it was said, is necessary periodically, especially in a city such as Kingston, where the supply to the majority of the consumers is not metered.

The purpose of the survey is to determine the number and type of fixtures in service, to furnish the department with information necessary for guidance in its present operations and future plans.

At the present time Kingston residents are consuming 4,500,000 gallons of water daily.

The fire hydrants in the city are now being repainted by the water department. The same color scheme as last season is being used. The tops of the hydrants, as usual, are being painted with different colors for the convenience of the fire department, as each color used denotes the size of the water main to which the hydrant is hooked.

A yellow top on a fire hydrant denotes that it is hooked up with an 8-inch, or larger water main, while the red tops denote a six-inch main connection.

### Delinquent Dog Owners

Dog owners who have neglected to obtain the necessary license for their dogs this year will be served with summons to appear in city court commencing Monday. Several hundred owners have so far failed to obtain a license, and unless they obtain a license at the city clerk's office before the serving of the summons they are subject to a \$10 fine.

### O. P. A. Orders Hike in Pork Prices and for Some Beef

Washington, March 29 (AP)—Housewives will pay slightly more for most pork and about a third of all beef cuts beginning next Monday.

Announcing this today, the O.P.A. said the increases result from higher prices recently authorized for the packing industry to offset a huge increase of 16 cents a pound in the cost of live hogs.

Pork prices for fresh, fresh and frozen cuts will be increased by two cents a pound, not other beef cuts. The only items increased by four cents a pound are bulk beef and beef and beef and beef.

The O.P.A. said that the increase in the cost of live hogs was due to a shortage of hogs in the country. The O.P.A. said that the increase in the cost of live hogs was due to a shortage of hogs in the country.

The O.P.A. said that the increase in the cost of live hogs was due to a shortage of hogs in the country. The O.P.A. said that the increase in the cost of live hogs was due to a shortage of hogs in the country.

### Escaped Here From W. S. Train

Deputy Ellsworth Takes Italian Into Custody At Roundhouse in the North Yard

### Stole Clothes

Guiseppe D'Angelosante Discards P.O.W. Garb for W. Schaffer's

Escaping from a prison train enroute to Camp Shanks following a roll call of the prisoners taken when the train stopped in Kingston last night, Guiseppe D'Angelosante, 23, was found by Deputy Sheriff Leonard Ellsworth of the sheriff's staff, hiding in the West Shore railroad roundhouse in the North Yard, several hours after he had made his escape.

The sheriff's office received a telephone call from a resident on Albany avenue extension, who reported that as the prison train was passing through the North Yard it had slackened speed and he had seen a man jump from it.

Deputy Sheriff Ellsworth, who is a veteran of World War 2, was one of the men assigned to search along Albany avenue extension and the railroad yards and found D'Angelosante hiding in the round house.

"The deputy sheriff, under the fight as he entered the building, was surprised when the Italian submitted quietly to arrest. Ellsworth served as a staff sergeant through three invasions in the past war. He passed unscathed through the invasions of North Africa and Sicily, only to be seriously wounded on August 9, 1944, while taking part in the invasion of France.

### No Struggle

The sheriff said that D'Angelosante put up no struggle when found by Ellsworth, but submitted to arrest quietly, and was conveyed to the court house where he was given his breakfast, and then taken to the sheriff's office.

D'Angelosante's escape caused an intensive man hunt to be launched, and first reports of his being seen were received by the State Troopers barracks at Lake Katrine when William Schaffer, who lives on Route 9-W, just outside of Kingston, reported that a burglar had broken into his home.

### Took Clothing

The State Troopers said Mr. Schaffer had been aroused about 5 o'clock this morning, when he heard some one moving around downstairs. As he investigated he saw the intruder leave the house and disappear in the woods.

With the prisoner disappeared articles of clothing, including a white shirt and blue denim overalls.

State Trooper Arthur Riley got in touch with the Kingston police and the sheriff's office and informed them of the burglary and continued on Page Two

### Refused Landing

### Russians Deny U. S. Plane Descent in Korea

Seoul, March 29 (AP)—An official American source said today that Russian authorities had refused a request for an American plane to land at Heijo, Russian occupation capital in northern Korea, with a message for Lt. Gen. I. M. Chistakov, the Soviet commander.

The informant, who asked anonymously, did not report the nature of the dispatch. It presumably concerned current operations of the U. S. 8th Air Force, which is based at Seoul, and the U. S. 24th Air Division, which is based at Pyongyang.

The informant said that the U. S. 8th Air Force had been refused landing at Heijo, and that the U. S. 24th Air Division had been refused landing at Pyongyang.

The informant said that the U. S. 8th Air Force had been refused landing at Heijo, and that the U. S. 24th Air Division had been refused landing at Pyongyang.

## Feed Your Dog as Many Famous Breeders Do

"... gets GRO-PUP every day"

Ralph W. Saperstein, owner of Dandell Kennels Long Lake, Minn., says "My Black and Harlequin Great Dane breeding stock is in fine condition. They get GRO-PUP every day. I start my puppies on GRO-PUP, too, and they're strong, healthy and full of vigor."

MOST breeders and veterinarians use and recommend a foundation diet of good dry dog food fed with scrap meat, including fat. So many feed Kellogg's GRO-PUP because it provides all the vitamins and minerals dogs are known to need for growth and vigor.

Kellogg's GRO-PUP is thrifty. And dogs love its hearty, meaty flavor.

Get this scientifically formulated dog food in 3 forms: Ribbon, Meal, or Pellets. —at your grocer's, or pet shop. Made by KELLOGG'S of Battle Creek.

## LaGuardia Hits Hard in Opening Address to UNRRA

**Demands More Action and Less Talk: Says He'll Buy Food Wherever He Can Do So**

Atlantic City, N. J., March 29 (AP)—Fiorello LaGuardia, new Director General of UNRRA, told delegates from 48 nations today that he would seek food for world relief wherever he could find it—including the Argentine.

"Ticker tape ain't spaghetti," cried out the squat, fast-talking former mayor of New York in his inauguration address after bluntly declaring that the people of the world "want bread, not advice."

With almost a touch of scorn, he waved a batch of resolutions which have been passed during the two week council meeting here, and asserted bluntly:

"I want ploughs, not typewriters. I want food, not reading resolutions."

At the outset of his extemporaneous speech in the formal, flag-bedecked setting of the Council,

LaGuardia confessed amid chuckles that he was "no diplomat." "When I have something to say," he said, "I'll say it. From this point on, the protocol is off."

"Wheat," he cried, "has no political complexion, and I'll buy wheat wherever I can find it."

Then he said that he would start right now by extending his greeting to Col. Peron, President of Argentina.

"Here is an opportunity," he said, "for Argentina to show its desire to cooperate with the rest of the world."

(A dispatch from Buenos Aires today said Argentina had declined an invitation to membership in UNRRA, on the ground that she already is committed to send all her exportable food supplies to various countries by sale or donation.)

"Before long," LaGuardia continued, "I'll be knocking at the door of my old friend, Mackenzie King" of Canada. "Perhaps we can scrape up a few bushels there."

He told the delegates that relief was "not an international chess game where every move seeks an advantage, nor a game where one ponders every move."

"Our job is to take food where we can find it, and to take it to people who need it wherever they are," he said.

## Kiwanis Honors DUSO Champions

**Kingston High School Five Guests at Luncheon; Law Is Speaker**

The Kingston High School basketball team, DUSO League champions this year, with their coach, G. Warren Kias, were honored by Kiwanis Thursday, when they were guests at the noonday luncheon meeting of the club at the Governor Clinton Hotel. Also present as guests were the captains of the high school football and tennis teams.

John Law, athletic director at Walkkill Prison, was the guest speaker. Mr. Law, one of the famous football players of Notre Dame, captain of the 1929 team and later a coach under Rockne, talked on athletics generally, the value of training and the need of a spirit of real sportsmanship.

He praised the Kingston team for its fine record and said that the record made by Kingston High School basketball teams, in winning 13 championships in 19 years, was unusual and something to be proud of.

**Lands Local Clubs**  
Mr. Law referred to the occasion some 10 years ago when the Kingston Yellow Jackets played the Sing Sing Prison team. Mr. Law was coach of the prison team at that time and he gave high praise to the Yellow Jackets for the game they played, and the spirit they displayed.

Coach Kias spoke, briefly, and emphasized the progress made by the Kingston team this past year, when, starting out with but one experienced player they came through to win the DUSO championship. He praised the team for the fine work it had done and for the spirit of cooperation that had been shown.

It was announced that Kiwanis was extending an invitation to members of the Kingston Rotary and Lions Clubs, also officers of the Kingston Chamber of Commerce and other organizations, to meet with Kiwanis on May 2, when a testimonial dinner will be given to retiring Chief of Police Charles Phinney.

**Break the News**  
Moscow, March 29 (AP)—Moscow's morning newspapers informed the Russian public today that Soviet delegate Andrei Gromyko had walked out of the United Nations Security Council meeting in New York when it failed to postpone discussion of the Iran question. There was no editorial comment on the development, but the news occasioned lively discussion in the Russian capital.

**Win Art Awards**  
Seventeen entries by art pupils of Newburgh Free Academy in the recent regional exhibit at Binghamton, have been awarded blue ribbons, with the result these are being sent to Carnegie Institute, Pittsburgh, for the national interscholastic competition.

**Gambling Indictments**  
Eight sealed gambling indictments were returned by the Orange county December grand jury in Supreme Court in Newburgh on Thursday, terminating the probe body's investigation of gambling in that city, prompted by the sensational stippling of a dice game on January 21, by a group of armed bandits.

**On the Inside**  
Newark, N. J., March 29 (AP)—Alfred E. Driscoll, organization candidate for the Republican gubernatorial nomination, has drawn first place on the June 4 primary ballot in 13 counties, reports from county clerks showed today. His opponent, former Governor Harold G. Hoffman, was drawn first in the remaining eight counties.

## One Person Killed And Five Wounded In AMG Camp Riot

**Violence Flares Up When Raid Is Conducted To Track Down Black Market Sugar**

Stuttgart, Germany, March 29 (AP)—One displaced Jew was killed, five were wounded, and an American soldier and several German policemen were injured today in violent rioting which followed a black market raid on a displaced persons camp in Stuttgart's outskirts.

Two hours of rioting erupted when German police, accompanied by a "token force" of U. S. Military police moved into the camp to search for counterfeit ration stamps. First reports indicated the fighting was complicated when nearby American soldiers, who did not know the raid had official sanction, rushed to the aid of the displaced persons.

The riot ended only when American armored cars rolled into the camp.

About 135 German police, accompanied by U. S. Military Police, and 85 German investigators, moved into the camp at about 6:30 a. m.

A loudspeaker announcement informed the displaced persons that a "black market" raid was in progress and instructed them to allow the police to enter homes which comprised the camp on the outskirts of this city.

The German police, however, were met by a shower of bricks and bottles as they tried to carry out the search.

They said they opened fire after they had been fired on by a sniper. Military Government officials asserted, and the Jewish displaced person was slain.

Col. William W. Dawson of Cleveland, Ohio, Military Government officer for the area, ordered an immediate investigation.

The camp houses 1,800 Jews, mostly of Polish origin.

Dawson said German police requested and were granted permission to make the raid by the First Armored Division, which controls the area. He said the riot was not put down until the U. S. "token" force was substantially reinforced.

## Men Joining Navy To By-Pass Army

**Admiral Says Enlistments Are Up Because Many Fear G.I. Draft**

Washington, March 29 (AP)—The Navy teamed up with the Army today in asking Congress to extend the draft act beyond May 15.

Vice Adm. Louis E. Denfeld, Navy Personnel Chief, told the Senate Military Committee that the Navy is getting plenty of volunteers but said they are joining to avoid being inducted into the Army.

The Admiral said the Navy had 44,000 regulars signed up as of April 1 but it needed 96,000 more or about 20,000 monthly in order to reach a planned strength of 350,000 regulars by September 1.

Chairman Elbert Thomas (D-Utah) and Senator Edwin Johnson (D-Colo.), opponents of extending Selective Service, said the Navy had no trouble getting volunteers before the war and suggested this might be true even if the draft expired.

Denfeld contended there is a "big question" about getting volunteers unless the draft provided an "incentive" to enlist.

Senator O'Mahoney (D-Wyo.) asked how the Navy would use the 500,000 men.

Denfeld said 280,000 are needed to man the active fleets at 70 per cent of full complement, 50,000 each for fleet support outside and within the country, 60,000 for training, with the balance in assorted assignments.

Senator Hart (R-Conn.), a retired admiral, asked if the 70 per cent complement on active fighting ships was "skeletonized."

"Yes sir," Admiral Denfeld replied. "I would not like to go into battle with 70 per cent complement."

**Treasury Receipts**  
Washington, March 29 (AP)—The position of the Treasury March 27: Receipts \$24,864,780.08. Expenditures \$93,103,004.17. Balance \$24,200,767,870.64. Customs receipts for month \$37,133,046.00. Receipts fiscal year July 1, \$32,741,825,380.12. Expenditures fiscal year \$51,264,208,067.03. Excess of expenditures \$18,522,382,686.91. Total debt \$276,482,071,933.90. Decrease under previous day \$9,376,986.61. Gold assets \$20,256,910,591.67.

**On the Inside**  
Newark, N. J., March 29 (AP)—Alfred E. Driscoll, organization candidate for the Republican gubernatorial nomination, has drawn first place on the June 4 primary ballot in 13 counties, reports from county clerks showed today. His opponent, former Governor Harold G. Hoffman, was drawn first in the remaining eight counties.

## Makes Capture

LEONARD ELLSWORTH

**Ellsworth Catches Escaped P.O.W.**

Continued from Page One

He believed the man sought was the escaped prisoner of war.

**Find P.W. Uniform**  
The State Troopers combed the woods bordering 9-W from Lake Katrine to the city line, and Trooper Clayton Bailey found part of the uniform the escaped prisoner of war had discarded.

When he donned the clothing taken from the prisoner, it was found to be a military, state and municipal police were stopping all cars on the highways in their search for the missing prisoner.

**Escaped after Checkup**  
D'Angelo escaped from the train after it had stopped in Kingston when the roll call was taken. He had answered present at the roll call, but when the prison train rolled into Camp Shanks he was found missing.

He was one of the 600 prisoners of war aboard the train, and had been a prisoner at Fort Leavenworth, Kan., since May, 1943.

**Was Bound for Italy**  
The prisoner was taken to the court house, and Sheriff Smith got in touch with the military authorities, who asked if he could convey the prisoner to Newburgh where he could be turned over to the military police.

D'Angelo, according to Sheriff Smith, is one of the prisoners who is to be shipped back to Italy on a steamship leaving New York this evening.

Sheriff Smith left at noon with D'Angelo's.

**Job Placements Show Increase in February**  
Total regular job placements in Kingston during the month of February were 154, as compared with 101 in January, according to figures released today by the U. S. Employment Service in New York state.

Of the total placements 122 were in manufacturing plants, 7 in agriculture, and 25 in other jobs. In addition, three household jobs were filled.

Regular job placements in New York state totaled 33,141, Joseph B. O'Connor, Regional U. S. E. S. Director, announced. Of this total, 10,738, or 32 per cent were veterans.

Factors which contributed to bring the total 23 per cent below the January figure, were the short month, including a legal holiday, the cumulative effect of strikes in major industries, and the policy followed by many firms, of holding jobs for returning veterans.

**Phoney Sugar Stamp Racket Still Flourishes**  
Lester W. Herzog, Office of Price Administration District Director today stated that 92,810 pounds of sugar were invalidly obtained during January and February, according to a report received today from the Verification Center in New York city.

Mr. Herzog declared that 61,190 pounds were obtained by the use of counterfeit stamps and 31,620 pounds were obtained by the use of stamps that were invalid.

31 retailers and wholesalers, who accepted these stamps would have their inventories charged back with the number of pounds they had accepted, Mr. Herzog said. He also added that 7 of these stores were located in Albany, 7 in Schenectady, 4 in Troy and the remainder in outlying areas.

**The Joiners**  
News of Interest to Fraternal Organizations

The Elks' Auxiliary will meet Monday night at 8 o'clock. All members are requested to attend as installation of officers will take place. Hostesses will be Mrs. Richard Obenaus, Mrs. Robert Swan, Mrs. Robert Smith and Mrs. Samuel Morris.

On the evening of April 8 the District Deputy Grand Royal Master and Assistant Grand Lecturer of the 29th District, Order of Amaranth, will make their official visit to Mystic Court No. 62. A banquet will be held at Masonic Temple at 6 o'clock. Reservations must be made not later than April 5, with either Mrs. Lottie Relyea, 11 E. St. James street or telephone the secretary, 3481.

**Dr. Schultz Resigns**  
Dr. Cecil L. Schultz, superintendent of the Columbia County Sanitarium at Philmont, is resigning his position to become officer, senior grade, of a large Veterans' Administration hospital near Asheville, N. C. He plans to begin his duties there June 1.

## No Break Hinted As Deadline Nears For Coal Strike

**Management Accuses Lewis of Petrillo Tactics and Refusal to Attempt Any Settlement**

Washington, March 29 (AP)—The National Coal Association said today there was no prospect of an agreement in time to "avert a strike" of John L. Lewis' 400,000 soft coal miners at midnight Sunday.

Lewis, president of the United Mine Workers, has served notice that the miners will not work after Sunday without a contract.

The Coal Association's executive secretary, John D. Battle, accused Lewis in the statement of making "no effort to reach an agreement but every effort to prevent an agreement any time soon."

Battle said Lewis was only going through the motions of collective bargaining and had refused an offer of the mine operators which follow "the wage pattern already set in the steel, oil and automotive industries."

The association's comments on the negotiations, which have been under way since March 12, came at a time when the government was stepping up its efforts to avert a strike.

"It is now clear that Lewis is playing for higher stakes," Battle declared.

"He refuses to discuss wages and hours until his demands have been met for a royalty—a levy upon every ton of coal mined—whereby there may be a continuing flow of millions of dollars into his hands over and above the millions now checked off from the miners' wages for union dues."

The royalty or excise tax on coal which Lewis is seeking is patterned after the scheme which Petrillo, the \* \* \* boss of the Musicians' Union, put over whereby Petrillo collects tribute on every phonograph record.

"Lewis, like Petrillo, calls it a contribution to a health and welfare fund. But there are no strings on the money."

**Showdown Move Planned by U.N.O.**  
Continued from Page One

holding permanent seats in that agency.

In Washington President Truman told reporters at a press conference he had talked with Secretary Byrnes and said he fully supported Byrnes in the policies the secretary of state was pursuing here.

**Move Into New Phase**  
These policies, with the reported backing of a majority of the council, were moving swiftly today into a new phase. The key to which is the council's informal decision at its closed meeting yesterday that Russia's absence should not be allowed to halt its work on the Iranian case.

A slate of three major questions, which may finally be formally stated in various combinations, was reported in preparation for submission to the council with a proposal that both Russia and Iran be requested to answer them. Regardless of how they are finally stated and exactly how many there turn out to be, these are the things Byrnes and others sharing his views want to know:

**The Questions**  
1. Why are Russian assurances that their troops are being removed from Iran, barring unforeseen developments, not satisfactory to the Iranian government?

2. What negotiations are now going on between Russia and Iran?

3. Is the removal of Red Army forces conditional upon these negotiations?

**Want Quick Reply**  
The plan of the sponsors was to ask the Council to request the Russian and Iranian governments to supply the answers over the week-end. The great unanswered question here was whether Russia would reply, since Gromyko has stated that his government would not be ready to go into Iranian discussions before April 30. The hope appeared to be that Moscow would not regard answering questions in writing as participation in the discussion.

Without a reply from Moscow the Council would be in the position of having to decide what it should do next and whether it should proceed to a full discussion of the Iranian case with only Iran's arguments before it, aside from such fragmentary information as was furnished by Gromyko before he walked out Wednesday afternoon.

**Ala Questioned**  
In the meantime Iranian Ambassador Hussein Ala was called back to the Council table to answer a broadside of questions submitted by Polish Ambassador Oscar Lange, who has thus far vied with Russia on all major issues in the Council, and to answer any other questions which might be put to him.

Following Ala's appearance today the Council would be faced with having to decide either actively or passively on the delay question. It could do this either by voting on a formal motion to delay, if any member wanted to make such a motion, or by simply deciding to go on to the next step in the case.

Since the prevailing sentiment at yesterday's closed session was reported to be against any delay, it was expected by informed officials that the decision then would be to take up the matter of sending the questions to the Russians and Iranians alike and informants said it virtually certain that such action would be approved.

**Want Rent Office**  
The Common Council of Hudson last night decided the result of a petition and other complaints from many residents of Hudson, took the first step to have an O.P.A. rent control district established in that city, and requested that the regional office place the rent ceiling at the level of January 1, 1944.

## Local Death Record

Miss Florence May Harvey of 4 Otis street died Thursday, following a long illness. She is survived by her mother, Mrs. Iva M. Harvey; a sister, Doris, and two brothers, Dwight and Douglas Harvey, all of Kingston. Her father, William Harvey, died in December, 1941. Funeral services will be held from the home Monday afternoon at 2 o'clock, with burial in Montrose cemetery.

Elizabeth Hubbs, 86, died at the home of her sister, Miss Eula Hubbs, 69 Liberty street, March 28. She was born at Ellenville, the daughter of the late Amasa and Susan Hubbs. Surviving are two sisters, Eula Hubbs and Mrs. Harriet West of Kingston; also nephews and nieces. Miss Hubbs was a member of St. Mark's A. M. E. Church. Funeral services will be held from the late home, 69 Liberty street, at 1 o'clock Sunday afternoon and at St. Mark's Church at 2 o'clock. Interment will be in Mt. Zion Cemetery.

The private funeral of Mrs. Olive DuBois Freer, wife of Wallace D. Freer, who died suddenly in her home, 15 Belvedere street, Tuesday, will be held Thursday from the parlors of A. Carr and Son on Pearl street. The Rev. William R. Peckham of the Clinton Avenue Methodist Church, officiated, and burial was in Wiltwyck cemetery.

Mrs. Freer was born in the town of Esopus on February 26, 1867, a daughter of David P. and Catherine M. Auchmoodie DuBois. She was a direct descendant of Louis DuBois, one of the patentees of New Patz. Besides her husband she is survived by a daughter, Mrs. Frank H. Lathrop, and a grandson, Jay Wallace Lathrop, of Orono, Maine, and a sister, Mrs. E. A. Post, of Rifton.

George Canzoneri, 70, father of Tony Canzoneri, world famous boxer, died in his home on Lattintown Road, Marlborough, on Wednesday. He was the proprietor of a fruit farm and a summer hotel business in Marlborough. Born in Sicily, Italy, he had lived in Marlborough for 18 years. Survivors are his widow, Josephine; four sons, Joseph, Cyrus and Jasper of Marlborough, and Tony, the boxer, of New York city; two daughters, Anthonia and Lillian at home; two brothers, Cyrus of Flushing, L. I., and Joseph of Lebanon Junction, Ky.; and two sisters, Mrs. Nick Masaracha of Newburgh and Mrs. N. Lupo of Malone. The funeral will be held in the home on Saturday afternoon at 2 o'clock with the Rev. Harold E. Ross officiating. Burial will be in Cedar Hill Cemetery.

Mrs. Clara Gavett, widow of Solomon Gavett, died Saturday in the home of her daughter, Mrs. Ida Tremaine in Roscoe, aged 98 years. Death was due to an attack of plural pneumonia. Mrs. Gavett was born at Dunraven on February 26, 1845, a daughter of the late Dennis and Sarah Whitcomb. She was a member of the Arena Methodist Church, and for many years had made her home in Kingston.

Funeral services were held in the home of her daughter, Mrs. Edna Tompkins at Montrose, N. Y., on Tuesday. The Rev. Mr. Potter of the Congregational Church of Roscoe officiated, and two ducts were sung during the services by Mr. and Mrs. Pomeroy of Livingston Manor. Burial was in the Roscoe cemetery. The bearers were Percy Tremaine of Roscoe, Charles Tremaine of Livingston Manor, Jesse Harbison of Norwich, and Kenneth Tompkins of Kerhonkson.

**Father-Son Pay the Penalty on Gallows**  
Fort Madison, Ia., March 29 (AP)—Calm and stoical to the end, Phillip H. Henney, 72, and his son William Henney, 45, plunged to their deaths on the Iowa State Penitentiary gallows at 6:01 a. m. today.

Crossing themselves and shaking hands with the Catholic chaplain, Father Herbert C. Bongers, the men showed no visible emotion but only clamped their jaws hard before the traps were sprung in one of the few father-son executions in this country.

The men died for the confessed murder December 16, 1944, of Robert W. Raebel, 63, a Lake Okoboji resort operator, during a \$28 robbery in which Mrs. Raebel also was brutally beaten.

Henry, the son, dropped an instant before his father as Sheriff Joe L. McQuirk pushed the two levers that controlled the gallows trap. The father was pronounced dead at 6:12 a. m. and the son at 6:13 a. m.

A statement, signed by both, in which they expressed confidence that God would "forgive us our sins" was released after their deaths.

**Want Rent Office**  
The Common Council of Hudson last night decided the result of a petition and other complaints from many residents of Hudson, took the first step to have an O.P.A. rent control district established in that city, and requested that the regional office place the rent ceiling at the level of January 1, 1944.

## Shriners Report Good Response to Ball

Plans for the annual ball and entertainment of the Kingston Shriners' Association for the benefit of the Industrial Home, are progressing. The ball will be held Easter Monday night, April 22, in the municipal auditorium.

The Shriners have mailed to all former patrons and to many whom they would like to have as patrons, tickets for the annual affair.

Earl F. Schoonmaker, chairman of the ticket committee, said today: "My committee is very happy over the splendid response already received from the tickets we have mailed out."

He pointed out that from present indications it would appear that the ticket sale this year will far exceed expectations.

## Childbirth Restores Eyesight to Mother

Seattle, March 29 (AP)—Mrs. Shirley Vetter, who lost her sight in 1944, regained it last year after the birth of a daughter, it was learned today.

The case came to light when Mrs. Vetter revealed plans to fly east for a visit with relatives. Mrs. Vetter, herself, refused to talk with reporters. She is to leave here Saturday night.

Following all down stairs, Mrs. Vetter lost her sight. When the birth of the daughter it returned in a matter of days. Physicians said the blindness was psychological. The daughter, Tamara, now is eight months old.

**Complaints on 'Cycles'**  
Complaints are being lodged with the police department that motorists are operating their motorcycles through the city streets at an excessive rate of speed, with the cutouts wide open. As a result of the complaints the police department has notified some eight riders that they would be subject to arrest unless the practices complained of ceased.

**DIED**  
HARVEY—Entered into rest Thursday, March 28, 1946. Florence May, daughter of Mrs. Iva M. and the late William Harvey, and sister of Doris, Dwight and Douglas Harvey.

Relatives and friends are invited to attend the funeral from the late home, 4 Otis street, Monday afternoon at 2. Burial in family plot in Montrose cemetery.

**HUBBS**—In this city, March 28, 1946. Lizzie Hubbs, daughter of the late Amasa and Susan Hubbs, sister of Miss Eula Hubbs and Mrs. Harriet West of Kingston.

Funeral from the home of her sister, Miss Eula Hubbs, 69 Liberty street, Sunday, March 31 at 1 p. m. and at the St. Mark A. M. E. Church at 2 p. m. Interment in the Mt. Zion cemetery.

Visit our Sample Log Cabin. Open weekdays 10 A. M. to 5 P.

## Flashes of Life Sketched in Brief

**Bloodhound Stumps Cops**  
Stamford, Conn., March 29 (AP)—What to do when a bloodhound is lost is what is bothering the Stamford police. They have tried everything, including advertising, since a bloodhound was found wandering in the business section here. But they have failed to find the canine's owner. As a last resort they are considering calling in another bloodhound.

**Regular Army**  
Pratt, Kas., March 29 (AP)—Military personnel are decreasing steadily the Pratt Army Air Field, now being inactivated, and post authorities have a problem in the field's dog population, estimated at four times the number of men. The dogs range in age from puppies to "Old Shep," a dog with more than three years here and seven months overseas.

Since the field is the only home the dogs have ever known, they didn't seem to have the usual Army hankering for discharge, and what's more, signs the Army—the canine population is growing.

**Consolation**  
Chicago, March 29 (AP)—John B. Smith, owner of restaurants in Iowa, told Summerdale police that burglars had broken into his home and stolen \$9,000 in War Bonds.

In addition, one ship with 215 British war brides and children is expected at New York.

Arriving at San Francisco are four transports, 2,713; Seattle, Wash., two ships, 4,585.

Ships and units arriving:

**At New York**  
Howard Victory from Bremerhaven, 969 troops, including Headquarters of Third Battalion, Companies H, I, K, and L of 331st Infantry Regiment, 83rd Infantry Division.

Muhlenberg Victory from Bremerhaven, 840 troops, including Company M, Regimental Headquarters, Service Company, Anti-tank Company, Cannon Company and Medical Detachment of 331st Infantry Regiment.

Reed Victory from Algiers, six miscellaneous personnel.  
James Parker from Southampton, 215 British war brides and children.

**At Seattle**  
Miscellaneous on following: Gen. H. F. Hodges from Calcutta, 3,078 army, 15 navy; U.S.S. Winged Arrow from Wake, 1,492 navy and marines.

**At San Francisco**  
Miscellaneous on following: La Salle from Shanghai, 1,377 navy, 49 marines; Randall from Pearl Harbor, 1,087 navy, 187 navy; Gratia from Sasebo, 13 marines.

**Typhoon Forming**  
Manila, March 29 (AP)—Winds of hurricane force threaten the entire Marianas Island chain as the first typhoon of 1946 sweeps toward Guam and Saipan. Navy aerologists reported today. Winds up to 50 knots are expected to hit Saipan today and to increase in velocity.

**Nab Red Spy**  
Shanghai, March 29 (AP)—A spokesman for the Army's criminal investigation division said today that a Russian civilian employee of the U. S. Army has been arrested for "snooping around" a newly-landed aircraft, and has been found to possess secret Army documents relating to airforce installations.

The first telegraphic news of a presidential inauguration was sent by Professor Samuel F. B. Morse in the inauguration of President Polk in 1845.

and clothing and jewelry he valued at \$2,000.

After he telephoned his wife, who is visiting in Virginia, Smith amended his report to police. He told officers the burglars had not stolen the bonds. Mrs. Smith had placed them in a safety vault before she left Chicago.

**No Bargain**  
Seattle, March 29 (AP)—Larry Smith is wondering now if he got a bargain after all in buying a five dollar discount two tons of coal which were delivered to his neighbor's house by mistake.

It took him 75 trips, carrying 50 pounds of coal in two scuttles, to bring the coal home. Smith related between applications of liniment.

**Wrong Bottle**  
Los Angeles, March 29 (AP)—Eleven-months-old Beatrice Sutton is feeling all right now, except perhaps for a hangover.

Hospital attendants who treated her said the baby's two and a half year old sister fed her the contents of a bottle of high-proof cologne.

**Redeployment**  
(By The Associated Press)

Six vessels, carrying 7,298 service personnel, are scheduled to arrive today at two west coast ports while 1,835 more troops are due to embark from three ships at New York.

Waste paper, a vital material, will be collected here tomorrow by Committeemen and Boy Scouts of Troop 18 of St. Mary's. Anyone having waste paper or magazines is asked to call tonight the following committeemen and the salvaged material will be picked up Saturday: Raymond Long, 4760-W; Francis Noonan, 3832-M; John Gorsline, 4403-M; John Hoffman, 2012-J; James M. Murphy, 232; Fred Miller, 2638-M; Gustav Kogel, 1763; John Glennon, 681; F. D. Halloran, 1998; Robert Boyle, 1159-R; Andrew Wrinn, 1550-J; Leo T. Lynch, 1665-R1.

It is requested that the salvaged material be placed at the curb or on the porches in order to expedite the collections.

**Cuban Protest**  
Moscow, March 29 (AP)—A Tass dispatch from New York today quoted the Cuban Communist newspaper Hoy as saying in Havana that Cuba might appeal to the United Nations concerning the presence of U. S. military bases in Cuba. The dispatch said Hoy asserted that if diplomatic negotiations failed to result in the turning over of these bases to Cuba, then Cuba may bring the matter to the attention of the U.N.O.

**Industrial Designer Urges Small Industries For Rondout Valley**  
The possibility of developing small industries in the Rondout Valley were stressed by Fritz Foord, industrial designer, in an address before the students of Kerhonkson Union High School, this week.

Mr. Foord's topic, "The Industrial Future" was designed to counsel the students to purchase wisely as the future consumers of America. He explained the uses of design, color, and performance their application to the appearance of the finished product, relative to their sales value.

The establishment of small industries in the Rondout Valley was practical and necessary in a locality such as this, in order to provide employment for the young people of the community, Mr. Foord said.

Emphasis was placed on small industries as being important in the future of American manufacturing and, at the same time, not requiring vast expenditures or great facilities for materials, transportation, or power.

In closing Mr. Foord again stressed his point that, as the establishment of these small industries needs only an idea backed by

### Feed Your Dog as Many Famous Breeders Do

"...gets GRO-PUP every day"

Ralph W. Sacerstrom, owner of the famous breeders, says "My dog and his family get GRO-PUP every day. It's the best food I know of for dogs. It's healthy and full of vitamins."

MOST breeders and veterinarians use and recommend a foundation diet of good dry dog food fed with extra vitamins. That's why many feed Kellogg's GRO-PUP because it provides all the vitamins and minerals dogs are known to need for growth and vigor.

Kellogg's GRO-PUP is healthy. And does more for your dog's health.

Get this scientifically formulated dog food in 3 forms: kibbles, meal, or pellets—at your grocer's or pet shop. Made by Kellogg's of Battle Creek.

### LaGuardia Hits Hard in Opening Address to UNRRA

#### **Demands More Action and Less Talk: Says He'll Buy Food Wherever He Can Do So**

Atlantic City, N. J., March 28.—Fiorello LaGuardia, new director of UNRRA, told delegates from 48 nations today that he would seek food for war-torn Europe wherever he could find it, including the Argentine.

"I want to see more action and less talk," he said. "I want to see more food bought wherever it can be found."

LaGuardia, who was in Atlantic City for a two-day conference of the UNRRA, said he would be in the Argentine to see what he could do for the people of that country.

"I want to see more action and less talk," he said. "I want to see more food bought wherever it can be found."

### One Person Killed And Five Wounded In AMG Camp Riot

#### **Violence Flares Up When Raid Is Conducted to Track Down Black Market Sugar**

Stuttgart, Germany, March 29.—One displaced Jew was killed, five were wounded, and an American soldier and several German policemen were injured today in a violent rioting which followed a black market raid on a displaced persons camp in Stuttgart's outskirts.

Two hours of rioting erupted when German police, accompanied by a "black force" of U.S. Military police moved into the camp to search for counterfeit ration stamps. First reports indicated the fighting was complicated when a prisoner of war had discarded a live bullet into the crowd.

The riot ended only when American armored cars rolled into the camp.

About 125 German police, accompanied by U. S. Military Police and 85 German investigators, moved into the camp at about 6:30 a. m.

A loudspeaker announcement informed the displaced persons that a "black market" raid was in progress and instructed them to allow the police to enter homes which comprised the camp on the outskirts of this city.

The German police, however, were met by a shower of bricks and bottles as they tried to carry out the search.

They said they opened fire after they had been fired on by a sniper. Military Government officials asserted, and the Jewish displaced person was slain.

Col. William W. Dawson of Cleveland, Ohio, Military Government officer for the area, ordered an immediate investigation.

The camp houses 1,800 Jews, mostly of Polish origin.

Dawson said German police requested and were granted permission to make the raid by the First Armored Division, which controls the area. He said the riot was not put down until the original U. S. "black" force was substantially reinforced.

### Makes Capture

LEONARD ELLSWORTH

### Ellsworth Catches Escaped P.O.W.

Continued from Page One

He believed the man sought was the escaped prisoner of war.

**Find P.W. Uniform**

The State Troopers combed the woods bordering 9-W from Lake Katrine to the city line, and Trooper Clayton Bailey found part of the uniform of the escaped prisoner of war in the woods when he donned the clothing taken from the Schaffer house.

While the man hunt was on, military, state and municipal police were stopping all cars on the highways in their search for the missing prisoner.

### No Break Hinted As Deadline Nears For Coal Strike

#### **Management Accuses Lewis of Petrillo Tactics and Refusal to Attempt Any Settlement**

Washington, March 29.—The National Coal Association said today there was no prospect of an agreement in time to "avert a strike" of John L. Lewis' 400,000 soft coal miners at midnight Sunday.

Lewis, president of the United Mine Workers, has served notice that the miners will not work after Sunday without a contract.

The Coal Association's executive secretary, John D. Battle, accused Lewis in the statement of making "no effort to reach an agreement but every effort to prevent an agreement any time soon."

Battle said Lewis was only going through the motions of collective bargaining and had refused an offer of the mine operators which follow "the wage pattern already set in the steel, oil and automotive industries."

The association's comments on the negotiations, which have been under way since March 12, came at a time when the government was stepping up its efforts to avert a strike.

"It is now clear that Lewis is playing for higher stakes," Battle declared.

"He refuses to discuss wages and hours until his demands have been met for a royalty—a levy upon every ton of coal mined—whereby there may be a continuing flow of millions of dollars into his hands and above the millions now checked off from the miners' wages for union dues."

"The royalty or excise tax on coal which Lewis is seeking is patterned after the scheme which Petrillo, the \* \* \* boss of the Musicians' Union, put over whereby Petrillo collects tribute on every photograph record."

"Lewis, like Petrillo, calls it a contribution to a health and welfare fund. But there are no strings on the money."

### Local Death Record

Miss Florence May Harvey of 4 Otis street died Thursday, following a long illness. She is survived by a sister, Mrs. Iva M. Harvey; a mother, Doris, and two brothers, Dwight and Douglas Harvey, all of Kingston. Her father, William Harvey, died in December, 1941. Funeral services will be held from the home Monday afternoon at 2 o'clock, with burial in Montrose cemetery.

Elizabeth Hubbs, 86, died at the home of her sister, Miss Eula Hubbs, 69 Liberty street, March 28. She was born at Ellenville, the daughter of the late Amasa and Susan Hubbs. Surviving are two sisters, Eula Hubbs and Mrs. Harriet West of Kingston; also nephews and nieces, Miss Hubbs was a member of St. Mark's A. M. E. Church. Funeral services will be held from the late home, 69 Liberty street, at 1 o'clock Sunday afternoon and at St. Mark's Church at 2 o'clock. Interment will be in Mt. Zion cemetery.

### Shriners Report Good Response to Ball

Plans for the annual ball and entertainment of the Kingston Shriners' Association for the benefit of the Industrial Home, are progressing. The ball will be held Easter Monday night, April 22, in the municipal auditorium.

The Shriners have mailed to all former patrons and to many whom they would like to have as patrons, tickets for the annual affair.

Earl F. Schoonmaker, chairman of the ticket committee, said today: "My committee is very happy over the splendid response already received from the ticket buyers."

He pointed out that from present indications it would appear that the ticket sale this year far exceeds expectations.

### Childbirth Restores Eyesight to Mother

Seattle, March 29.—Mrs. Shirley Vetter, who lost her sight in 1944, regained it last year after the birth of a daughter, it was learned today.

The case came to light when Mrs. Vetter revealed plans to fly east for a visit with relatives. Mrs. Vetter, herself, refused to talk with reporters. She is to leave here Saturday night.

Following all down stairs, Mrs. Vetter lost her sight. With the birth of the daughter it returned in a matter of days. Physicians said the blindness was psychological. The daughter, Tamara, now is eight months old.

### Complaints on 'Cycles'

Complaints are being lodged with the police department that motorcycleists are operating their motorcycles through the city streets at an excessive rate of speed, with the cutouts wide open. As a result of the complaints the police department has notified some eight riders that they would be subject to arrest unless the practices complained of ceased.

### DIED

**HARVEY**—Entered into rest Thursday, March 28, 1946, Florence May, daughter of Mrs. Iva M. and the late William Harvey and sister of Doris, Dwight and Douglas Harvey. Relatives and friends are invited to attend the funeral from the late home, 4 Otis street, Monday afternoon at 2 p. m. Interment in plot in Montrose cemetery.

### HUBBS

In this city, March 28, 1946, Lizzie Hubbs, daughter of the late Amasa and Susan Hubbs, sister of Miss Eula Hubbs and Mrs. Harriet West of Kingston. Funeral from the home of her sister, Miss Eula Hubbs, 69 Liberty street, Sunday, March 31 at 1 p. m. and at the St. Mark A. M. E. Church at 2 p. m. Interment in the Mt. Zion cemetery.

### Kiwanis Honors DUSO Champions

#### **Kingston High School Five Guests at Luncheon; Law Is Speaker**

The Kingston High School basketball team, DUSO League champions this year, with their coach, G. Warren Kias, were honored by Kiwanis Thursday, when they were guests at the luncheon meeting of the club at the Governor Clinton Hotel. Also present as guests were the captains of the high school football and tennis teams.

John Law, athletic director at Wallkill Prison, was the guest speaker. Mr. Law, one of the famous football players of Notre Dame, captain of the 1929 team and later a coach under Rockne, talked on athletics generally, the value of training and the need of a spirit of real sportsmanship. He praised the Kingston team for its fine record and said that the record made by Kingston High School basketball teams, in winning 13 championships in 19 years was unusual and something to be proud of.

### Men Joining Navy To By-Pass Army

#### **Admiral Says Enlistments Are Up Because Many Fear G.I. Draft**

Washington, March 29.—The Navy teamed up with the Army today in asking Congress to extend the draft act beyond May 15.

Vice Adm. Louis E. Denfield, Navy Personnel Chief, told the Senate Military Committee today that the Navy is getting plenty of volunteers but said they are joining to avoid being inducted into the Army.

The Admiral said the Navy had 449,000 regulars signed up as of April 1 but it needed 96,000 more, or about 20,000 monthly in order to reach a planned strength of 550,000 regulars by September 1.

Chairman Elbert Thomas (D-Utah) and Senator Edwin Johnson (D-Colo.), opponents of extending Selective Service, said the Navy has no trouble getting volunteers before the war and suggested this might be true even if the draft expired.

Denfield contended there is a "big question" about getting volunteers unless the draft provided an "incentive" to enlist.

Senator O'Mahoney (D-Wyo.) asked how the Navy would use the 500,000 men.

Denfield said 280,000 are needed to man the active fleets at 70 per cent of full complement, 50,000 each for fleet support outside training, with the balance in assorted assignments.

Senator Hart (R-Conn.), a retired admiral, asked if the 70 per cent complement on active fighting ships was "skeltonized."

"Yes sir," Admiral Denfield replied. "I would not like to go into battle with 70 per cent complement."

### Break the News

Moscow, March 29.—Moscow's morning newspapers informed the Russian public today that Soviet delegate Andrei Gromyko had walked out of the United Nations Security Council meeting in New York when it failed to postpone discussion of the Iran question. There was no editorial comment on the development, but the news occasioned lively discussion in the Russian capital.

### Win Art Awards

Seventeen entries by art pupils of Newburgh Free Academy in the recent regional contest in Kingston have been awarded blue ribbons, with the result these are being sent to Carnegie Institute, Pittsburgh, for the national interscholastic competition.

### Gambling Indictments

Eight so-called gambling indictments were returned by the Orange County December grand jury in Supreme Court in Newburgh on Thursday, terminating the probe body's investigation of gambling in that city, prompted by the sensational stockpile of a dice game on January 21, by a group of armed bandits.

### Treasury Receipts

Washington, March 29.—The position of the Treasury March 29 receipts \$24,864,780.08. Expenditures \$20,104,177. Balance \$4,760,602.60. Customs receipts for month \$7,133,046.00. Receipts for fiscal year July 1, \$24,823,380.12. Expenditures fiscal year \$21,243,006.07. Excess of receipts \$3,580,374.05. Total debt \$27,482,071,031.68. Decrease under previous day \$9,376,980.61. Gold assets \$20,256,910,391.67.

### On the Inside

Newark, N. J., March 29.—Alfred F. Dr. Jr., a Republican candidate for the Republican gubernatorial nomination, has drawn a "P" for on the June 4 primary ballot in 13 counties, reports from county clerks showed today. His opponent, James G. McGowan, had drawn a "B" in 12 counties.

### Showsdown Move

#### **Planned by U.N.O.**

Continued from Page One

holding permanent seats in that agency.

In Washington President Truman told reporters at a press conference he had talked with Secretary Byrnes and said he fully supported Byrnes in the policies the secretary of state was pursuing here.

**Move Into New Phase**

These policies, with the reported backing of a majority of the council, were moving swiftly today into a new phase, the key to which is the council's informal decision at its closed meeting yesterday that Russia's absence should not be allowed to halt its work on the Iranian case.

A slate of three major questions, which may finally be formally stated in various combinations, was reported in preparation for submission to the council with a proposal that both Russia and Iran be requested to answer them. Regardless of how they are finally stated and exactly how many there turn out to be, these are the things Byrnes and others sharing his views want to know:

1. Why are Russian assurances that their troops are being removed from Iran, barring unforeseen developments, not satisfactory to the Iranian government?
2. What negotiations are now going on between Russia and Iran?
3. Is the removal of Red Army forces conditional upon these negotiations?

### Phoney Sugar Stamp Racket Still Flourishes

Lester W. Herzog, Office of Price Administration District Director today stated that 92,810 pounds of sugar were invalidly obtained during January and February, according to a report received today from the Verification Center in New York City.

Mr. Herzog declared that 61,190 pounds were obtained through the usage of counterfeit stamps, and 31,620 pounds were obtained by the usage of stamps that were invalid.

31 retailers and wholesalers, who accepted these stamps would have their inventories of sugar back with the number of pounds they had accepted, Mr. Herzog said. He also added that 7 of these stores were located in Albany, 7 in Staten Island, 4 in Troy and the remainder in outlying areas.

### The Joiners

#### **News of Interest to Fraternal Organizations**

The Elks' Auxiliary will meet Monday night at 8 o'clock. All members are requested to attend as installation of officers will take place. Hostesses will be Mrs. Bertha Obernicks, Mrs. Robert Swan, Mrs. Robert Smith and Mrs. Samuel Morris.

On the evening of April 8 the District Deputy Grand Royal Master and Assistant Grand Master of the 29th District, Order of the Amaranth, will make the official visit to Masonic Court No. 8. A banquet will be held at Masonic Temple at 6 o'clock. Reservations must be made not later than April 8 with either Mrs. Louise Regehr, 11 E. St. James street or telephone the secretary, 3841.

### Dr. Schultz Resigns

Dr. Lewis L. Schultz, who has been the Kingston County Surgeon at Kingston, is resigning his position to become assistant surgeon of a large Veterans' Affairs Hospital near Astoria, N. C. He plans to begin his duties there June 1.

### Als Questioned

In the meantime Iranian Ambassador Hussein Ala was called back to the Council table to answer a broadside of questions submitted by Polish Ambassador Oscar Lange, who has thus far voted with Russia on all major issues in the Council, and to answer any other questions which might be put to him.

Following Ala's appearance today the Council would be faced with having to decide either actively or passively on the delay question. It could do this either by voting on a formal motion to delay, or by simply making a decision to go on to the next step in the case.

Since the prevailing sentiment at yesterday's Council session was reported to be against any delay, it was expected by informed officials that the decision there would be to take up the matter of sending the questions to the Russians and Iran as a whole and informants said it was virtually certain that such action would be approved.

Agriculture employees 40-45 per cent of the Japanese population.

KINGSTON, NEW YORK, MARCH 29, 1946

### BROAD PUBLIC INTERESTS

The Kingston-Rhinecliff Bridge will serve the broadest public interests of New York State by furnishing a direct connection with the principal East and West highways. It will furnish a most essential connection with present arterial highways and with those on which improvements and extensions are projected.

This proposed span will relieve upstate traffic from Manhattan districts, which is now heavily congested. With the increase in auto travel within the next five years, it will be in greater demand.

Prior to the war, authorities estimate private motor vehicles carried eighty per cent of the total passenger traffic of the nation. With highway improvements and with autos, tires and gas again available, this proportion of eighty per cent is likely to be sustained.

The Kingston-Rhinecliff Bridge is now before Governor Dewey. Let the Governor know the facts concerning the public interests in the construction of this bridge.

### BICYCLE RIDING

A sharp rise in accidental deaths among bicyclists as automobile and bicycle traffic increases is forecast by the statisticians of Metropolitan Life. The greatest rise in the death toll will be among boys 10 to 19 years, who contribute the largest part of the annual loss.

As an indication of what may happen, it is pointed out that the gain in popularity of bicycling in the decade prior to World War II was accompanied by a considerable increase in fatalities. In the years 1932 to 1935, the death rate from this cause among insured males ranged between 4.9 and 6.3 per million policyholders. The mortality then rose sharply, reaching a maximum of 12.9 in 1941. Wartime restrictions on driving had a beneficial effect, causing the rate in 1944 to drop to the level of about a decade before.

The need for bringing an urgent safety message to our young people is apparent.

Local laws require all bicycle riders to obey the traffic laws, including regulations governing traffic lights, stop signs, one-way streets and riding on the right side of the street.

Bicycle riders should consider it a duty on their part to obey the laws applying to bicycles, and do everything in their power to prevent accidents.

The law enforcing agencies should take steps to enforce the laws, to impress upon the bicycle riders the importance of complying with the laws. This should be done for the safety of the bicycle riders, the pedestrians and the motorists.

Spirits fall as prices rise.

### STRIKES COST MONEY

Two recent strikes have piled up staggering costs. The General Motors shut-down represents a total loss of \$1,000,000,000 of which \$600,000,000 is in unfilled orders; \$150,000,000 in wages to the 175,000 workers involved; \$250,000,000 in new and used car commissions, expense of maintaining idle plants and the like. The strike at the Westinghouse Electric Corp., affecting 57,000 workers, has amounted to \$86,000,000, \$60,000,000 of this in products not sold and \$26,000,000 in wages.

No one has bothered to estimate what the strikes mean to the public, waiting for new cars and electrical parts.

National Boys and Girls Week will be observed in nearly every community in the United States from April 27 to May 4, 1946. The celebration will mark the 26th annual observance of this youth event. With the theme, "Building for Tomorrow with the Youth of Today," the program is designed to focus the attention of the public on the problems, interests and recreations of youth and on the part played by the home, church, school and youth-serving organizations in the development of character and good citizenship in growing boys and girls.

Use of postwar reconstruction funds to finance the New York State Department of

## 'These Days'

By George E. Sokolsky

### PARTY POLITICS

Both the Republican and Democratic parties continue to fail to maintain party unity of purpose and policy. In Congress, members of both parties vote without regard to their respective leadership. The Republican-Democratic bloc in the House of Representatives is a protest against the New Deal, which persists only because Democratic strategists fear that without the C.I.O. and the P.A.C. they will be defeated in the congressional elections of 1946. Sidney Hillman's quiet levy of a \$6,000,000 on the C.I.O. membership for political purposes has frightened a party which since the Pauley hearings suspects that many beneficiaries of the New Deal regime will fear to contribute lest they some day be exposed.

In the Republican party, Thomas E. Dewey ignores his role of titular head of the party, attending strictly to the business of being governor of the state of New York. John Bricker, the most popular candidate among party leaders, is running for the United States Senate from Ohio where he faces bitter C.I.O. antagonism. Harold Stassen, whose candidacy is supported by the same New York banking interests that favored Landon in 1936 and Wilkie in 1940 and who reluctantly supported Dewey in 1944 in preference to Bricker, pushes heavily into the ring. Stassen has taken a positive position on every public question. Unfortunately, Stassen is following the Wilkie pattern, which means that he is altogether out of harmony with the principal spokesmen of the party in Congress. They, day by day, make the party's record on which he will have to stand or fall. Stassen will have to explain away the foreign policy of Vandenberg, the leadership in domestic policies of Taft, and assertiveness of his own protegee, Ball. If he explains away too fervently, he will kill his chances in the convention.

Henry Wallace continues to confuse the political situation. He is ideologically an authoritarian. Never a regular, he started as a Republican, became a New Dealer, in a local election supported an American Laborite against a regular Democrat; yet, he has demanded the use of the purge to keep Democratic members of Congress on the leash of party regularity and obedience. He appears as Wallace as the principal speaker next to the President, at the Jackson Day dinner made votes for Republicans in 1946.

The P.A.C., with its numerous front committees and its close ties with those who have at various times been united with Communists, will face, in 1946, a country that is already pretty weary of Russian meddling in our affairs. As our policy toward Russia becomes more positive, these very effective amateurs will be faced with their own records during the past 15 years. Man and woman, each one of them will have to explain precisely where his loyalty is. Are they Americans by affection and loyalty? Or do they have "higher" and more binding ties like some Canadians? It will be hard on these men and women as they meet their own speeches, acts and affiliations. And the Democrats will ultimately find them political millstones.

To show their strength to both parties, the C.I.O. is going into many congressional campaigns. They have already been defeated twice—once, when Johannes Steel was defeated in a New York city by-election. They put on a terrific drive for Steel, calling out their heaviest forces including Henry Wallace, "Butch" LaGuardia and the artists, writers and movie actors. They were defeated. The alibi was that Steel got a lot of votes, but the truth is that he got the entire Left Wing strength in a Left Wing district and it was not enough.

The second defeat was in Alabama. There the primaries are among the earliest in the country, the final date for filing being February 28. The candidate was Congressman Carter Manasco, whom the C.I.O. had sought to get as chairman of the House Committee which emasculated the so-called "Full Employment Bill." Manasco runs, however, without opposition. He will be re-elected, as nomination in the primaries in his district is tantamount to election. The C.I.O. failed.

That is how the picture stands at the moment with Robert Hannegan biting his fingernails—or is it true that he has lost his teeth?

### FALSE DIABETES

It is general knowledge that a diabetic drinks a lot of water and passes a lot of urine. It is only natural then that one who drinks a lot of water and passes a lot of urine, even to the point of getting up several times at night to drink water and pass urine, should be afraid that he has diabetes. He may not know of what is called diabetes insipidus or false diabetes, as there is no increase in sugar in the urine or sugar in the blood.

In staff meetings of the Mayo Clinic Dr. E. H. Rynearson states that a test for diabetes is carried out in all suspected cases. It consists simply of having the patient refrain from drinking any fluids for as long as he can without extreme discomfort. At the end of this interval a specimen of urine is obtained. If the specific gravity of this specimen of urine is more than 1.010 the presence of diabetes is unlikely. Generally speaking, normal urine is about 1.020, and true diabetes (diabetes mellitus) is above 1.030.

Dr. Rynearson states that many patients suspected of having diabetes insipidus are, in reality, simply nervous water drinkers. They may drink large quantities frequently during the day but few of them continue drinking during the night. A patient who has severe diabetes insipidus may awaken eight or ten times at night to pass urine and drink more water.

As the control of water in the tissues of the body is by the pituitary gland (posterior part) physicians prescribe the extract of this gland, pitressin, to hold water in the tissues for hours at a time, thus making the drinking of water and passing of urine less necessary.

It is by using pitressin that physician can tell if a fit or seizure is epilepsy as an overabundance of water kept in the tissues by pitressin will bring on an attack of epilepsy.

Pitressin powder can be snuffed up the nose or given in another form by hypodermic injection. Naturally patients prefer snuffing pitressin powder up the nose.

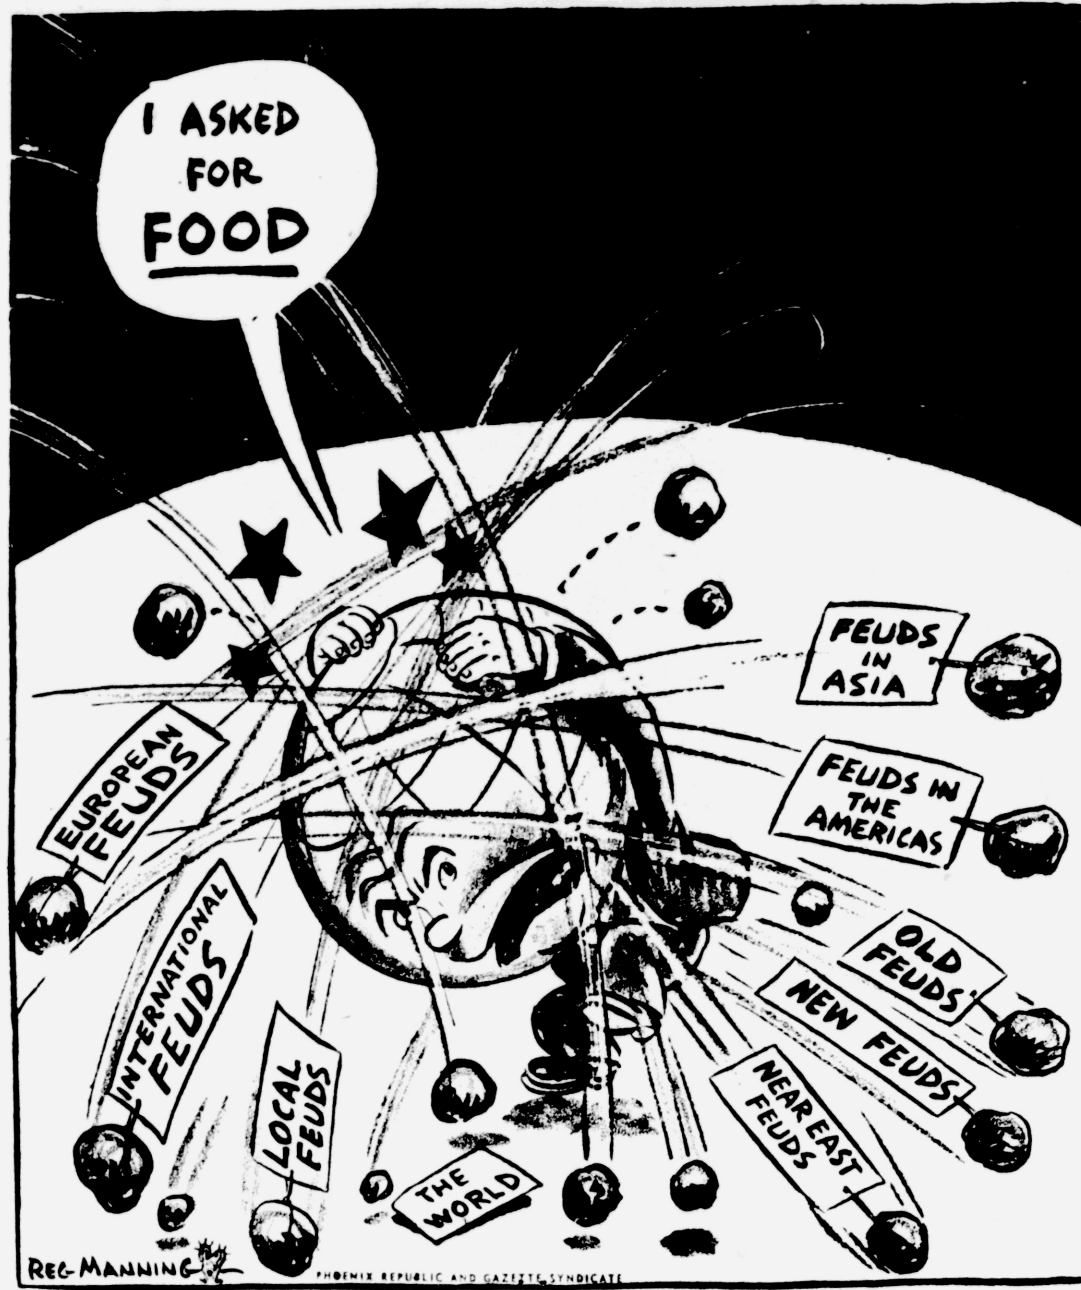

Remember two points. First, have urine examined from time to time to make sure true diabetes mellitus is not present, and second, pitressin will in most cases, give relief from these annoying and inconvenient symptoms for hours at a time.

Diabetes  
How much do you know about diabetes? Send today for Dr. Barton's interesting booklet on this subject entitled "Diabetes." Public Works five-year highway construction program will result in vitally needed new highways without the impost of additional taxes.

Automobile accidents and falls are responsible for more than one-half of all accidental deaths in this country each year.

## Somebody Got The Signals Mixed

## BABSON ON BUSINESS

### INVESTMENT TRUSTS

New York City, March 29.—In view of the tremendous growth in the business of Investment Companies, readers of this column should realize their possibilities, both as a service to the small investor and as a factor in stabilizing the present stock market.

"Closed-End" Versus "Open-End" Companies

Investment Companies are divided into two main groups.—The closed-end companies are the old-fashioned Investment Trusts, of which there are a large number scattered throughout the United States. There, however, are only a few large ones, the securities of which are listed on the New York Stock Exchange. As examples of these companies, I might mention Lehman Corporation, Adams Express, Atlas Corporation and Tri-Continental.

These closed-end companies have a definite amount of capital stock which is not increased or decreased. When an investor buys such stock he does not buy the company but, through a stock-exchange broker, must buy the stock of someone else who desires to sell. As a rule these companies do not diversify very broadly but usually confine themselves to special situations in which they purchase a large interest. Often stocks of these companies sell for less than the real liquidating value of the securities which they hold. This is an advantage to the investor when buying such stocks; but a disadvantage when selling.

"Open-End" Companies

When a salesman calls upon you to sell you the shares of an Investment Company it will probably be an open-end company where the amount of stock outstanding varies from day to day. There are about 75 of such active open-end companies. For instance, if the salesman should sell today \$100,000 worth of these shares, when the checks come into the company it will go into the stock market and invest that \$100,000 in perhaps 20 high-grade listed stocks, which stocks will be held in the company's treasury. Then, the company will issue \$100,000 worth of new shares which will be mailed out to the above-mentioned investors.

It will be seen, therefore, that these open-end Investment Companies provide a very good method of diversification for small investors. Naturally, the investor must pay something for this service. All open-end Investment Companies add a sales charge to the asset value of their shares and this charge normally runs around eight and one-half per cent. There is, however, no charge for liquidation of a holding except in very rare instances and in such cases it is usually less than one per cent. Without getting into the minute details of the computation, the base figure of asset value is arrived at by dividing the net value of the assets at market by the number of outstanding shares and adding to this the sales charge. This net value is what is used to determine the price paid at liquidation.

Different Classes of Open-End Shares  
Among the larger of these open-end companies might be mentioned the Massachusetts Investors Trust; Keystone Custodian Funds; Incorporated Investors, and the State Street Investment Corporation. These companies often have limited to common stocks, another Fund to preferred stocks, and another Fund to bonds. Moreover, in some cases the above divisions may be divided into "high-grade" with low return, and "speculative" with high return, which might mean six or more different Funds. This enables an investor to decide for himself the character of securities in which he desires to invest, but still insures him broad

diversification in the group which he selects. Furthermore, there is no reason why an investor cannot select more than one group, if he so desires, and thus get a double form of diversification.

Investment Companies and the General Stock Market

Investors buying the shares of any Investment Company should realize that there is nothing to prevent, either as to the annual income to be received, or what cash will be returned if one desires to sell. The market price of the shares in Investment Companies must go up and down with the general stock market. It is not like putting your money in the savings bank or in government bonds where you know exactly what interest you are going to get and that you can get back the same principal that you put in, no more and no less. Therefore, when buying the shares of an Investment Company the general stock market averages should be considered.

In the early days, these investment companies were not a market factor, but today they should contribute as a stabilizer of the stock market. For instance, it is estimated that about 1500 firms throughout the country, with an average of 5 salesmen each, are selling, every day, the shares of these Investment Companies. They are dated by insurance companies, educational institutions, and trust funds are now being absorbed by these thousands of small investors throughout the country who are daily purchasing the shares of these Investment Companies. These companies are a cushion which the stock market has never had in the past, and until the holders of these shares liquidate, which previous history shows that as a rule they do not do, these Investment Companies are performing an economic stabilizing service to the holders of all stocks.

Fairly Firm Stock Market Expected

Today the stock market is very little influenced by typical old-time speculators. The fact that he must pay 100 per cent cash for his purchases has pretty much eliminated him from the market. Wall Street and most brokers are now largely made up of the hands of real investors throughout the country who—either directly or through these Investment Companies—have the securities paid for and in safe deposit boxes. They are holding these for income; only some panicky event could cause them to sell.

Days when the market is strong there usually is considerable profit taking. So long as the Investment Companies and other legitimate investors can absorb these sales, the market holds firm. When such selling exceeds the buying powers of these Investment Companies and small investors, the market sells off. When the buying power of these Investment Companies—spurred on by 7500 active salesmen—exceeds the selling, the market continues to rise. It is true that we have a "thin market" today, but this need not prevent it selling at these levels or above for many months to come.

## Today in Washington

Russia's Behavior in United Nations Security Council Fails To Have Desired Effect on United States, Britain

By DAVID LAWRENCE

Washington, March 29.—Russia's peculiar behavior in the United Nations Security Council may mystify the world, but the British and American governments have refused to be taken in by the maneuvers.

The habit of walking out on important conferences or threatening to walk out is one of the favorite techniques practiced by the Russians in international affairs. A threat to leave the Dumbarton Oaks conference intimidated American and British officials and caused them to yield to the Russian wish that the proceedings be conducted secretly. The Russians have participated in international aviation and monetary conferences only to have left in doubt at the end whether they really were in or out of the picture. At San Francisco the constant threat of a Russian walk-out kept the conference upset.

But today Secretary Byrnes and his colleagues of the democracies have seen through these transparent efforts to prevent the democracies from exposing to full discussion the merits of subjects in dispute. Some persons may have thought Russia was walking out of the entire U.N.O. but it became apparent the next day that the Soviet representative was merely following instructions not to participate in discussions about Iran—least till April 10.

Meanwhile, Russia significantly enough never told her own people anything about their walk-out. Neither the radio nor the official Russian news agency mentioned the incident. In fact, no news at all about the Wednesday U.N.O. session was given to the millions of Russians who read and listen to the radio.

This might mean that the Russians were playing a game for external consumption and were hesitant to let their own people know they were part of a crisis with the United States and other countries.

The Russian people have suffered enough. They have recently been told by Stalin that they must endure a continuance of the low standard of living in order that the new five-year plan may be successful. They may or may not learn that through the economic help of the United States the five-year plan could be made effective.

I mentioned the 15 cisterns in the eastern fire department of the city, today I give the location of the 35 cisterns in the western department. According to Chief Engineer Weber they were located at the city hall; on Hasbrouck avenue, near the engine house; on Union avenue and Prince street; on Crown street; at North Front and Green streets; at North Front street and Washington avenue; Hurley and Washington avenues; North Front and Crown street; Crown and John streets; on West street at North Front street; at Main street and at Maiden Lane, also at St. James street.

Others were located on Bowery street, Fair street, Pine street, Fir and Pine streets, Main and Clinton avenues, Union avenue and St. James street, Elmendorf street, Elmendorf street and Ten Broeck avenue, Tremper avenue, Smith avenue and Garden street, Cedar street and Union avenue, Cedar street, Bowery and Furber street, Clinton avenue and Liberty street, Prospect street and Liberty street, St. James and Liberty street, and another on Fair street.

The reader will notice that some of the cisterns were located on Union avenue. Older readers will recall that the name was later changed to the present one of Broadway. If memory served me correctly Bowery street later became Franklin street.

In the 80's the fire department was also bothered by false fire alarms. That year the department was called out 28 times, 16 of which were false alarms.

Chief Engineer Weber in his report stated that the amount of money needed to operate the fire department in 1880 amounted to \$4,861.37.

He also thanked his assistant, Thomas B. Johnson, Michael J. Leonard, Paul Cable and Joseph Motrie for the efforts they had put forth to sustain him in the discharge of his duties as chief engineer.

Under the head of "condition of the department" Chief Engineer Weber wrote that the fire department that year consisted of one chief engineer and four assistant chief engineers; 165 members of engine companies; 200 members of hose companies; 58 members of hook and ladder company, five engineers of steamers and five firemen of steamers.

This made a total of 388 members, divided into five steamers, four engine companies, nine hose companies and two hook and ladder companies.

The Statute of Liberty cost the French people who presented it to America \$450,000; the American people paid \$350,000 for the pedestal.

March 29, 1936.—The religious drama, "Simon's Wife's Mother," was presented at the Sunday evening service in the First Presbyterian Church on Elmendorf street.

The seventh and final in a series of fireside forums was held at the Y.M.C.A. The topic was "Is World Peace Possible?" and the leader was Rabbi Herbert I. Bloom of Temple Emanuel.

Kingston Council, Knights of Columbus, held annual communion breakfast at the Governor Clinton Hotel.

By UPTON CLOSE

LET'S HIRE AN ARMY UNDER MANAGEMENT

Believe it or not, a retired general with a Philippine service record who said the following: "We are having trouble getting volunteers for an army of occupation in Japan, and even more for Germany. I believe that if any big American corporation should advertise for 600,000 able-bodied men of good character at good wages to do administrative work and other responsible supervisory tasks in Germany and Japan, the corporation would be flooded with applications. I believe that United States army pay with emoluments is as good pay as the average corporation gives to its rank and file of workers. But if I am wrong about the proper thing for Uncle Sam to do, it is to make his pay as good as that of a corporation."

"Why is it, then, that for Uncle Sam, applicants lag—that, in short, that United States Army has difficulty recruiting a volunteer force for its occupation duty abroad? I believe it is because the Army itself—as employer—has become so unpopular! And why this unpopularity? I think it is the 'caste system'—the reputation of stupidity and arrogance of officers—and which good corporation management recruits and handles its workmen—plus only the factor of the oath of allegiance, which of course includes sticking to the job without regard for life or limb. As a matter of fact, many loyal employees do this for their company every day.

"Instead of perpetuating the point of infantilism, the argument about uniting the army and navy, it would be a lot more constructive, it seems to me, and useful to this nation in its present and future needs for the army to set up a completely modernized, efficient officer, properly paid volunteer service for the occupational work in Germany and Japan. If that should prove out, we would have a demonstration of the kind of army best equipped mentally and physically and most easily recruited to protect the greatest and richest nation on earth in the threatening years of the last half of the 20th century."

It seems to me the old general has something! Let's pay young men enough, and give them the spectacle enough conditions, so that Uncle Sam will be turning down volunteers for his foreign service. It would be far the cheapest way, in the end! You or I could hire ten young Americans who really would like to work at it, and do more with them in Germany or Japan today than a hundred of the present-day disgruntled guys who won't go home.

The annual U. S. production of Swiss cheese amounts to 40,000,000 pounds.

Do You Want the Bridge?

The Kingston-Rhinecliff Bridge is absolutely necessary for the continued growth and prosperity of these communities. Government want the bridge, let's let the government know about it by letter or telegram.

## Col. Peron Charts His New Regime

### Argentine President Models Setup After British Labor Government

Buenos Aires, March 29 (AP)—Col. Juan D. Peron, Argentina's newly-elected president, was expected by political observers today to establish a powerful central government to carry out an ambitious program to keep pace with what he calls a "triumphant social revolution."

The Argentine Strong Man, whose victory in the presidential race became a certainty last night with the capture of the federal capital's 68 electoral votes, was expected to encounter little opposition in legalizing the

planks of his campaign platform, including nationalization of certain public services, agrarian reforms and price-fixing.

His partisans say the plan is modeled along the lines of the British Labor government's program, with a little mixture of President Franklin D. Roosevelt thrown in. His foes say it is purely a totalitarian scheme designed to perpetuate Peron.

No date has been set for inauguration of Col. Peron for his six-year term as Argentina's 29th president.

His election constituted a diplomatic rebuff for the United States, which issued a Blue Book only a few days before the Argentine election, February 24, in which it accused Peron of conspiring to aid the Nazis, charges which Peron vehemently denied.

The capture of the capital's electoral votes assured Peron of 216 electoral votes, with but 189 needed, to 72 for his Democratic Union opponent, Dr. Jose Tamborini. All parties agreed that the election, conducted by the Army, was one of the most exemplary in Argentine history.

The popular vote total up to today was 1,287,309 for Peron and 1,027,897 for Tamborini.

Government records show the heaviest snowfall in the United States in one day was 60 inches at Giant Forest, Calif., Jan. 19, 1933.

## Madame Had Pluck; And Savoir Faire

Gary, Ind., March 29 (AP)—A freight train was two blocks away when Mrs. Lylas Hazelett's automobile stalled on the Michigan Central Railroad crossing in Grant street last night.

Mrs. Hazelett, 42, told her two companions, Mrs. Ethel Blackwell and Mrs. Eva Schultz, to get out of the car. Then she held her foot on the starter pedal with the car in gear and moved forward slowly across the tracks.

The train clipped off the rear bumper as it sped past, but Mrs. Hazelett was not injured.

## Trades Council Is In Favor of Bridge

### Adopts Resolution Asking Dewey to Sign Bill

The Ulster County Building and Construction Trades Council, with a combined membership of 5,000 at its meeting Wednesday night, unanimously adopted a resolution urging Governor Thomas E. Dewey to sign the Wicks-Hatfield bill providing for the building of a bridge between Kingston and Rhinecliff.

The council also directed Thomas Mitchell, secretary-treasurer of the organization, to forward a telegram to that effect to the Governor.

## Russians Quit Entire Province in Iran

Tehran, March 28 (Delayed) (AP)—The Iranian Interior Ministry announced tonight that the Russians had evacuated "entire Mazandaran province from Firuzkuh to the Caspian Sea and from Babul to the Gilan border."

The Red Army did not maintain large garrisons in Mazandaran and travelers returning from the province recently reported that road blocks were manned by armed civilians wearing Tudeh (Leftist party) arm bands.

Firuzkuh is about 75 miles northeast of Tehran and Babul is about 55 miles north of Firuzkuh.

**SINUS, CATARRH SUFFERERS FIND CURE**

FOR MISERY DUE TO NASAL CONGESTION

Supply Rushed Here—Sufferers Rejoice

Relief at last from the torture of sinus trouble, catarrh, and hay fever due to nasal congestion is seen today in reports of success with a formula which has the power to reduce nasal congestion. Men and women who suffered with agonizing sinus headache, chronic nosebleeds, ringing ears, hawking and sneezing misery now tell of almost instant relief after using Kloronol.

Kloronol costs \$2.00, but considering results experienced by users, this is not expensive and amounts to only a few pennies per dose. Kloronol (caution, use only as directed) is sold with strict money-back guarantee by UNITED CUT RATE PHARMACY 324 Wall St. Mail Orders Filled

## Qualified as Vet Counselor

WALDRON DuMOND

Waldron DuMond who, as announced in The Freeman Thursday, has been honored with the appointment as one of the senior counselors in the Division of Veterans Affairs, New York state, is well fitted by training, experience and first-hand knowledge of the veterans' needs to supervise and coordinate the work of the numerous veterans counselors in the 10 eastern counties of New York state which have been placed under his supervision.

A veterans of World War I, in which he served as an officer in the Air Corps, he has long been active in the affairs of the American Legion, has served on various committees in the State Department of the Legion and is a former adjutant in the sixth district of the Department of New York. He has traveled from Maine to Los Angeles on various missions connected with the welfare of the Legion. He also served as commander of the Delaware County American Legion.

Although Mr. DuMond's roots go back to the very earliest days of Kingston and Ulster county, he actually is a native of Westchester county, having been born in Tarrytown, where his father was for 25 years principal of the high school. After graduation from the Tarrytown High School Waldron entered New York University and following his course there secured his bachelor of law degree from New York Law School.

He never actively practiced his profession, however, but came to Ulster county where he and his brother, C. Chester DuMond, New York state commissioner of agriculture and markets at the present time, purchased a fruit farm at Ulster Park.

At the outbreak of World War I, Waldron DuMond enlisted and served overseas as a lieutenant in the U. S. Army Air Force. Following his discharge from the

## Tom Dewey Jr. Seeks Identity Of 91-Year-Old Writer

Albany, N. Y., March 29 (AP)—Thomas E. Dewey, Jr., older son of New York's Governor, is anxious to learn the identity of a 91-year-old woman in Stamford, Conn., who writes him friendly letters of advice signed only "a grandma."

The 13-year-old schoolboy's curiosity was heightened by the latest letter which hinted at tragedy to his unknown correspondent and recommended that Governor and Mrs. Dewey "leave the awful muddle for someone else to settle" and "live quietly" at their Pawling estate.

"This may be my last letter to you," the note said. "Something happened to me today which seems to me the last straw."

The mysterious letters, apparently stemming from admiration of Tommy's father, began arriving about a year ago. Written in an unsteady hand, they are addressed to young Dewey at the "Executive Mansion, Albany, N. Y." and have been arriving periodically.

The Stamford postmark, plus the fact that the woman is an amateur artist, are the only clues. An unsigned sketch of the Governor

that contented expression they have in the picture I have drawn of them. Tell them to leave the awful muddle for someone else to settle, if the Creator does not do it in the meantime. I have lived 91 years and, as I said before, feel that I know what I think I know.

"I hope, Tommy, by the time you are your father's age, the world and things will be better. Something happened to me today which seems to me the last straw. A grandma."

About 17,000,000 occupied dwelling units in the United States, 46 per cent of the total, had central heating equipment in 1944.

## Flashes of Life Sketched in Brief

**Bloodhound Stumps Cops**  
Stamford, Conn., March 29 (AP)—What to do when a bloodhound is lost is what is bothering the Stamford police. They have tried everything, including advertising, since a bloodhound was found wandering in the business section here. But they have failed to find the dog's owner. As a last resort they are considering calling in another bloodhound.

**Regular Army**  
Pratt, Kas., March 29 (AP)—Military personnel are decreasing steadily at the Pratt Army Air Field, now being inactivated, and post authorities have a problem in the field's dog population, estimated at four times the number of men. The dogs range in age from pups to "Old Sheep," a dog with more than three years here and seven months overseas. Since the field is the only home the dogs have ever known, they didn't seem to have the usual Army hankering for discharge, and what's more, sighs the Army—the canine population is growing.

**Consolation**  
Chicago, March 29 (AP)—John B. Smith, owner of restaurants in Iowa, told Summerdale police that burglars had broken into his home and stolen \$9,000 in War Bonds

and clothing and jewelry he valued at \$2,000. After he telephoned his wife, who is visiting in Virginia, and told her about the burglary, Smith amended his report to police. He told officers the burglars had not stolen the bonds. Mrs. Smith had placed them in a safety vault before she left Chicago.

**No Bargain**  
Seattle, March 29 (AP)—Larry Smith is wondering now if he got a bargain after all in buying a five dollar discount two tons of coal which were delivered to his neighbor's house by mistake. It took him 75 trips, carrying 50 pounds of coal in two suitcases, to bring the coal home. Smith related between applications of liniment.

**Wrong Bottle**  
Los Angeles, March 29 (AP)—Eleven-month-old Beatrice Sutton is feeling all right now, except perhaps for a hangover. Hospital attendants who treated her said the baby's two and a half year old sister fed her the contents of a bottle of high-proof cologne.

## Redeployment

(By The Associated Press)  
Six vessels, carrying 7,298 service personnel, are scheduled to arrive today at two west coast ports while 1,835 more troops are due to debark from three ships at New York.

In addition, one ship with 215 British war brides and children is expected at New York. Arriving at San Francisco are four transports, 2,713; Seattle, Wash., two ships, 4,585. Ships and units arriving:

**At New York**  
Howard Victory from Bremerhaven, 969 troops, including Headquarters of Third Battalion, Companies H, I, K, and L of 331st Infantry Regiment, 83rd Infantry Division.

Muhlenberg Victory from Bremerhaven, 840 troops, including Company M, Regimental Headquarters, Service Company, Anti-tank Company, Cannon Company and Medical Detachment of 331st Infantry Regiment.

Reed Victory from Algiers, six miscellaneous personnel. James Parker from Southampton, 215 British war brides and children.

**At Seattle**  
Miscellaneous on following: Gen. H. F. Hodges from Calcutta, 3,078 army, 15 navy; U.S.S. "Winged Arrow" from Wake, 1,492 navy and marines.

**At San Francisco**  
Miscellaneous on following: La Salle from Shanghai, 1,377 navy, 49 marines; Randall from Pearl Harbor, 1,087 navy, 187 marines; Pearl Harbor, 187 navy; Gratia from Sasebo, 13 marines.

**Typhoon Forming**  
Manila, March 29 (AP)—Winds of hurricane force threaten the entire Marianas Island chain as the first typhoon of 1946 sweeps toward Guam and Saipan. Navy aerologists reported today. Winds up to 50 knots are expected to hit Saipan today and to increase in velocity.

**Nab Red Spy**  
Shanghai, March 29 (AP)—A spokesman for the Army's criminal investigation division said today that a Russian civilian employee of the U. S. Army has been arrested for "snooping around" a newly-landed aircraft, and has been found to possess secret Army documents relating to airforce installations.

The first telegraphic news of a presidential inauguration was sent by Professor Samuel F. B. Morse at the inauguration of President Polk in 1845.

## Waste Paper To Be Collected Tomorrow

Waste paper, a vital material, will be collected here tomorrow by Committeemen and Boy Scouts of Troop 18 of St. Mary's. Any one having waste paper or magazines is asked to call tonight the following committeemen and the salvaged material will be picked up Saturday: Raymond Long, 4780-W; Francis Noonan, 3832-M; John Gorsline, 4403-M; John Hoffman, 2012-J; James M. Murphy, 232; Fred Miller, 2638-M; Gustav Kogel, 1763; John Glennon, 681; F. D. Halloran, 1998; Robert Boyle, 1159-R; Andrew Wrinn, 1550-J; Leo T. Lynch, 1665-R1.

**Cuban Protest**  
Moscow, March 29 (AP)—A Tass dispatch from New York today quoted the Cuban Communist newspaper Hoy as saying in Havana that Cuba might appeal to the United Nations concerning the presence of U. S. military bases in Cuba. The dispatch said Hoy asserted that if diplomatic negotiations failed to result in the turning over of these bases to Cuba, then Cuba may bring the matter to the attention of the U.N.O.

## Industrial Designer Urges Small Industries For Rondout Valley

The possibility of developing small industries in the Rondout Valley were stressed by Fritz Foord, industrial designer, in an address before the students of Kerhonkson Union High School, this week.

Mr. Foord's topic, "The Industrial Future" was designed to counsel the students to purchase wisely as the future consumers of America. He explained the uses of design, color and performance their application to the appearance of the finished product, relative to their sales value.

The establishment of small industries in the Rondout Valley was practical and necessary in a locality such as this, in order to provide employment for the young people of the community, Mr. Foord said.

Emphasis was placed on small industries as being important in the future of American manufacturing and, at the same time, not requiring vast expenditures or great facilities for materials, transportation, or power. In closing Mr. Foord again stressed his point that, as the establishment of these small industries needs only an idea backed by

civic interest, there is every reason to believe that this section could take its rightful place in the industrial future of America.

**Pan American Day**  
Albany, N. Y., March 29 (AP)—Governor Dewey today proclaimed April 14 as "Pan American Day." Commemorating the founding of the Pan American Union in 1891, the day should be a fitting time, Dewey said, to let it be known how sincerely we want a better understanding among the American peoples.

Solution of Yesterday's Puzzle

AP Newsfeatures 3-29

## NEW PALTZ NEWS

New Paltz, March 28—Miss Blanche Gulnac of Nanuet spent the week-end at home with her parents, Mr. and Mrs. Frank Gulnac and brother, Edward Gulnac.

The Country Club met at the home of Miss Congetta Alessi for the March meeting this week. A good attendance was on hand. Entertainment at the meeting consisted of a monologue by Mrs. Mabel Schneider and songs by Mrs. Horace Elliott and others. The program for the next meeting is being arranged by Miss Alessi and she will be assisted by the children. Six juvenile members were received into the club during the session. The Public Health Nurse Committee of New Paltz is planning for a special event in connection with National Public Health Week during April 7 to 13.

Mr. and Mrs. Lawrence Lindsey of Pennsylvania were recent guests of Mr. and Mrs. Frank Clearwater and daughter.

Peter Agvalotis recently of the marines, has enrolled at the New Paltz State Teachers' College.

Mr. and Mrs. John O'Brien and son of Salisbury, Conn., spent Tuesday with the former's sister and mother here.

The Thespian Society of New Paltz Central High School opened the Checker Board Cafe Saturday evening. Dancing and entertainment continued from 8 to 11 o'clock. Refreshments followed.

Mrs. Webb Kniffen called on her father, George M. Van Vleet in Kingston Sunday afternoon.

Mr. and Mrs. Louis A. Martin accompanied relatives from Catskill Sunday to Long Island to attend funeral services for Mrs. Roy Grobe, a sister-in-law of Mrs. Martin.

"Readjustment of Education" will be the theme for the annual spring teachers conference at New Paltz Monday, April 1 in the high school. The morning session will begin at 9 o'clock with the salute to the flag and singing of the national anthem. Edward C. Elmore, president of the New Paltz Board of Education, will give the address of welcome. The business meeting will include the reports from the secretary, treasurer, nominating committee, welfare committee, public relations, classroom teachers, resolution committee and reports and election of officers. At 10:45 o'clock the meeting will adjourn to the New Paltz State Teachers' College where classes will be observed. A noon meal will be served in the New Paltz Grange Hall.

The conference will resume at 1:15 o'clock with a musical program.

## O.E.S. Minstrel Show

At Stone Ridge April 4

The minstrel show which has been given on three occasions recently in Kingston, with great success, by members of Clinton Chapter, O.E.S., is booked for the Stone Ridge Grange Hall Thursday evening, April 4. It is an all-woman performance, including the cast and a large chorus.

The show and dance which follows is sponsored by the Stone Ridge Grange. Mrs. Isaac Graham being chairman of the local committee.

## ACCORD

Accord, March 29—Mrs. Jessie Campbell is spending some time with Mr. and Mrs. Warren Terwilliger at their home in Kerhonkson.

Mr. and Mrs. William Decker are receiving congratulations over the birth of a son March 26 at Veterans' Memorial Hospital. Mrs. Decker formerly was Dorothy Lawrence.

Methodist Church, the Rev. Arthur Cataldo, pastor—Sunday morning worship at 10 o'clock. Sunday school, 9:30.

Reformed Church, the Rev. William Coombe of Ellenville officiating—Sunday school at 9:30 a. m. Morning worship at 10:30, followed by congregational meeting. The Lord's Supper will be observed at the service.

Mr. and Mrs. G. E. H. Skinner have returned to their home—Hickory Acres, having spent the winter months in the south.

Mr. and Mrs. Floyd Oakley of Cornwall-on-Hudson spent the week-end with Mr. and Mrs. John Miller.

# 'Y' Cagers Win, Advance Into Semi-Finals of Local Tourney

## Golf Lead Shared By Little, Ferrier

Both Crack 66's in First Round at Charlotte

Charlotte, N. C., March 29 (P)—Lawson Little who, by the way, isn't, and Jim Ferrier, another husky, were the men to catch as the Charlotte Open golf tournament swung into its second round today.

They cracked par by six strokes with opening round 66's yesterday to take a two-stroke edge over their nearest rivals as the \$7,500, four-day tourney got under way

## North Front Street Liquor Store

## Knit-tex Coats

SMART IN THE SUN and DRY IN A DRIZZLE

On clear days, Knit-tex is a fine and unusual looking top coat. It wears well, seldom needs pressing, and is very smart in appearance. In wet weather Knit-tex will withstand a very fair amount of rain.

And thus it really takes the place of both a top coat and a rain coat.

## Yanks Appear Ready to Run Away With '46 Pennant Race

### Baseball Briefs

**Yanks Break Camp**  
St. Petersburg, Fla., March 29 (P)—The New York Yankees broke camp today with a record of having played before 38,643 spectators in 14 exhibition games here.

**Nats Decide on Hurlers**  
Orlando, Fla., March 29 (P)—The Washington Senators have decided on ten of the 12 pitchers they will carry this season—Roger Wolff, Dutch Leonard, Sid Hudson, Mickey Haefner, Walter Masterson, Marino Pieretti, Ray Scarborough, Maxie Wilson, John Nigeling and Vernon Curtis.

**Injured Bengals Back**  
Lakeland, Fla., March 29 (P)—Outfielders Barney McCosky and Pat Mullin and infielder Eddie Mayo, who have been sidelined with pulled muscles, were scheduled to play for the Detroit Tigers against Cleveland today.

**He Did His Best**  
Miami, Fla., March 29 (P)—Morrie Aronovitch, who used to play for the Phillies, tried his best to beat his old teammates yesterday. He got two hits in four times at bat for the New York Giants although in a losing cause as the Phils won, 6-3.

**Cub Hurlers Today**  
Phoenix, Ariz., March 29 (P)—Claude Passeau and Ray Prim have been nominated to pitch for the Chicago Cubs today in the first of a three-game series here against the St. Louis Browns.

**Expensive Victory**  
Bisbee, Ariz., March 29 (P)—Pitcher Eddie Smith got credit for Chicago White Sox victory over Pittsburgh yesterday but he suffered a sprained shoulder during the game and had to retire.

**Lombardi Goes Route**  
Daytona Beach, Fla., March 29 (P)—Vic Lombardi became the first Brooklyn pitcher to go more than five innings this spring when he twirled eight innings yesterday, beating the New York Yankees "B" squad.

## LaMotta Is Choice In Bout Tonight

Boston, March 29 (P)—Jake LaMotta, New York middleweight title claimant who wonders why he accepts the troublesome opponents Boston boxing promoters dig up for him, has been paired with another speedy and clever boxer, Kid Chicken, the Pittsburgh Negro, for the feature 10-round bout tonight at the Boston Garden.

Profiting by his experiences here with such shifty performers as Bert Lytell and Popeye Woods, the stolid Jake intends to slow down the agile Chicken with body punches and then knock him out. The odd-makers see much merit in LaMotta's battle plans for they have quoted him a 3-1 favorite to win by a decision and are giving even money that he knocks out the Pittsburgher, who has put together a long string of wins in New England rings.

## In The Pocket

CHARLIE TIANO  
Having won everything but their opponents' shirts, Kingston's contingent of Hudson Valley klegers will be able to walk through the front door of the Chalet Sunday night, when league bowlers and officials put on the annual feed bag.

The impression exists that there would have been no shortage of shirts here, if those prized articles were up for competition. Van Kleeck's made a show of the field in the most bizarre season the league has experienced since it was organized a decade ago by Ad Jones, yours truly and a few other interested bowling figures.

Van Kleeck's final margin over Newburgh Finnegans was seven games. Trailways knocked off both team records of 1090 and 1117. Johnny Ferraro swept three individual honors, with 203.3 average, 279 single and 767 triple.

## Graziano Favored Over Marty Servo Tonight at Garden

**Non-Title Bout Will Draw Sellout Crowd; 'Rocky' Is 5 to 6 Odds to Cop Decision**

New York, March 29 (P)—Rocky Graziano, the ring's newest "killer" who just loves to knock out welterweight champions, gets his chance at Marty Servo, the new 147-pound boss, in a 10-round non-title affair at Madison Square Garden tonight.

A sellout crowd of close to 19,000 persons who already have paid around \$170,000 at \$20 tops will sit on this expected-to-be torrid affair between the Brooklyn clouter and the baby-faced lad from Schenectady.

The gross is a record for other than heavyweight scraps at the Garden and hosts Promoter Mike Jacobs' take for 13 shows this year to over \$1,000,000.

**May Pull Surprise**  
Rocky, a middleweight who jumped into the fistic limelight last year with sensational stretchings of Billy Arnold, Harold Green, Bummy Davis and the then welterweight champion Freddie "Red" Cochrane, is a 5 to 6 choice to add Servo to his string.

Rocky, with his striking black hair and roughhouse tactics in the ring, has become a gallery idol, but canny Al Weil, manager of Servo, has studied Rocky's style and may spring a surprise. He has not overlooked the fact that it took Rocky 10 rounds to flatten Cochrane while Marty stiffened the Elizabeth, N. J., redhead in four rounds in their title bout on February 1.

For the last two weeks Weil has had Servo, beaten only by Ray "Sugar" Robinson, concentrate on infighting. The Servo camp figures Rocky is at his best only at long range and if Marty can stay in close, it will decide.

For what it's worth the records show favorites have won nine of the 12 previous 1946 Garden scraps. The underdog won once and the other two bouts ended in draws.

## Mixed Loop Votes To Bowl Saturday At Central Alleys

League Also Will Roll Regular Matches on Sunday Evening

Members of the Central Mixed Bowling League voted Thursday night to bowl their regular matches this Saturday night, March 30, at 7 o'clock in addition to the regular Sunday evening matches. This decision was decided upon in view of the coming bowling sweepstakes at the Central Rec alleys during the week-ends of April 14 and 21.

Rose Schatzel, president of the Mixed League, presided at last night's parley and suggested the Saturday night bowling as the one way in which to roll the games now rather than stretching out the season which would run into the late weeks in April.

As a result of the meeting the following matches will be rolled Saturday night: Bulldogs vs. Spaniels. Police Dogs vs. Terriers. Whippets vs. Scotties. Great Danes vs. Greyhounds.

At Thursday's meeting plans also were formulated for the annual post-season Mixed League banquet. A couple of dates already have been offered for the party but final decision will not be made until after a meeting Saturday night following the matches. President Schatzel appointed Nick Turck and Jake Chichelsky as a committee on arrangements for the banquet. Betty Boyce, secretary of the loop, will be in charge of tickets.

## Ed Weaver Sparks Club to 40-35 Win Over Shamrocks

Margaretville Scores 45-35 Triumph Over Port Jervis; Semi-Finals Slated Next Tuesday Night

The Kingston Y.M.C.A. varsity basketball team and the Margaretville American Legion advanced into the semi-finals of the "Y" Gold Medal Basketball Tournament Thursday night when they defeated the Shamrocks and Port Jervis American Legion in the closing quarter-finals of the tournament.

**Semis Next Tuesday**  
As a result of last night's contest, two semi-final battles will take place on the "Y" boards Tuesday night, April 2. In the first tilt at 8 o'clock it will be the Kingston Y.M.C.A. varsity, and at 9:15 o'clock the Margaretville American Legion will tangle with the strong Newburgh Caravan Clippers. At this writing the Clippers are still the choice to cop tournament honors.

Playing a steady game all the way Thursday night the "Y" cagers turned back the determined Kingston Shamrocks by a score of 40 to 35 in a game which had the fans on their feet from the start. The "Y" quintet had a 21 to 15 lead at halftime and managed to protect the slim margin throughout the third and fourth sessions.

**Weaver Scores 10**  
Pacing the Y.M.C.A. five to the important victory was Eddie Weaver, Kingston High School ace, who flipped in 10 points. Al Thomas followed with seven and Frank Sass threw in six. Tierney and Bloom assaulted the wickets for 12 points apiece. Van Deusen had 10.

Margaretville's brilliant basketball team continued on the winning road last night through the stellar shooting of Boggs who led the club with 16 points. In Margaretville's last triumph the same Boggs was the big gun with 23 points. Margaretville downed Port Jervis last night by 45 to 35 after posting a 23-15 margin at the end of two periods of play. Brown scored 15 for Port.

## Heavy Scores Due In A.B.C. Tourney

Buffalo, N. Y., March 29 (P)—Two crack Chicago teams were scheduled to take the alleys tonight at the American Bowling Congress tournament, with fans declaring that the first 3000 score in the five-man event was due to go up on the boards.

The Prima Beer five which boasts a 995 average in the hard-bitten Chicago classic league, is currently the hottest squad in that city. Veteran George Theel, who paces the squad, is a member of the 1942 champion Budweiser team, and a former doubles partner of Joe Wilman, world match game champion.

## Phillips Oilers Win

New York, March 29 (P)—The smallest basketball crowd of the season at Madison Square Garden—6,734—saw the Phillips 66 Oilers, National A.A.U. champions, beat the New York Athletic Club, 69 to 64 in overtime, in the feature of a benefit Red Cross double-header last night. In a preliminary

## SOCIAL ACTIVITIES

SOCIETIES • CLUBS • PERSONALS

### Soldier Given Party While on Furlough

P.F.C. Arthur Van Demark, son of Mr. and Mrs. Fred Van Demark, 80 Hurley avenue, was honored at a birthday party Saturday night at the Mannerchor Hall on Greenkill avenue. Music for modern dancing and square sets was furnished by Bill Brown's Orchestra. Private Van Demark has been spending a 30 day furlough at his home and has returned to Greensboro, N. C. Prior to his furlough he was stationed at Shepard Field, Tex., where he re-enlisted for three years in the regular army. He expects to leave for overseas duty soon in the European Theatre.

Guests at the party were Mr. and Mrs. John Martin, Mr. and Mrs. Joseph McSpirt, Mr. and Mrs. William Knight, Mr. and Mrs. Gordon Hyde, Mr. and Mrs. Kenneth Van Demark and son, Duane; Mr. and Mrs. Harold Moore and children, Doreen and

David; Mr. and Mrs. Loughran Jansen, Mr. and Mrs. Wilbur Turck, Mr. and Mrs. Harold Reed, Vincent Van Demark and son, Vincent, Jr.; Mr. and Mrs. Harold Crantz, Mrs. Richard Crantz, Mrs. Annie Leahy, Mr. and Mrs. Nile Quick, Mr. and Mrs. Richard McSpirt, Mr. and Mrs. Fred Van Demark, Mrs. William Van Wageningen, Mrs. Viola Van Demark, Mrs. Dorothy Bailey and sons, Robert and Ronald; Mrs. Arthur Barnes, Mrs. Elmer Osterhoudt, Arthur Thomas, Gustavo Cenci, Robert Grimm, Nicholas Pezzello, Gene Pezzello, William McSpirt, Nile Quick, Jr., Donald Rockwell, Joseph Dunn, James Crantz, Robert Van Demark and the Misses Dorothy Grimm, Margaret McSpirt, Edna Davis, Eleanor Thomas, Margaret Van Demark and Mary Crantz.

### Ruth McIntosh Sets June Wedding Date

Miss Ruth McIntosh of 172 Valley road, Montclair, N. J., was given a personal shower by Mrs. Joseph Connolly of Maywood, N. J. and Mrs. Herbert Ruesch of Westwood, N. J., recently. The shower was held at the home of Mrs. August Ruesch, 321-77th Street, North Bergen, N. J. Decorations were in pink and American beauty.

Among the guests were Mrs. John McIntosh, Mrs. Howard Stevens, Mrs. Jonathan Penney, Mrs. Theodore McIntosh and Mrs. Hubert Stern-Montagny of Gardiner.

The bride-elect is the daughter of Mr. and Mrs. John McIntosh of Gardiner. She is a graduate of the New Paltz State Teachers' College, New Paltz, and at present time is teaching at the Edgemont School, Montclair, N. J.

Walter E. Ruesch, son of Mr. and Mrs. August Ruesch of North Bergen, N. J., prospective bridegroom was formerly squadron navigator in the 15th Air Force. He completed 50 missions in the European Theatre of Operations. At present he is attending Bergen College.

The date for the wedding has been set for June 29.

### Joyce Vandemark, Milton Will Be Married in April

Miss Joyce E. Vandemark was guest of honor at a bridal shower in the home of her mother, Mrs. Anna Vandemark, Milton, recently. Co-hostesses were her sisters, Mrs. Ethel Hasbrouck and Mrs. Marion Callo. Miss Vandemark will become the bride of Frank Palmateer, son of Mr. and Mrs. Lorin Palmateer of Highland, Sunday, April 14.

### Friendly Circle Meets

The Friendly Circle met with Mrs. Andrew Anderson in Connelly Wednesday afternoon. There were nine women present to sew for the Red Cross. The group was recently organized and decided at Wednesday's meeting to meet every two weeks. Any woman of the village interested in sewing for the Red Cross is asked to attend any of the meetings from 1:30 to 4 p. m.

The next meeting will be April 10 at the home of Mrs. Thomas Morrissey.

## Conductor, Soloists, Narrator for Oratorio Society Concert

GEORGE FOWLER

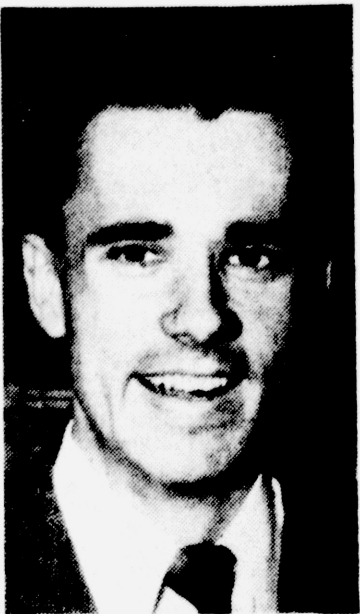

MISS SUE MERRIAM

MRS. WILLIAM PLIMLEY

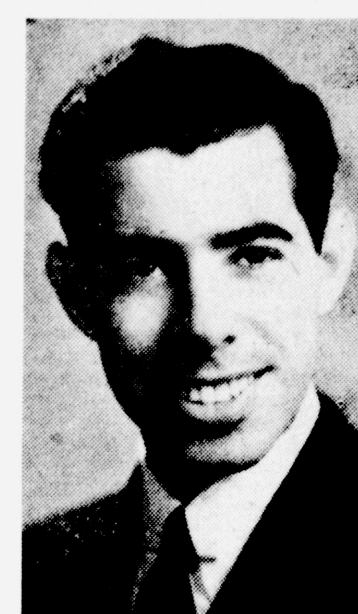

LEONARD STINE

EDWARD W. POLLOCK

ROBERT MESSINGER

ANTHONY J. MESSINA

REV. A. E. OUDEMOL

### August Franz Will Be Featured in Oratorio Concert Tuesday Night

August Franz, tenor, of Newburgh, will be the featured soloist in the presentation of "The Creation," an oratorio by Franz Joseph Haydn, sung by the Oratorio Society in St. James Methodist Church Tuesday evening. Mr. Franz, a former resident of Kingston, returns to sing with the group of which he was a member. He sang in the choir at St. John's Episcopal Church and has been soloist on a number of occasions both in Kingston and Newburgh.

All of the other soloists for Tuesday's concert are members of the society this year, except for Robert Messenger, who received his honorable discharge from the army Wednesday. He is a former member of the group and was heard as soloist in "Elijah." While serving with the army, he has been a soloist of the 222nd Infantry Division Glee Club which has given many concerts in Austria. Tuesday night Mr. Messenger will sing several of the bass recitatives.

Edward W. Pollock of the staff at W.K.N.Y. and a member of St. Mary's Church choir, will sing the main bass aria, "Rolling in, Foaming Billows," and several of the recitatives as well as the bass in the trio, "The Heavens Are Telling."

Leonard Stine, supervisor of music in the Kingston schools and choir director at the Lutheran Church of the Redeemer, will also do some of the bass solo selections and the bass in the trios: "Most Beautiful Appearance," "The Lord Is Great" and "On Thee Each Living Soul Awaits."

Anthony J. Messina, member of the music faculty of the Kingston school and director of music at Trinity Lutheran Church, will sing several of the tenor recitatives and the tenor part in the trios, "The Heavens Are Telling."

Mrs. William Plimley of Saugerties, soloist on many occasions in Kingston and this area, will sing the soprano aria, "On Mighty Wings," several recitatives and the soprano part for the trios, "Most Beautiful Appearance," "The Lord Is Great" and "On Thee Each Living Soul Awaits." Mr. Franz will sing the tenor and Mr. Stine will complete the trio. Mrs. Plimley is president of the Oratorio Society.

Miss Sue Merriam, minister of music at the First Dutch Reformed Church will sing the soprano aria, "With Verdure Clad," soprano solo with chorus in "The Marvellous Work" and the soprano part for the trios, "The Heavens Are Telling," with Mr. Messina and Mr. Pollock.

The story of the creation found in Genesis will be told at the beginning of the program by the Rev. Arthur E. Oudemool, pastor

of the First Dutch Reformed Church.

George Fowler of Poughkeepsie will conduct. Mr. Fowler, who is choir director and organist at Christ Episcopal Church, Poughkeepsie, has conducted the society in Kingston for eight years. He recently conducted a group in Beacon in presenting "The Creation."

Mrs. William S. Eltinge, regular accompanist with the group for eight years, will play the piano. Mrs. Lester E. Decker will play the organ in parts of the oratorio when both the piano and organ will be used.

Admission is by complimentary ticket only. Associate memberships in the society may still be arranged with Miss Ruth Tongue, telephone 969-W, chairman of the membership committee.

### Gertrude Tremper Will Be Married Sunday

New York, March 28 (Special)—A license to wed was issued today at the City Clerk's Office here to Miss Gertrude Tremper, formerly of Rifton and now of Rock Tavern, N. Y., and Arthur J. Herman, 25, of Moore street, Albany. He is in the Coast Guard at present.

The couple plan to be married Sunday in the Marble Collegiate Church here by the Rev. Norman V. Peale.

Miss Tremper, a native of Rifton, is the daughter of Norman and Maud Walters Tremper. Mr. Herman was born in Albany. His parents are Anthony and Ida N. Herman.

### Mrs. Truman Invites Her

Bridge Club to White House Independence, Mo., March 28 (AP)—The Independence bridge club may meet soon in the White House.

Mrs. Bess Truman dropped in at the club meeting this week to invite the ten members to her Washington home for a visit. The First Lady has been a member of the club for 20 years.

"We're all planning to accept the invitation," said Mrs. J. C. Noel. "We are certainly thrilled." She added the visit may be the second week in April.

### New Theatre Group Will Open its Season in Kingston April 26

A new group of young actors and actresses interested in bringing "live" theatre to communities throughout the United States will give a production of "Out of the Frying Pan" at the Municipal Auditorium, April 26. The company has chosen for its title, "Theatre Adventure, Inc." and will open its season in Kingston then proceed to Albany.

The repertory group has the enthusiastic encouragement of Fred Allen, Gregory Peck, Orson Welles, Elliott Nugent, Cornelia Otis Skinner, Louis Calhern, Oscar Serlin, Edward Chodorov, Howard Lindsay, Billy Rose, Richard Kollmar and Carroll McComas. Peggy Wood, Broadway star, is directing the group in the farce comedy to be presented in Kingston.

The company has chosen a covered wagon for its symbol as pioneers in bringing drama to the smaller cities.

### Colleen Moore Receives Award

For Funds from Doll House—From Hollywood—The "Jimmie Fiddler Award for Good Americanism" will be presented to silent film star Colleen Moore during the WJZ Hollywood commentator's broadcast Sunday at 9:45 p. m. Back in 1930, Miss Moore had built at a cost of one million dollars, a doll house, which in the past six years has been displayed in practically every principal city in the United States. The proceeds from the house, which have just recently reached the million dollar mark, have been given by Miss Moore to charities throughout the nation. (The doll house was shown in Kingston in August, 1941, for the benefit of Bundles for Britain.)

### Trinity Methodist Will Hold Annual Meeting

The annual meeting of the congregation of Trinity Methodist Church will be held tonight. A covered dish supper will be served at 6:30 o'clock. Dr. Arthur G.

### Missionary Will Speak At 1st Baptist Church

The Rev. Alfred F. Merrill of Assam will speak at an open meeting of the First Baptist Church Missionary Society Wednesday evening. The service will be held in the church sanctuary at 7:30 p. m. in celebration of the 75th anniversary of the Woman's American Baptist Foreign Mission Society which was founded April 3, 1871.

The Rev. Mr. Merrill was appointed a missionary under the American Baptist Foreign Mission Society of the Northern Baptist Convention in 1928. He was assigned to Assam and settled in Tura, government seat for the Garo Hills. Mr. and Mrs. Merrill arrived in the United States August 2, 1945 on the Gripsholm.

### Dancing Classes Will Have Parties at Y. W. C. A.

Members of the Y. W. C. A. dancing classes are reminded that Saturday evening the beginners' class will have its regular lesson at 7 p. m. and the senior class students will have their party beginning at 8 p. m. On Saturday, April 6, the beginners class will start a new series of lessons at 7 p. m. and at 8 p. m. the intermediate dancing class will have its closing party.

**Orange Blossom**  
Engagement and Wedding Rings  
by Traub

THE poet says that flowers are love's truest language. So it is only natural that the genuine Orange Blossom motif in bridal rings has met with ever-increasing favor and is today the accepted standard of excellence in diamond engagement and wedding rings. One simple theme, the orange blossom, lends itself to infinite variation in the hands of skilled artisans who create these finest of rings. Choose the mode for your mood in rings you can easily afford. Come and see how little they cost.

## Virginia Drafts Electric Workers Planning Strike

Unprecedented Move Sets Quick Reaction in Labor Circle; Green Says Move Is Illegal

Richmond, Va., March 29 (AP)—Governor Tuck today drafted approximately 1,500 production and maintenance workers of the Virginia Electric and Power Company into the state's unorganized militia and placed them under military law, subject to court martial if they refuse to work for the commonwealth in the event of a strike.

The governor directed members of the Virginia State Guard to serve on each officer and employee of the power company under the age of 55 a "notice of draft order to report."

Approximately 2,500 members of the State Guard began serving the orders on VEPCO workers at 9 a. m. today. Copies were placed in their hands at emergency meetings in armories and schools in various parts of the state last night.

The unprecedented action followed the governor's declaration of a state of emergency yesterday in a move aimed at preventing any interruption of power service in the event a strike of VEPCO workers takes place Monday as threatened.

Washington, March 29 (AP)—President William Green declared today that the American Federation of Labor "will never acquiesce" in the action of Virginia authorities in drafting power workers threatening a strike.

Green talked at the White House after a conference with President Truman, which Green said related to problems of his ship building unions.

While he said the action of Governor Tuck of Virginia in drafting power workers into the state militia was not even discussed with the president, he told reporters that the union would not accept such action.

Meanwhile, E. J. Brown, president of the A.F.L. Electrical Workers Union, who accompanied Green, told reporters that his union was awaiting legal advice before making any move.

"I don't think Governor Tuck has the right to draft these workers," Brown said. "We will wait for the law to decide."

"We went through the normal procedures of government and the governor can't tell us we can't strike," Green added that "we regard the plan announced by the governor as involving the principle of involuntary servitude. It compels workers to work against their will. We will never acquiesce in that."

**No Phony Formalities**  
For Gen. Bedell Smith

Moscow, March 29 (AP)—Lt. Gen. Walter Bedell Smith, new U. S. Ambassador to the Soviet Union, revealed himself today to be no formalist insistent upon personal protocol.

Asked by correspondents whether he preferred to be addressed as "General," "Mr. Ambassador," or "what," he replied:

"I sign my name 'W. B. Smith.' Call me anything you want. I don't care if you just call me 'Smith.'"

**Janitors Ask Increase**  
A petition from the janitors for salary increases was received and filed.

Albert E. Milliken sent a communication asking that in the school expansion program he be given consideration as an architect.

Superintendent Laidlaw reported that the Postwar Public Works Commission has approved the plans for the school on the Sahler property and a check for \$2,500, the state's share of the cost of the project to date, had been received.

**Not Responsible**  
A communication was also received from the parent of a member of the high school track team who brought to the attention of the board the loss of his son's watch and wallet which had been taken from the team locker room on March 19. A report was made by Coach Kias to the effect that the watch and wallet had been left in the locker room during a voluntary period of training, not during a regularly scheduled training period. The stolen articles had not been taken from the locker of the boy involved and it was reported that the school was not responsible for the loss. The board members discussed means of meeting this piling and it was finally left to the Insurance and Athletic Committees to investigate and report back on some plan whereby

belongings of students could be safeguarded during such voluntary training periods. At regular training periods the school provides a means of checking valuables.

Trustee Cook for the finance committee offered the payroll amounting to \$51,728.85, general vouchers \$14,397.83 for March and F.D.A. school lunch program payroll and vouchers amounting to \$5,915.31 for February. Adopted.

A communication was received from the owners of the Millard Building where vocational classes meet, asking that the board pay a portion of the cost of extra oil needed to heat the building for night sessions. Referred to Building Committee.

Trustee Leehive for the Building committee reported need for repairs to the parapet walls of the high school and Vocational school building. Materials have been received for repairing the walls and the work will be done at once. It will require the services of two men for about two months. Snow guards on the M.J.M. school have been damaged and the gutters have been badly dented by sliding snow and ice and must be repaired before next fall. Last year a piece of ice weighing about 400 pounds slid off the roof and went through the roof on the locker room. New snow guards will be installed. It was reported the new gang lawn mower had been received and would be ready for operation when needed.

**File Site Resolution**  
A resolution adopted by the Common Council fixed the conditions under which the city will turn over a portion of Hasbrouck Park for a school building, was received and filed. The Board directed the Sites Committee to go over the matter and seek certain clarifications relative to the control of the portion to be taken. A report will be made later.

The sum of \$411.01 was received from the classes of 1943 and 1944 of the high school. Such sum is to be used for stage equipment. The Board authorized a letter of thanks to the classes.

A report on school lunches was given. Since September 1940, 134,000 school lunches have been served. A report was also made on the Work Experience Program which is under the direction of Mr. Tobin. From July 1945 to February 1946 students have worked a total of 25,659 hours and have earned \$11,343. Twenty-six business firms are co-operating in the city with the school business department in providing part time employment for retail distribution and office clerical work.

**It's 5-1 Against Your Buying Pork At O.P.A. Prices**

Washington, March 29 (AP)—As the O.P.A. announced ceiling price increases for most pork and for about a third of all beef cuts today, the American Meat Institute declared that a survey indicated a housewife had less than one chance in five of buying meat at O.P.A. legal prices.

The Office of Price Administration said the pork and beef increases would be effective next Monday and resulted from recently authorized higher prices for the packing industry to offset a wage increase of 16 cents an hour.

Price hikes will be announced later for veal, lamb and mutton.

R. J. Eggert, associate director of the Meat Institute's marketing department testified to the House Agriculture Committee that of 1803 stores checked by "impartial housewife shoppers" in 11 cities, 83 percent exceeded ceiling prices in their sales.

He added that the illegal prices on some cuts were double and on a tripled the ceiling, although the average was around 20 percent.

## Figures Conflict On School Aid

Continued from Page One

\$57,000 but an increase of from \$17,000 to \$22,000.

**Will Ask State**

The matter was discussed at some length by the Board and it was finally decided that the matter would be taken up with the State Education Department and the difference of opinion existing within the department brought to the attention of the State Department in an effort to have a uniform set of figures were probably right.

In discussing the matter it was disclosed that the figure of \$340,000 which had been given by Mr. Marton and concurred in by Mr. Schmitz for 1945-46, was in error since the City of Kingston's share based on payments actually made for that period had been \$375,073.57. These actual figures, it was pointed out, cut down the estimated \$57,000 increase anticipated for next year by some \$35,000 and indicated an increase next year of only \$22,000, the figure which had originally been given by board members as an estimated increase. If this figure stands, it was pointed out, the additional state moneys would be only \$22,000 and this would leave a considerable shortage to be made up by an increased school tax rate, if the full 20 per cent requested increase in salaries is granted.

**Must Be Definite**  
The board members agreed that the matter be definitely determined before any salary schedule is adopted and presented and Superintendent Laidlaw was authorized to take the matter up with the State Department in an effort to ascertain which set of figures is correct.

Trustee Leehive moved that the board be supplied with certified figures by the State Department to clear up the matter.

Tuition bill for out of town students attending Kingston schools authorized sent out and the names of all students and the amount of tuition paid was filed in accordance with the law.

A request of the Junior Class of the high school for use of the M.J.M. gym for the Junior Party on April 25 was granted.

Prisma was granted use of the high school gym for its annual dance on May 29.

Use of the M.J.M. gym for a dance on May 11 was granted the Colonial Canteen.

Permission was granted the Kingston Department of Recreation for use of the M.J.M. softball diamond during the summer season, subject to conditions of the board and with the understanding that supervision be provided.

**Resignation of Teacher**  
The resignation of Mrs. Kathryn A. Goldpaugh, kindergarten teacher at No. 7, was accepted with regret. Her husband has returned from service and she sought release of March 15.

Doris H. Fogg was granted a month's leave of absence because of illness.

Miss Grace Gordon, who was offered a Fellowship a year ago at Syracuse University and who has been authorized higher prices for the packing industry to offset a wage increase of 16 cents an hour.

Price hikes will be announced later for veal, lamb and mutton.

R. J. Eggert, associate director of the Meat Institute's marketing department testified to the House Agriculture Committee that of 1803 stores checked by "impartial housewife shoppers" in 11 cities, 83 percent exceeded ceiling prices in their sales.

He added that the illegal prices on some cuts were double and on a tripled the ceiling, although the average was around 20 percent.

**LEGAL NOTICES**  
TOWN OF WOODSTOCK, NEW YORK  
NOTICE OF ADOPTION OF BOND RESOLUTION

NOTICE IS HEREBY GIVEN THAT the Town Board of the Town of Woodstock, New York, adopted the following resolution:

**BOND RESOLUTION DATED FEBRUARY 26, 1946**  
A RESOLUTION AUTHORIZING THE TOWN OF WOODSTOCK, NEW YORK, TO ISSUE BONDS OF \$115,000 AND PROVIDING FOR THE ISSUANCE OF \$115,000 SERIAL BONDS OF SAID TOWN AND THE USE OF \$774 CURRENT FUNDS OF SAID TOWN TO PAY THE COST THEREOF.

IT IS HEREBY RESOLVED BY the Town Board of the Town of Woodstock, New York, and availing the bonds to the successful bidder, are hereby delegated to the Supervisor of the Town of Woodstock, to conduct the sale, and award the bonds in such manner as he shall deem best for the interests of the Town, provided however that in the exercise of these delegated powers he shall comply fully with the provisions of the Local Finance Law and any order or rule of the State Comptroller applicable to the sale of bonds.

Section 7. The validity and credit of the Town of Woodstock are hereby irrevocably pledged to the payment of the principal of and interest on such bonds as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such bonds becoming due and payable in such year. There shall be annually levied on all the taxable real property of the Town of Woodstock a tax without limitation as to rate or amount sufficient to pay the principal of and interest on such bonds as the same become due and payable.

Section 8. The powers and duties of advertising such bonds for sale, conducting the sale, and availing the bonds to the successful bidder, are hereby delegated to the Supervisor of the Town of Woodstock, to conduct the sale, and award the bonds in such manner as he shall deem best for the interests of the Town, provided however that in the exercise of these delegated powers he shall comply fully with the provisions of the Local Finance Law and any order or rule of the State Comptroller applicable to the sale of bonds.

Section 9. The validity and credit of the Town of Woodstock are hereby irrevocably pledged to the payment of the principal of and interest on such bonds as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such bonds becoming due and payable in such year. There shall be annually levied on all the taxable real property of the Town of Woodstock a tax without limitation as to rate or amount sufficient to pay the principal of and interest on such bonds as the same become due and payable.

Section 10. The powers and duties of advertising such bonds for sale, conducting the sale, and availing the bonds to the successful bidder, are hereby delegated to the Supervisor of the Town of Woodstock, to conduct the sale, and award the bonds in such manner as he shall deem best for the interests of the Town, provided however that in the exercise of these delegated powers he shall comply fully with the provisions of the Local Finance Law and any order or rule of the State Comptroller applicable to the sale of bonds.

Section 11. The validity and credit of the Town of Woodstock are hereby irrevocably pledged to the payment of the principal of and interest on such bonds as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such bonds becoming due and payable in such year. There shall be annually levied on all the taxable real property of the Town of Woodstock a tax without limitation as to rate or amount sufficient to pay the principal of and interest on such bonds as the same become due and payable.

Section 12. The powers and duties of advertising such bonds for sale, conducting the sale, and availing the bonds to the successful bidder, are hereby delegated to the Supervisor of the Town of Woodstock, to conduct the sale, and award the bonds in such manner as he shall deem best for the interests of the Town, provided however that in the exercise of these delegated powers he shall comply fully with the provisions of the Local Finance Law and any order or rule of the State Comptroller applicable to the sale of bonds.

Section 13. The validity and credit of the Town of Woodstock are hereby irrevocably pledged to the payment of the principal of and interest on such bonds as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such bonds becoming due and payable in such year. There shall be annually levied on all the taxable real property of the Town of Woodstock a tax without limitation as to rate or amount sufficient to pay the principal of and interest on such bonds as the same become due and payable.

Section 14. The powers and duties of advertising such bonds for sale, conducting the sale, and availing the bonds to the successful bidder, are hereby delegated to the Supervisor of the Town of Woodstock, to conduct the sale, and award the bonds in such manner as he shall deem best for the interests of the Town, provided however that in the exercise of these delegated powers he shall comply fully with the provisions of the Local Finance Law and any order or rule of the State Comptroller applicable to the sale of bonds.

Section 15. The validity and credit of the Town of Woodstock are hereby irrevocably pledged to the payment of the principal of and interest on such bonds as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such bonds becoming due and payable in such year. There shall be annually levied on all the taxable real property of the Town of Woodstock a tax without limitation as to rate or amount sufficient to pay the principal of and interest on such bonds as the same become due and payable.

Section 16. The powers and duties of advertising such bonds for sale, conducting the sale, and availing the bonds to the successful bidder, are hereby delegated to the Supervisor of the Town of Woodstock, to conduct the sale, and award the bonds in such manner as he shall deem best for the interests of the Town, provided however that in the exercise of these delegated powers he shall comply fully with the provisions of the Local Finance Law and any order or rule of the State Comptroller applicable to the sale of bonds.

## Terminal Leave Pay for G.I.s Hit By Budget Bureau

Proposal Would Pay Every E.M. Furlough Time at Regular Rate of 30

## Col. Peron Charts His New Regime

### Argentine President Models Setup After British Labor Government

Buenos Aires, March 29 (AP)—Col. Juan D. Peron, Argentina's newly-elected president, was expected by political observers today to establish a powerful central government to carry out an ambitious program to keep pace with what he calls a "triumphant social revolution."

The Argentine Strong Man, whose victory in the presidential race became a certainty last night with the capture of the federal capital's 68 electoral votes, was expected to encounter little opposition in legalizing the

planks of his campaign platform, including nationalization of certain public services, agrarian reforms and price-fixing.

His partisans say the plan is modeled along the lines of the British Labor government's program, with a little mixture of President Franklin D. Roosevelt thrown in. His foes say it is purely a totalitarian scheme designed to perpetuate Peron.

No date has been set for inauguration of Col. Peron for his six-year term as Argentina's 29th president.

His election constituted a diplomatic rebuff for the United States, which issued a Blue Book only a few days before the Argentine election. February 24, in which it accused Peron of conspiring to aid the Nazis, charges which Peron vehemently denied.

The capture of the capital's electoral votes assured Peron of 216 electoral votes, with but 189 needed, to 72 for his Democratic Union opponent, Dr. Jose Tamborini. All parties agreed that the election, conducted by the Army, was one of the most exemplary in Argentine history.

The popular vote total up to today was 1,287,309 for Peron and 1,027,897 for Tamborini.

Government records show the heaviest snowfall in the United States in one day was 60 inches at Giant Forest, Calif., Jan. 19, 1933.

## Madame Had Pluck; And Savoir Faire

Gary, Ind., March 29 (AP)—A freight train was two blocks away when Mrs. Lylas Hazelett's automobile stalled on the Michigan Central Railroad crossing in Grant street last night.

Mrs. Hazelett, 42, told her two companions, Mrs. Ethel Blackwell and Mrs. Eva Schultz, to get out of the car. Then she held her foot on the starter pedal with the car in gear and moved forward slowly across the tracks.

The train clipped off the rear bumper as it sped past but Mrs. Hazelett was not injured.

## Trades Council Is In Favor of Bridge

### Adopts Resolution Asking Dewey to Sign Bill

The Ulster County Building and Construction Trades Council, with a combined membership of 5,000 at its meeting Wednesday night, unanimously adopted a resolution urging Governor Thomas E. Dewey to sign the Wicks-Hatfield bill providing for the building of a bridge between Kingston and Rhinecliff.

The council also directed Thomas Mitchell, secretary-treasurer of the organization, to forward a telegram to that effect to the Governor.

## Russians Quit Entire Province in Iran

Tehran, March 28 (Delayed AP)—The Iranian Interior Ministry announced tonight that the Russians had evacuated "entire Mazandaran province from Firuzkuh to the Caspian Sea and from Babul to the Gilan border."

The Red Army did not maintain large garrisons in Mazandaran and travelers returning from the province recently reported that road blocks were manned by armed civilians wearing Tudeh (Leftist party) arm bands.

Firuzkuh is about 75 miles northeast of Tehran and Babul is about 55 miles north of Firuzkuh.

## Qualified as Vet Counselor

WALDRON DuMOND

Waldron DuMond who, as announced in The Freeman Thursday has been honored with the appointment as one of the senior counselors in the Division of Veterans Affairs, New York state, is well fitted by training, experience and first-hand knowledge of the veterans' needs to supervise and coordinate the work of the numerous veterans counselors in the 10 eastern counties of New York state which have been placed under his supervision.

A veterans of World War I, in which he served as an officer in the Air Corps, he has long been active in the affairs of the American Legion, has served on various committees in the State Department of the Legion and is a former adjutant in the sixth district of the Department of New York. He has traveled from Maine to Los Angeles on various missions connected with the welfare of the Legion. He also served as commander of the Delaware county American Legion.

Although Mr. DuMond's roots go back to the very earliest days of Kingston and Ulster county, he actually is a native of Westchester county, having been born in Tarrytown, where his father was for 25 years principal of the high school. After graduation from the Tarrytown High School Waldron entered New York University and following his course there secured his bachelor of law degree from New York Law School.

He never actively practiced his profession, however, but came to Ulster county where he and his brother, C. Chester DuMond, New York state commissioner of agriculture and markets at the present time, purchased a fruit farm at Ulster Park.

At the outbreak of World War I, Waldron DuMond enlisted and served overseas as a lieutenant in the U. S. Army Air Force. Following his discharge from the

## Tom Dewey Jr. Seeks Identity Of 91-Year-Old Writer

Albany, N. Y., March 29 (AP)—and Mrs. Dewey arrived only recently.

Thomas E. Dewey, Jr., older son of New York's Governor, is anxious to learn the identity of a 91-year-old woman in Stamford, Conn., who writes him friendly letters of advice signed only "a grandma."

The 13-year-old schoolboy's curiosity was heightened by the latest letter which hinted at tragedy to his unknown correspondent and recommended that Governor and Mrs. Dewey "leave the awful muddle for someone else to settle" and "live quietly" at their Pawling estate.

"This may be my last letter to you," the note said. "Something happened to me today which seems to me the last straw."

The mysterious letters apparently stemming from admiration of Tommy's father, began arriving about a year ago. Written in an unsteady hand, they are addressed to young Dewey at the "Executive Mansion, Albany, N. Y." and have been arriving periodically.

The Stamford postmark, plus the fact that the woman is an amateur artist, are the only clues. An unsigned sketch of the Governor

that contained expression they have in the picture I have drawn of them. Tell them to leave the awful muddle for someone else to settle, if the Creator does not do it in the meantime. I have lived 91 years and, as I said before, feel that I know what I think I know.

"I hope, Tommy, by the time you are your father's age, the world and things will be better. Something happened to me today which seems to me the last straw. A grandma."

About 17,000,000 occupied dwelling units in the United States, 46 per cent of the total, had central heating equipment in 1944.

**Outdoor Man**

Mr. DuMond's main diversion is fishing and hunting. With five bears and upward of 20 buck deer to his credit it would seem that he has a good claim for membership in the "mighty hunter" class. It is in the fishing field, however, that he becomes really enthusiastic and what he doesn't know about the ways of the wily trout and how to land him isn't worth knowing. He is an expert at tying his own flies and can make about any variety of trout fly known to the angler—and some that are not known. In fact, he told a Freeman reporter, he has developed a special variety of fly that really is something. His skill in this field has become widely recognized and he has made as many as four or five thousand artificial flies in one year. In addition Mr. DuMond has developed a number of special fish lures.

**Huguenot Descendant**

Mr. DuMond is a son of Professor Nathan H. DuMond and his wife Lucy Powell DuMond. The first DuMond in this country, a French Huguenot, came from Holland to Kingston about 1637. A grant of land unearthed during the listing of documents in the county clerk's office a few years since showed that this first DuMond was granted a tract of land that ran from near the present Bull Market on Hurley avenue south to the vicinity of Hurley. Following the burning of Kingston by the British the family moved to New Kingston, Delaware county and the land held by the family here gradually passed into other hands.

This first DuMond was a grandfather (the word must be preceded by seven "greats" to bring it up to date) of the subject of this present sketch.

## German Rations Cut 20 Per Cent April 1

Berlin, March 29 (AP)—Lt. Gen. Lucius D. Clay, Deputy Military Governor of the American zone, announced today that food rations for Germans would be cut 20 per cent as of April 1, thus reducing the daily ration from 1,550 calories to 1,275. The ration has been lowered in the British sector to 1,012 calories.

Clay said the War Department was making 15,000 tons of wheat available from U. S. crops during April, May, June and stated that additional shipments after that will be necessary if the now lowered scale is to be maintained.

## LEGAL NOTICES

SUPREME COURT OF THE STATE  
OF NEW YORK, COUNTY OF UL-  
STER—DORIS LA ROCHELLE, Plain-  
tiff, against VERNON LA ROCHELLE,  
Defendant.

SUMMONS  
Plaintiff designates Ulster County as  
the place of trial.  
"ACTION TO ANNUL A MARRIAGE."  
To the above-named Defendant:  
YOU ARE HEREBY SUMMONED to  
answer the complaint in this action,  
and to serve a copy of your answer,  
or if the complaint is not served with  
this summons, to serve a notice of ap-  
pearance, on the Plaintiff, at the  
within twenty (20) days after the  
date of service of this summons, ex-  
clusive of the day of service, and in  
case of your failure to appear, judg-  
ment will be taken against you by  
default, for the relief demanded in the  
complaint.

Dated, February 9th, 1946.  
CHRIS J. FLANAGAN  
Attorney for Plaintiff  
Office and Post Office Address  
276 Fair Street,  
Kingston, New York  
TO VERNON LA ROCHELLE:  
The foregoing summons is served  
upon you by publication pursuant to  
an order of the Honorable Roscoe V.  
Elsworth, Judge of the Supreme Court  
of the State of New York, made on  
19th day of February, 1946, and filed  
with the complaint in the Office of the  
Clerk of the County of Ulster and  
State of New York.

Dated, February 19th, 1946.  
CHRIS J. FLANAGAN  
Attorney for Plaintiff  
Office and Post Office Address  
276 Fair Street,  
Kingston, New York  
NOTICE TO CONTRACTORS  
STATE DEPARTMENT OF PUBLIC  
WORKS, ALBANY, N. Y.  
Pursuant to the provisions of Chap-  
ter 48 Laws of 1936, as amended, and  
special provisions for projects financed  
with federal aid funds, sealed propo-  
sals will be received until ten-thirty  
o'clock A. M., eastern standard time, on  
the 17th day of April, 1946, by Henry  
C. Pell, Director, Bureau of Con-  
tracts and Accounts, 14th Floor, The Gov-  
ernor Alfred E. Smith State Office  
Building, Albany, N. Y., for the con-  
struction of the following project in  
ULSTER COUNTY.

CONTRACT NO. F-ARC 46-82  
TYPE—Cone 8-7-8 Thk 24"  
NAME OF HIGHWAY & MILES  
Kingston-Ellettsville, P. 3 S. H. 141, 0.55  
Mile  
DEPOSIT FOR PLANS—\$5.00  
BID DEPOSIT—\$7,000  
DEPT. EST.—\$119,000.00  
Maps, plans, specifications, and esti-  
mates may be obtained at the office of  
the Department of Public Works,  
Bureau of Contracts and Accounts, Al-  
bany, N. Y., and at the office of the  
District Engineer, J. S. Bixby, Pleasant  
Valley Road, P. O. Box 561,  
Kingston, N. Y., and may be seen  
at the office of the State Department  
of Public Works, State Office Building,  
Room 808, Worth & Center Streets,  
New York City.

Forms for each contract containing 1  
to 15 sheets is \$5.00; 16 to 30 sheets,  
\$10.00; over 30 sheets, \$20.00. A re-  
fund will be made in full to bidders  
for return of one set, in good condi-  
tion, within 30 days of award, or re-  
jection of bids; refund for all other  
sets in good condition, similar period,  
will be 50% of deposit.  
Special attention of bidders is called  
to "General Information for Bidders"  
in the proposal, specifications, and con-  
tract agreement, and to the special pro-  
visions applying to projects financed  
with federal funds.

Proposal for each contract must be  
submitted in a separate sealed envelope  
with the name and number of the con-  
tract plainly endorsed on the outside  
of the envelope. Each proposal must  
be accompanied by cash, draft or cer-  
tified check payable to the order of  
the State Comptroller, Commissioner of  
Taxation and Finance, for the sum as  
specified in the advertisement and the  
proposal. The retention and disposal  
of the bidding check, the execution of  
the contract and bonds shall conform  
to the provisions of the Highway Law,  
as set forth in "Instructions to Bid-  
ders."

When optional types are permitted  
on contracts with federal funds, bid-  
ders must state in the space provided  
in the proposal the exact designation  
of the optional type upon which the  
proposal is predicated.  
Minimum Wage Rate per hour for  
above work shall be as follows:  
COUNTY SKILLED LA-  
BOR, \$1.00; INTERMEDIATE GRADE  
LABOR, \$1.00; UNSKILLED LA-  
BOR, \$1.00.  
UNLESS SHOWN OTHERWISE IN  
THE ITEMIZED PROPOSAL FOR  
EACH PROJECT,  
The right is reserved to reject any  
or all bids.

Propose Further  
Curbs on Germany

**Industrial Potential Will  
Be Diverted Solely to  
Economic Recovery**

Berlin, March 29 (AP)—A plan  
to eliminate Germany's industrial  
war potential while retaining  
enough of the beaten nation's  
economy to make it reasonably  
self-sustaining by 1949 has been  
adopted by the Allied Control  
Council.

The program, outlined in detail  
by the Council last night, slashes  
German economy in half and  
places future emphasis in produc-  
tion on agriculture and on coal  
and materials for the rebuilding of  
war-torn cities.

Every industry which could pos-  
sibly be diverted to the manufac-  
ture of war materials is to be  
eliminated and other industries  
considered on the fringe of the  
war potential are to be cut back.

Only enough export trade is pro-  
vided for to pay for the food Ger-  
mans must import to maintain  
their reduced living scale.

Allied officers said the target is  
to establish by 1949 a standard of  
living for Germany approximately  
that of 1932. Germans would not  
be permitted a higher standard of  
living than the European average.

Fishkill Councilman  
Says Pell's Offer Has  
'Flavor of a Bribe'

East Fishkill, N. Y., March 29  
(AP)—A town councilman said last  
night former Diplomat Herbert  
C. Pell's offer to give the town  
recreation fund \$5,000 if a road  
bisecting his estate was closed  
had "the flavor of a bribe."

Republican Councilman Henry  
Christinger made the statement  
at a Board hearing at which mem-  
bers voted to ask Dutchess Coun-  
ty Superintendent of Highways  
Charles O'Brien to hold a public  
hearing.

Pell, former Minister to Portu-  
gal and Hungary, and a member  
of the United Nations Committee  
for Investigation of War Crimes,  
told the hearing:

"The offer was in no sense a  
bribe because it is not worth  
\$5,000 to me to have the road  
closed."

Christinger said he had with-  
drawn from the recreation com-  
mittee because of Pell's offer.

Record High of 83  
Degrees Here Yesterday

The mercury in the official city  
thermometer hit the year's record  
high of 83 degrees at 3:30 o'clock  
Thursday afternoon, topping the  
previous high of 79 degrees on  
March 14, when 79 degrees was  
recorded.

While Thursday was the warm-

est day so far recorded this year,  
the mercury failed by one degree  
of hitting the record of 84 degrees  
on March 28, 1945.

The lowest point reached yester-  
day was 49 degrees during the  
early morning hours. The lowest  
point reached last night in the  
city was 51 degrees.

Mid-summer temperatures pre-  
vailed in Kingston today but it  
was not expected the mercury  
would top yesterday's recording.

The Associated Press reports  
that New York state continued to  
enjoy mid-summer temperatures  
today but the U. S. Weather Bu-  
reau said the mercury would not  
rise as high as it did yesterday,  
the warmest day of the year.

No record was broken yester-  
day, but the thermometer rose to  
81 in Columbiaville, 80 in Albany  
and Glens Falls, 79 in Binghamton  
and Syracuse, 78 in Utica and  
Rochester and 75 in New York  
city.

NEW PALTZ NEWS

New Paltz, March 28—Miss Blanche Gulnac of Nanuet spent the week-end at home with her parents, Mr. and Mrs. Frank Gulnac and brother, Edward Gulnac.

The Country Club met at the home of Miss Congetta Alessi for the March meeting this week. A good attendance was on hand. Entertainment at the meeting consisted of a monologue by Mrs. Mabel Schneider and songs by Mrs. Horace Elliott and others.

The following books have been added to New Paltz High School Library: "The House Near Paris" by Tullier; "Miss Buntin" by Turkel; "Cass Tiberline" by Lewis; "Hideshead Revisited" by Laugh; "The World, the Flesh and the Devil" by Marshall; "The Anatomy of Peace" by Reeves; "Winter Meeting" by Vance; "The Island" by...

The Thespian Society of New Paltz Central High School opened the Checker Board Cafe Saturday evening. Dancing and entertainment continued from 8 to 11 o'clock. Refreshments followed.

Mrs. Webb Kniffen called on her father, George M. Van Vliet in Kingston Sunday afternoon.

Mr. and Mrs. Louis A. Martin accompanied relatives from Catskill Sunday to Long Island to attend funeral services for Mrs. Roy Grobe, a sister-in-law of Mrs. Martin.

"Readjustment of Education" will be the theme for the annual spring teachers conference at New Paltz Monday, April 1 in the high school. The morning session will begin at 9 o'clock with the salute to the flag and singing of the national anthem.

The conference will resume at 1:15 o'clock with a musical program.

The minstrel show which has been given on three occasions recently in Kingston, with great success, by members of Clinton Chapter, O.E.S., is booked for the Stone Ridge Grange Hall Thursday evening, April 4. It is an all-woman performance, including the cast and a large chorus.

The show and dance which follows is sponsored by the Stone Ridge Grange, Mrs. Isaac Graham being chairman of the local committee.

ACCORD

Accord, March 29—Mrs. Jessie Campbell is spending some time with Mr. and Mrs. Warren Terwilliger at their home in Kerhonkson.

Mr. and Mrs. William Decker are receiving congratulations over the birth of a son March 26 at Veterans' Memorial Hospital, New York. Decker formerly was Dorothy Lawrence.

Methodist Church, the Rev. Arthur Cataldo, pastor—Sunday morning worship at 10 o'clock. Sunday school, 9:30.

## 80-Million Low-Rent, Slum Clearance Measure Signed

Albany, N. Y., March 29 (AP)—Legislation authorizing \$80,000,000 in loans to localities for low rent dwellings and slum clearance was signed today by Governor Dewey.

The governor asserted that the fund, together with \$200,000,000 allowed for such projects by previous legislatures, would "take up the gaps in housing construction in which private enterprise does not find it profitable to engage."

Coupled with the \$35,000,000 emergency housing appropriation from the postwar reconstruction fund approved early in this year's legislative session, the loans constitute "a powerful two-fold attack upon the housing problem," Dewey declared.

The governor also signed a measure to increase the amount of state housing subsidies to localities from \$6,250,000 to \$9,000,000 annually. This bill, before taking effect, needs approval by the people in a referendum next fall. The subsidies, outright grants to localities, are principally to cover the interest charges on the housing loans.

Other measures signed: Give the state superintendent of insurance discretionary power to prescribe uniform accounting methods for insurance companies. Requires bonds of \$5,000 to \$25,000 to be filed with the state by corporations or associations conducting harness horse races at which there is pari-mutuel betting. A maximum of \$10,000 previously was required. The constitution authorizes a debt of \$300,000,000 for housing loans, and the \$80,000,000 bond

### ADVERTISING

**Bill Bailey's  
Proclaimed Unfair**

Bill Bailey's Service Station at Cities Service Square, corner Foxhall and Albany Aves, has been condemned by Old Time Method, who claims that the new type High Pressure Lub Gun is a waste of lub grease because it forces the old grease out of all the fittings.

It condemns Cisco Solvent which removes carbon and sludge from the entire motor, as a farce. Old Time Method claims they used nothing but kerosene—and their motors ran!

Why this gadget, the Speedway Charger, which charges a battery in 25 minutes, should never have been invented! Old Time Method could do the same thing in 24 to 48 hours—and that was plenty good enough.

And finally Old Time Method wants to know who ever heard of a Clean Service Station with Attendants who know how?

posed price ceilings on existing houses.

Senator Capehart (R-Ind.), a member of the Banking Committee now considering emergency housing legislation, said, "I think I will go along" on the ceilings. "It looks to me like nothing more than a gesture," he told reporters.

Senator Taft (R-Ohio), another committee member, said he doubted the administration proposal would do "much good or much harm."

The plan, which the House rejected, would permit a home owner to sell his property for any price he could get. That figure would then become the "ceiling price" for that house for the duration of the housing emergency.

Housing Expediter Wilson on Wyatt has asked the Senate Committee to restore this and one other key provision which the House rejected.

The latter would authorize

# 'Y' Cagers Win, Advance Into Semi-Finals of Local Tourney

## Golf Lead Shared By Little, Ferrier

Both Crack 66's in First Round at Charlotte

Charlotte, N. C., March 29 (P)—Lawson Little who, by the way, isn't, and Jim Ferrier, another husky, were the men to catch as the Charlotte Open golf tournament swung into its second round today.

They cracked par by six strokes with opening round 66's yesterday to take a two-stroke edge over their nearest rivals as the \$7,500, four-day tourney got under way.

over the rain drenched 6,410-yard Myers Park Club course.

Little, winner of the U. S. and British amateurs in 1934 and '35 and the National Open in 1940, four years after he turned pro, played steady golf, shooting a pair of 33's, while Ferrier, former Australian star, now playing out of Chicago, flew home in 31 after going out in 33.

They cracked par by six strokes with opening round 66's yesterday to take a two-stroke edge over their nearest rivals as the \$7,500, four-day tourney got under way.

## Yanks Appear Ready to Run Away With '46 Pennant Race

### Baseball Briefs

Yanks Break Camp

St. Petersburg, Fla., March 29 (P)—The New York Yankees broke camp today with a record of having played before 38,643 spectators in 14 exhibition games here.

Nats Decide on Hurlers

Washington, D. C., March 29 (P)—The Washington Senators have decided on ten of the 12 pitchers they will carry this season—Roger Wolf, Dutch Leonard, Sid Hudson, Mickey Haefner, Walter Mac-

Donald, Marino Pieretti, Ray Scarborough, Maxie Wilson, John Niggeling and Vernon Curtis.

Injured Bengals Back

Lakeland, Fla., March 29 (P)—Outfielders Barney McCosky and Pat Mullins and infielder Eddie Mayo, who have been sidelined with pulled muscles, were scheduled to play for the Detroit Tigers against Cleveland today.

He Did His Best

Miami, Fla., March 29 (P)—Morrie Aronovich, who used to play for the Phillies, tried his best to beat his old teammates yesterday. He got two hits in four times at bat for the New York Giants although in a losing cause as the Phils won, 6-3.

Cub Hurlers Today

Phoenix, Ariz., March 29 (P)—Claude Passeau and Ray Prim have been nominated to pitch for the Chicago Cubs today in the first of a three-game series here against the St. Louis Browns.

Expensive Victory

Bisbee, Ariz., March 29 (P)—Pitcher Eddie Smith got credit for Chicago White Sox victory over Pittsburgh yesterday but he suffered a sprained shoulder during the game and had to retire.

Lombardi Goes Route

Daytona Beach, Fla., March 29 (P)—Vic Lombardi became the first Brooklyn pitcher to go more than five innings this spring when he twirled eight innings yesterday against the New York Yankee "B" squad.

LaMotta Is Choice In Bout Tonight

Boston, March 29 (P)—Jake LaMotta, New York middleweight title claimant who wonders why he accepts the troublesome opponents Boston boxing promoters dig up for him, has been paired with another speedy and clever boxer, Kid Chien, in the Pittsburgh Negro, for the feature 10-round bout tonight at the Boston Garden.

Profiting by his experiences here with such shifty performers as Bert Lytle and Popeye Woods, the stolid Jake intends to slow down the agile Chien with body punches and then knock him out.

The odd-makers see much merit in LaMotta's battle plans for they have quoted him a 3-1 favorite to win by a decision and are giving even money that he knocks out the Pittsburgher, who has put together a long string of wins in New England rings.

## A.P. Writer Favors Red Sox for Second and Tigers Third; Nats Picked Over Tribe

By GAYLE TALBOT

Tampa, Fla., March 29 (P)—If ever a ball club looked ready to run away with a pennant race it is the New York Yankees as they break camp in St. Petersburg today and strike out on the exhibition tour that will take them through seven states, including Texas, on their way north.

Once again Joe McCarthy, perhaps the most skilled of all the managers, has a great club at his command, strong from stem to stern, and once again the American League is due to find the combination unbeatable. This Boston Red Sox will finish second, the Detroit Tigers third and Washington fourth, ahead of Cleveland.

It would be impossible not to pick the Yankees. No insight into the complexities of baseball is required to predict that a club with such hitters as Joe DiMaggio, Charley Keller, Tommy Henrich, Nick Etten, George Stinewiss and Joe Gordon in its line-up will be hard to head off.

In pitching the club does not appear to stack up with several opposing teams, including Boston, Detroit, Washington and Cleveland, yet with the kind of batting it is certain to get, its hurling should prove adequate. Yankee pitchers will not have to produce shutouts to win. McCarthy, who should know, says his pitching will be "all right."

Record Against Sox

Joe Cronin's Boston club is a similarly natural choice to chase the Yankees to the wire again, just as it did in '41 and '42 before both teams lost their stars to the services. Conceivably the Sox might even finish in front if everything went exactly right, for they are a powerful team. But the record simply is against them.

Detroit's case probably is unique in baseball—champions one year and relegated to third place before the next race opens. Not only that, but the Tigers will be a vastly stronger outfit than that which beat the Cubs in the last World Series. The answer is, of course, that the Yankees and Red Sox got back even more and better stars from the service.

The Tigers, for some reason, have not looked good in their exhibition games. Hank Greenberg has not been hitting, and they suffered a heavy blow when their prize rookie, outfielder "Hoot" Evers, broke an ankle sliding into second.

Could Make Trouble

Cleveland, Washington to finish ahead of Cleveland in the coming race might easily prove the worst of the mistakes made in the foregoing remarks. The Indians, with a five-four-man pitching staff headed by Bobby Feller, could make a great deal of trouble to all concerned if one or two of their rookies should prove capable of hitting round 300.

The Senators, however, deserve the spot on form. They battled Detroit right down to closing day last year, and they are coming back with a lot of pitching and considerable more punch in their outfield. Rival managers do not take them lightly.

The St. Louis Browns, still afflicted with a serious holdout in shortstop Vern Stephens, do not look strong enough to break into the League's "Big Five" though it is only two years since they won the flag. Their crop could be compared to that of the Tigers. The Chicago White Sox should be able to beat the Philadelphia Athletics to the seventh spot.

Bears Sign Player

Chicago, March 29 (P)—Monte Merkle, former University of Kansas guard, has signed a contract to play with the Chicago Bears of the National Football League. Owner-Coach George Halas said today, Merkle, a 215-pounder who was released from the navy recently, played with the Bears' 1942 championship team.

## In The Pocket

CHARLIE TIANO

Having won everything but their opponents' shirts, Kingston's contingent of Hudson Valley keggers will be able to walk through the front door of the Chalet Sunday night, when league bowlers and officials put on the annual feed bag.

The impression exists that there would have been no shortage of shirts here, if those prized articles were up for competition. Van Kleeck's made a show of the field in the most bizarre season the league has experienced since it was organized a decade ago by Ad Jones, yours truly and a few other interested bowling figures.

Van Kleeck's final margin over Newburgh Finnegans was seven games. Trailways knocked off both team records of 1090 and 1117. Johnny Ferraro swept three individual honors, with 203.3 average, 279 single and 767 triple.

Graziano Favored Over Marty Servo Tonight at Garden

New York, March 29 (P)—Rocky Graziano, the ring's newest "killer" who just loves to knock-out welterweight champions, gets his chance at Marty Servo, the new 147-pound boss, in a 10-round non-title affair at Madison Square Garden tonight.

A sellout crowd of close to 10,000 persons who already have paid around \$170,000 at \$20 tops will sit in on this expected-to-be torrid affair between the Brooklyn cloutier and the baby-faced lad from Schenectady.

The gross is a record for other than heavyweight scraps at the Garden and boosts Promoter Mike Jacobs' take for 13 shows this year to over \$1,000,000.

May Pull Surprise

Rocky, a middleweight who jumped into the fistie limelight last year with sensational stretchings of Billy Arnold, Harold Green, Bummy Davis and the then welterweight champion Freddie "Red" Cochrane, is a 5 to 6 choice to add Servo to his string.

Rocky, with his striking black hair and roushouse tactics in the ring, has become a gallery idol, but canny Al Weill, manager of Servo, has studied Rocky's style and may spring a surprise. He has not overlooked the fact that it twice took Rocky 10 rounds to flatten Cochrane while Marty stiffened the Elizabeth, N. J., redhead in four rounds in their title bout on February 1.

For the last two weeks we have had Servo, beaten only by Ray "Sugar" Robinson, concentrate on fighting. The Servo camp figures Rocky is at his best only at long range and if Marty can stay in close, it will decide.

For what it's worth the records show favorites have won nine of the 12 previous 1946 Garden scraps. The underdog won once and the other two bouts ended in draws.

Mixed Loop Votes To Bowl Saturday At Central Alleys

League Also Will Roll Regular Matches on Sunday Evening

Members of the Central Mixed Bowling League voted Thursday night to bowl their regular matches this Saturday night, March 30, at 7 o'clock in addition to the regular Sunday evening matches. This decision was decided upon in view of the coming bowling sweepstakes at the Central Rec alleys during the week-ends of April 14 and 21.

Rose Schatzel, president of the Mixed League, presided at last night's parley and suggested the Saturday night bowling as one way in which to roll the games now rather than stretching out the season which would run into the late weeks in April.

As a result of the meeting the following matches will be rolled Saturday night: Bulldogs vs. Spaniels. Police Dogs vs. Terriers. Whippets vs. Scotties. Great Danes vs. Greyhounds.

At Thursday's meeting plans also were formulated for the annual post-season Mixed League banquet. A couple of dates already have been offered for the party but final decision will not be made until after a meeting Saturday night following the matches. President Schatzel appointed Nick Turck and Jake Chichelsky as a committee on arrangements for the banquet. Betty Boyce, secretary of the league, will be in charge of tickets.

When George Flemings opened with a towering 219, one old geezer in the crowd said, "I know him. He's an old timer. He was a big star in the 1910 A.B.C. tournament in Florida."

Flemings could not be reached for an immediate statement, but it must be presumed that it was just a slight case of mistaken identity. For back in 1910, "Curly" was hardly in shape for an A.B.C. tournament.

## Ed Weaver Sparks Club to 40-35 Win Over Shamrocks

Margaretville Scores 45-35 Triumph Over Port Jervis; Semi-Finals Slated Next Tuesday Night

The Kingston Y.M.C.A. varsity basketball team and the Margaretville American Legion advanced into the semi-finals of the "Y" Gold Medal Basketball Tournament Thursday night when they defeated the Shamrocks and Port Jervis American Legion in the closing quarter-finals of the tourney.

Semi-Next Tuesday

As a result of last night's contest, two semi-final battles will take place on the "Y" boards next Tuesday night, April 2. In the first, till at 8 o'clock it will be the Kingston Y.M.C.A. varsity, and at 9:15 o'clock the Margaretville American Legion will tangle with the strong Newburgh Caravan Clippers. At this writing the Clippers are still the choice to cop tournament honors.

Playing a steady game all the way Thursday night the "Y" cagers turned back the determined Kingston Shamrocks by a score of 40 to 35 in a game which had the fans on their feet from the start. The "Y" quintet had a 21 to 15 lead at halftime and managed to protect the slim margin throughout the third and fourth sessions.

Weaver Scores '10

Pacing the Y.M.C.A. five to the important victory was Eddie Weaver, Kingston High School ace, who flipped in 10 points. Al Thomas followed with seven and Frank Sass threw in six. Tierney and Bloom assaulted the wickets for 12 points apiece. Van Deusen had 10.

Margaretville's brilliant basketball team continued on the winning road last night through the stellar shooting of Boggs who led the club with 16 points. In Margaretville's last triumph the same Boggs was the big gun with 23 points. Margaretville downed Port Jervis last night by 45 to 35 after posting a 23-15 margin at the end of two periods of play. Brown scored 15 for Port.

Eliminates Ex-Champs

Glens Falls, N. Y., March 29 (P)—A flashy cage squad from Boys Catholic High School of Trenton, N. J., boasting a season record of 16 wins and no losses, eliminated the defending champion, LaSalle Military Academy of Okadake, L. I., 54-51, in the opening round of the Eastern States Basketball Tournament play last night.

Heavy Scores Due In A.B.C. Tourney

Buffalo, N. Y., March 29 (P)—Two crack Chicago teams were scheduled to take the alleys tonight at the American Bowling Congress tournament, with fans declaring that the first 3000 score in the five-man event was due to go up on the boards.

The Prima Beer five which boasts a 995 average in the hard-bitten Chicago classic league, is currently the hottest squad in that city. Veteran George Theel, who paces the squad, is a member of the 1942 champion Budweiser team, and a former doubles partner of Joe Wilman, world match game champion.

Phillips Oilers Win

New York, March 29 (P)—The smallest basketball crowd of the season at Madison Square Garden—5,734—saw the Phillips 66 Oilers, National A.A.U. champions, beat the New York Athletic Club, 69 to 64 in overtime, in the feature of a benefit Red Cross double-header last night. In a preliminary

## SOCIAL ACTIVITIES

SOCIETIES • CLUBS • PERSONALS

### Soldier Given Party While on Furlough

P.F.C. Arthur Van Demark, son of Mr. and Mrs. Fred Van Demark, 80 Hurley avenue, was honored at a birthday party Saturday night at the Mannerchor Hall on Greenkill avenue. Music for modern dancing and square sets was furnished by Bill Brown's Orchestra. Private Van Demark has been spending a 30 day furlough at his home and has returned to Greensboro, N. C. Prior to his furlough, he was stationed at Shepard Field, Tex., where he was enlisted for three years in the regular army. He expects to leave for overseas duty soon in the European Theatre.

Guests at the party were Mr. and Mrs. John Martin, Mr. and Mrs. Joseph McSpirt, Mr. and Mrs. William Knight, Mr. and Mrs. Gordon Hyde, Mr. and Mrs. Kenneth Van Demark and son, Duane, Mr. and Mrs. Harold Moore and children, Doreen and David; Mr. and Mrs. Loughran Jansen, Mr. and Mrs. Wilbur Turk, Mr. and Mrs. Harold Reed, Vincent Van Demark and son, Vincent, Jr., Mr. and Mrs. Harold Crantz, Mrs. Richard Crantz, Mrs. Annie Louhy, Mr. and Mrs. Nile Quick, Mr. and Mrs. Richard McSpirt, Mr. and Mrs. Fred Van Demark, Mrs. William Van Wagoner, Mrs. Viola Van Demark, Mrs. Dorothy Bailey and sons, Robert and Ronald; Mrs. Arthur Barnes, Mrs. Elmer Osterhoudt, Arthur Thomas, Gustavo Cenci, Robert Grimm, Nicholas Pezzello, Gerry Pezzello, William McSpirt, Nile Quick, Jr., Donald Rockwell, Joseph Dunn, James Crantz, Robert Van Demark and the Misses Dorothy Grimm, Margaret McSpirt, Edna Dunn, Eleanor Crantz, Thomas, Margaret Van Demark and Mary Crantz.

### Ruth McIntosh Sets June Wedding Date

Miss Ruth McIntosh of 172 Valley road, Montclair, N. J., was given a personal shower by Mrs. Joseph Connelly of Maywood, N. J., and Mrs. Herbert Ruesch of Westwood, N. J., recently. The shower was held at the home of Mrs. August Ruesch, 321-77th Street, North Bergen, N. J. Decorations were in pink and American beauty.

Among the guests were Mrs. John McIntosh, Mrs. Howard Stevens, Mrs. Jonathan Penney, Mrs. Theodore McIntosh and Mrs. Hubert Stern-Montagny of Gardiner.

The bride-elect is the daughter of Mr. and Mrs. John McIntosh of Gardiner. She is a graduate of the New Paltz State Teachers' College, New Paltz, and at present time is teaching at the Edgemont School, Montclair, N. J.

Walter E. Ruesch, son of Mr. and Mrs. August Ruesch of North Bergen, N. J., prospective bridegroom was formerly squadron navigator in the 15th Air Force. He completed 50 missions in the European Theatre of Operations. At present he is attending Bergen College.

The date for the wedding has been set for June 29.

### Joyce Vandemark, Milton Will Be Married in April

Miss Joyce E. Vandemark was guest of honor at a bridal shower in the home of her mother, Mrs. Anna Vandemark, Milton, recently. Co-hostesses were her sisters, Mrs. Ethel Hasbrouck and Mrs. Marion Callo. Miss Vandemark will become the bride of Frank Palmer, son of Mr. and Mrs. Lorin Palmer of Highland, Sunday, April 14.

Miss Vandemark attended Marlborough Central High School, and has been employed in the past few years by the Federal Bearings Co., Inc., in Poughkeepsie. Mr. Palmer attended Highland High School and is foreman on a fruit farm in Highland.

### Friendly Circle Meets

The Friendly Circle met with Mrs. Andrew Anderson in Connelly Wednesday afternoon. There were nine women present to sew for the Red Cross. The group was recently organized and decided at Wednesday's meeting to meet every two weeks. Any woman of the village interested in sewing for the Red Cross is asked to attend one of the meetings from 1:30 to 4 p. m. The next meeting will be April 10 at the home of Mrs. Thomas Morrissey.

## Conductor, Soloists, Narrator for Oratorio Society Concert

GEORGE FOWLER

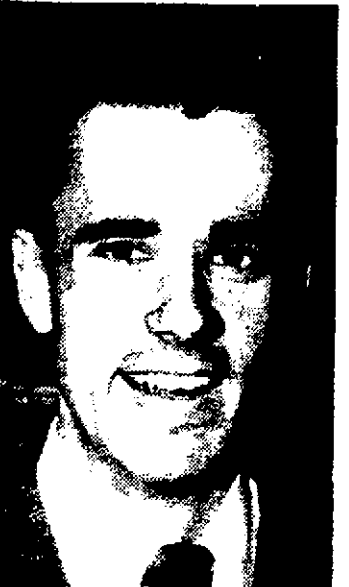

MISS SUE MERRIAM

MRS. WILLIAM PLIMLEY

LEONARD STINE

EDWARD W. POLLOCK

ROBERT MESSINGER

ANTHONY J. MESSINA

REV. A. E. OUDEMOL

### August Franz Will Be Featured in Oratorio Concert Tuesday Night

August Franz, tenor, of Newburgh, will be the featured soloist in the presentation of "The Creation," an oratorio by Franz Joseph Haydn, sung by the Oratorio Society in St. James Methodist Church Tuesday evening. Mr. Franz, a former resident of Kingston, returns to sing with the group of which he was a member. He sang in the choir at St. John's Episcopal Church and has been soloist on a number of occasions both in Kingston and Newburgh.

All of the other soloists for Tuesday's concert are members of the society this year, except for Robert Messinger, who received his honorable discharge from the army Wednesday. He is a former member of the group and was heard as soloist in "Elijah." While serving with the army, he has been baritone soloist of the 222nd Infantry Division in Germany, which has given many concerts in Austria. Tuesday night Mr. Messinger will sing several of the bass recitatives.

Edward W. Pollock of the staff at WKNY and a member of St. Mary's Church choir, will sing the main bass aria, "Rolling in Foaming Billows," and several of the recitatives as well as the bass in the trio, "The Heavens Are Telling."

Leonard Stine, supervisor of music in the Kingston schools and choir director at the Lutheran Church of the Redeemer, will also do some of the bass solo selections and the bass in the trios: "Most Beautiful Appear," "The Lord Is Great" and "On Thee Each Living Soul Awaits."

Anthony J. Messina, member of the music faculty of the Kingston school and director of music at Trinity Lutheran Church, will sing several of the tenor recitatives and the tenor part for the trios, "The Heavens Are Telling."

Mrs. William Plimley of Saugerties, soloist on many occasions in Kingston and this area, will sing the soprano aria, "On Mighty Pines" several recitatives and the soprano part for the trios, "Most Beautiful Appear," "The Lord Is Great" and "On Thee Each Living Soul Awaits." Mr. Franz will sing the tenor and Mrs. Stine will complete the trio. Mrs. Plimley is president of the Oratorio Society.

Miss Sue Merriam, minister of music at the First Dutch Reformed Church will sing the soprano aria, "With Verdure Glad," soprano solo with chorus in "The Marvelous Work" and the soprano for the trio, "The Heavens Are Telling," with Mr. Messina and Mr. Pollock.

The story of the creation found in Genesis will be told at the beginning of the program by the Rev. Arthur E. Oudemool, pastor

of the First Dutch Reformed Church.

George Fowler of Poughkeepsie will conduct. Mr. Fowler, who is choir director and organist at Christ Episcopal Church, Poughkeepsie, has conducted the society in Kingston for eight years. He recently conducted a group in Beacon in presenting "The Creation."

Mrs. William S. Ellinger, regular accompanist with the group for eight years, will play the piano. Mrs. Lester E. Decker will play the organ in parts of the oratorio when both the piano and organ will be used.

Admission is by complimentary ticket only. Associate memberships in the society may still be arranged with Miss Ruth Tongue, telephone 969-W, chairman of the membership committee.

### Gertrude Tremper Will Be Married Sunday

New York, March 28 (Special)—A license to wed was issued today at the City Clerk's Office here to Miss Gertrude Tremper, formerly of Rifton and now of Rock Tavern, N. Y., and Arthur J. Herman, 25 of Moore street, Kingston. He is in the Coast Guard at present.

The couple plan to be married Sunday in the Marble Collegiate Church here by the Rev. Norman V. Peale.

Miss Tremper, a native of Rifton, is the daughter of Norman and Maud Walters Tremper. Mr. Herman was born in Albany. His parents are Anthony and Ida N. Herman.

Mrs. Truman Invites Her Bridge Club to White House

Independence, Mo., March 28 (AP)—The Independence bridge club may meet soon in the White House.

Mrs. Boss Truman dropped in at the club meeting this week to invite the ten members to her Washington home for a visit. The First Lady has been a member of the club for 20 years.

"We're all planning to accept the invitation," said Mrs. J. C. Noel. "We are certainly thrilled." She added the visit may be the second week in April.

### New Theatre Group Will Open its Season in Kingston April 26

A new group of young actors and actresses interested in bringing "live" theatre to communities throughout the United States will give a production of "Out of the Frying Pan" at the Municipal Auditorium, April 26. The company has chosen for its title, "Theatre Adventure, Inc." and will open its season in Kingston then proceed to Albany.

The repertory group has the enthusiastic encouragement of Fred Allen, Gregory Peck, Orson Welles, Elliott Nugent, Cornelia Otis Skinner, Louis Calhern, Oscar Serlin, Edward Chodorov, Howard Lindsay, Billy Rose, Richard Kollmar and Carroll McComas. Peggy Wood, Broadway star, is directing the group in the farce comedy to be presented in Kingston.

The company has chosen a covered wagon for its symbol as pioneers in bringing drama to the smaller cities.

### Colleen Moore Receives Award

For Funds from Doll House From Hollywood—The "Jimmie Fidler Award for Good Americanism" will be presented to silent film star Colleen Moore during the WJZ Hollywood commentator's broadcast Sunday at 9:45 p. m. Back in 1930, Miss Moore had built at a cost of one million dollars, a doll house, which in the past six years has been displayed in practically every principal city in the United States. The proceeds from the house, which have just recently reached the million dollar mark, have been given by Miss Moore to charities throughout the nation. (The doll house was shown in Kingston in August, 1941, for the benefit of Bundles for Britain.)

### Trinity Methodist Will Hold Annual Meeting

The annual meeting of the congregation of Trinity Methodist Church will be held tonight. A covered dish supper will be served at 6:30 o'clock. Dr. Arthur G.

### Missionary Will Speak At 1st Baptist Church

The Rev. Alfred F. Merrill of Assam will speak at an open meeting of the First Baptist Church Missionary Society Wednesday evening. The service will be held in the church sanctuary at 7:30 p. m. in celebration of the 75th anniversary of the Woman's American Baptist Foreign Mission Society which was founded April 3, 1871.

The Rev. Mr. Merrill was appointed a missionary under the American Baptist Foreign Mission Society of the Northern Baptist Convention in 1928. He was assigned to Assam and settled in Tura, government seat for the Garo Hills. Mr. and Mrs. Merrill arrived in the United States August 2, 1945 on the Gripsholm.

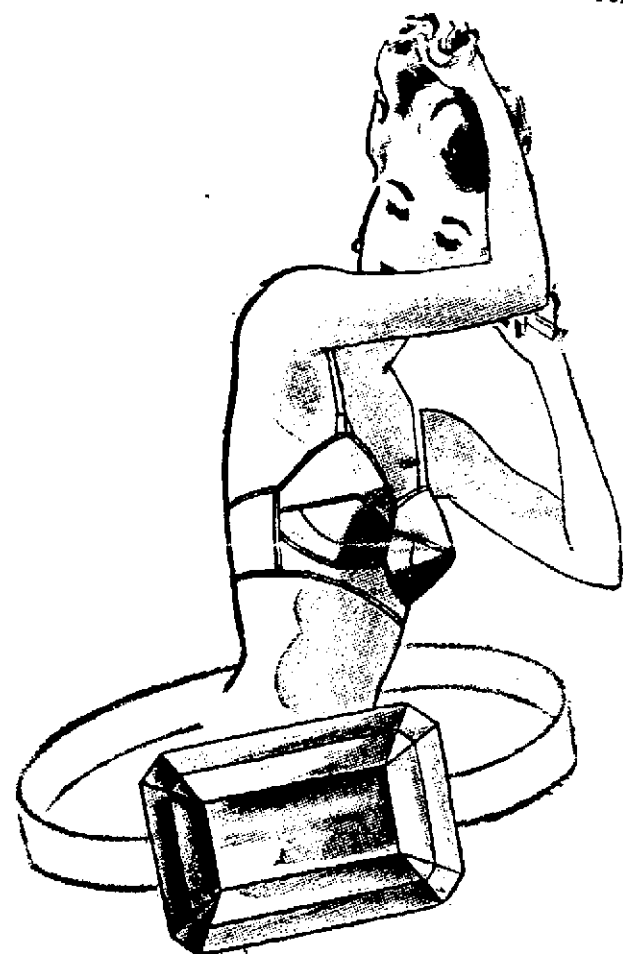

### Dancing Classes Will Have Parties at Y.W.C.A.

Members of the Y.W.C.A. dancing classes are reminded that Saturday evening the beginners' class will have its regular lesson at 7 p. m. and the senior class students will have their party beginning at 8 p. m. On Saturday, April 6, the beginners class will start a new series of lessons at 7 p. m. and at 8 p. m. the intermediate dancing class will have its closing party.

Virginia Drafts

Electric Workers

Planning Strike

Unprecedented Move Sets

Quick Reaction in Labor

Circle: Green Says

Move Is Illegal

Richmond, Va., March 29 (AP)—Governor Tuck today drafted approximately 1,500 production and maintenance workers of the Virginia Electric and Power Company into the state's unorganized militia and placed them under military law, subject to court martial if they refuse to work for the commonwealth in the event of a strike.

The governor directed members of the Virginia State Guard to serve on each officer and employee of the power company under the age of 55 a "notice of draft order" to report.

Approximately 2,500 members of the State Guard began serving the orders on VEPCO workers at 9 a. m. today. Copies were placed in their hands at emergency meetings in armories and schools in various parts of the state last night.

The unprecedented action followed the governor's declaration of a state of emergency yesterday in a move aimed at preventing any interruption of power service in the event a strike of VEPCO workers takes place Monday as threatened.

Washington, March 29 (AP)—President William Green declared today that the American Federation of Labor "will never acquiesce" in the action of Virginia authorities in drafting power workers threatening a strike.

Green talked at the White House after a conference with President Truman, which Green said related to problems of his ship building unions.

While he said the action of Governor Tuck of Virginia in drafting power workers into the state militia was not even discussed with the President, he told reporters that the union would not accept such action.

Meanwhile, E. J. Brown, president of the A.F.L. Electrical Workers Union, who accompanied Green, told reporters that his union was awaiting legal advice before making any move.

"I don't think Governor Tuck has the right to draft these workers," Brown said. "We will wait for the law to decide."

"We went through the normal procedures of government and the governor can't tell us we can't strike," Green added that "we regard the plan announced by the governor as involving the principle of involuntary servitude. It compels workers to work against their will. We will never acquiesce in that."

Card Parties

St. Ann's, Savannah

The regular monthly card party sponsored by St. Ann's Church, Savannah, will be held at the church hall tonight. A bus will leave the Crown street terminal at 7:30 p. m.

Men's Club Conclave

The regular meeting of the Federation of Men's Clubs will be held Monday evening, April 1, at the Y.M.C.A. on Broadway at 8 o'clock. All delegates are requested to be in attendance.

Figures Conflict

On School Aid

Continued from Page One

\$57,000 but an increase of from \$17,000 to \$22,000.

Will Ask State

The matter was discussed at some length by the Board and it was finally decided that the matter would be taken up with the State Education Department and the difference of opinion existing within the department brought to the attention of the State Department in an effort to ascertain which set of figures were probably right.

In discussing the matter it was disclosed that the figure of \$340,000 which had been given by Mr. Martocci and concurred in by Mr. Schmidt for 1945-46, was in error since the City of Kingston's share based on payments actually made for that period has been \$375,037.57. These actual figures, it was pointed out, cut down the estimated \$37,000 increase anticipated for next year by some \$35,000 and indicated an increase next year of only \$22,000, the figure which had originally been given by board members as an estimated increase. If this figure stands, it was pointed out, the additional state moneys would be only \$22,000 and this would leave a considerable shortage to be made up by an increased school tax rate, if the full 20 percent requested increase in salaries is granted.

Must Be Definite

The board members agreed that the matter be definitely determined before any salary schedule is adopted and presented and Superintendent Laidlaw was authorized to take the matter up with the State Department in an effort to ascertain which set of figures is correct.

Trustee Leehive moved that the board be supplied with certified figures by the State Department to clear up the matter.

Tuition bill for out of town students attending Kingston schools were authorized sent out and the names of all students and the amount of tuition paid was filed in accordance with the law.

A request of the Junior Class of the high school for use of the M.J.M. gym for the Junior Party on April 25 was granted.

Prizes were granted of the high school gym for its annual dance on May 29.

Use of the M.J.M. gym for a dance on May 11 was granted the Colonial Canteen.

Permission was granted the Kingston Department of Recreation for use of the M.J.M. softball diamond during the summer season, subject to conditions of the board and with the understanding that supervision be provided.

Resignation of Teacher

The resignation of Mrs. Kathryn A. Goldpaugh, kindergarten teacher at No. 7, was accepted with regret. Her husband has returned from service and she sought release of her home.

Doris H. Fogg was granted a month's leave of absence because of illness.

Miss Grace Gordon, who was offered a Fellowship a year ago at Syracuse University and who has been on leave for the past year was granted an additional year to continue her work toward her Doctor's Degree.

Evelyn D. DeGriff was granted a maternity leave, effective March 29, and extending to September 1, 1948.

The board authorized the continuation of employment of Nellie Divine in the school cafeteria until June 30 when she will be retired.

Janitors Ask Increase

A petition from the janitors for salary increases was received and filed.

Albert E. Milliken sent a communication asking that in the school expansion program he be given consideration as an architect.

Superintendent Laidlaw reported that the Postwar Public Works Commission has approved the plans for the school on the Sahler property and a check for \$2,500, the state's share of the cost of the project to date, had been received.

Not Responsible

A communication was also received from the parent of a member of the high school track team who brought to the attention of the board the loss of his son's watch and wallet which had been taken from the team locker room on March 19. A report was made by Coach Kias to the effect that the watch and wallet had been left in the locker room during a voluntary period of training, not during a regularly scheduled training period. The stolen articles had not been taken from the locker of the boy involved and it was reported that the school was not responsible for the loss. The board members discussed means of meeting this pilfering and it was finally left to the Insurance and Athletic Committees to investigate and report back on some plan whereby

Terminal Leave

Pay for G.I.s Hit

By Budget Bureau

Proposal Would Pay Every

E.M. Furlough Time at

Regular Rate of 30

Days Annually

Washington, March 29 (AP)—Backers of the idea of letting G.I.s as well as officers collect terminal leave pay put spurs to their drive today in the face of a Budget Bureau rebuff.

The latter came in a report complaining of the multi-million-dollar cost and huge bookkeeping obstacles.

Supporters of the legislation to give enlisted personnel the same furlough pay consideration now accorded to officers said they were convinced the Bureau's report means the House Military Committee will not approve the proposal.

So they centered their attention on a discharge petition to force House action regardless of what the committee does.

Rep. Dwight L. Rogers (D-Fla.) told reporters the petition was being signed at a rate that indicated the necessary 218 signatures would be affixed "within 20 days."

Once that number is obtained, the legislation comes up automatically for a House vote.

Filed by Rogers several weeks ago, the petition already has 127 signers, more than half of them obtained in the last ten days.

Action Is Delayed

Although a subcommittee has recommended enactment of the Terminal Leave Pay Bill, the full Military Committee has shown no inclination to act since the Budget Bureau filed its report.

Made public today, the report estimated the cost of the legislation at "several billions" of dollars and pointed out that no provision for such an expenditure was made in the President's budget for the current year.

While it would be "glad" to recommend legislation affecting only men discharged after the proposed law is enacted, the Bureau said, it could not agree with the subcommittee's recommendation that the pay benefits apply to every enlisted man who has served since the draft law was enacted.

The Rogers bill would entitle enlisted men, at the time of discharge, to extra pay at the rate of 30 days a year for furlough time to which they were entitled but which, because of the war, they did not receive. It puts the same 120-day ceiling on such accumulated leave as applies to officers.

Catholic Weekly

Sees Oxnham Blast

As Just 'Old Stuff'

Boston, March 29 (AP)—A Roman Catholic publication, replying to a Methodist Bishop's charge that certain activities of the church were a threat "to political and religious freedom," accused the Bishop of "a refusal of the divinity of Christ."

The Pilot, Boston archdiocesan weekly, said editorially that the essence of the criticism by Bishop G. Bromley Oxnam, head of the Federal Council of the Churches of Christ in America "is very old."

"The church is 'too political,'" commented the Pilot. "Well, Christ himself was accused as an 'enemy of Caesar.'"

The Rev. Michael J. Ahern, S.J., Weston College Professor, called statements made by Bishop Oxnam before a meeting of Protestant ministers "x x x inadequate or exaggerated."

Bishop Oxnam had said: "In the United States pressures on news-

papers, radio and other sources of public information, together with political activities that constitute a grave threat both to political and religious freedom give Protestantism grave concern."

The Pilot replied that the Catholic Church "will denounce rotten moves and drama" and "will remind rulers and governments that in conscience no Christian can lift his glass to any country right or wrong x x x."

LEGAL NOTICES

TOWN OF WOODSTOCK, NEW YORK

NOTICE OF ABOLITION

OF BOND RESOLUTION

NOTICE IS HEREBY GIVEN, that on February 26, 1946, the Town Board of the Town of Woodstock, New York, adopted the following resolution:

RESOLUTION DATED FEBRUARY 26, 1946.

A RESOLUTION AUTHORIZING THE PURCHASE OF HIGHWAY EQUIPMENT FOR THE TOWN OF WOODSTOCK, NEW YORK, AT A TOTAL COST OF \$14,500, OF WHICH \$12,500 IS TO BE PROVIDED BY THE ISSUANCE OF \$14,500 SERIAL BONDS OF SAID TOWN AND THE BALANCE OF \$2,000 TO BE PAID BY SAID TOWN TO PAY THE COST THEREOF.

IT IS HEREBY RESOLVED by the Town Board of the Town of Woodstock, New York, as follows:

Section 1. In accordance with the resolution adopted by the Board of the Town of Woodstock, New York, at a meeting held at 8 o'clock P. M. on November 12, 1945, pursuant to published notice in compliance with Section 142 of the Highway Law, the purchase of certain highway equipment for said Town, consisting of a Model F.G.B. eight ton 185 horse-power Walters Chassis with power steering, hydraulic pump, heater, defroster, wheel spacers, tire chains, roof light, engine, and extinguisher, and a Model C.V. 15 snow plow and W.W.R. 12 right speed wing, plow and wing, both power hydraulic operated, is hereby authorized by the Board of the Town of Woodstock, New York, as follows:

Section 2. The estimated maximum cost of the equipment to be purchased is \$14,500. The plan for the financing of the aforesaid object of purpose shall be as follows:

(a) Four current funds, the sum of \$174, being at least five per centum of the estimated cost thereof, shall be paid from revenues in the Machinery Fund, consisting of the purchase of the equipment for the year 1946 to 1951, in each of the years 1946 to 1951, not in excess of \$4,375 per year.

(b) From serial bonds of said Town in the principal amount of \$12,500, as authorized hereinafter.

Section 3. There are hereby authorized to be issued \$14,500 serial bonds of the Town of Woodstock, New York, each designated Highway Equipment (Serial) Bond, 1946, dated March 1, 1946, in the denomination of \$1,000 each, except bond numbered 1 and \$500, numbered from 1 to 13, both inclusive, and maturing over a period of ten years, the first maturity being on March 1, 1947, and \$2,000 on March 1, 1947, and \$2,000 on March 1, 1948, and \$2,000 on March 1, 1949, and \$2,000 on March 1, 1950, and \$2,000 on March 1, 1951.

Section 4. The bonds shall be issued in bearer coupon form with the privilege of conversion into bonds, and shall bear interest at a rate not exceeding five per centum per annum, payable semi-annually on the first day of May and the first day of November, and shall be payable to the order of the Treasurer of the Town of Woodstock, New York, or to the order of the State of New York, or to the order of the United States of America. Such bonds shall be signed in the name of the Town of Woodstock, New York, by the Mayor and the Town Clerk, and shall be attested by the Town Clerk.

Section 5. The bonds shall be sold at public sale, and the coupons shall be sold at public sale, and the proceeds of the sale of the bonds and coupons shall be used to pay the cost of the equipment to be purchased, and the balance of the proceeds shall be used to pay the cost of the interest on the bonds.

Section 6. The bonds and coupons shall be subject to the provisions of the Town of Woodstock, New York, relating to the sale of bonds and coupons, and the proceeds of the sale of the bonds and coupons shall be used to pay the cost of the equipment to be purchased, and the balance of the proceeds shall be used to pay the cost of the interest on the bonds.

Section 7. This resolution, after its adoption, shall be published in full in the Town of Woodstock, New York, and in the Kingston Daily Freeman, a newspaper published in the Town of Woodstock, New York, and in the form of a certified copy of the same shall be filed in the Town of Woodstock, New York, and in the form of a certified copy of the same shall be filed in the Town of Woodstock, New York.

Section 8. The resolution shall be published in full in the Town of Woodstock, New York, and in the Kingston Daily Freeman, a newspaper published in the Town of Woodstock, New York, and in the form of a certified copy of the same shall be filed in the Town of Woodstock, New York, and in the form of a certified copy of the same shall be filed in the Town of Woodstock, New York.

Section 9. This resolution, after its adoption, shall be published in full in the Town of Woodstock, New York, and in the Kingston Daily Freeman, a newspaper published in the Town of Woodstock, New York, and in the form of a certified copy of the same shall be filed in the Town of Woodstock, New York, and in the form of a certified copy of the same shall be filed in the Town of Woodstock, New York.

Section 10. Propose Further  
Curbs on Germany

Industrial Potential Will Be Diverted Solely to Economic Recovery

Berlin, March 29 (AP)—A plan to eliminate Germany's industrial war potential while retaining enough of the beaten nation's economy to make it reasonably self-sustaining by 1949 has been adopted by the Allied Control Council.

The program, outlined in detail by the Council last night, slashes German economy in half and places future emphasis in production on agriculture and on coal and materials for the rebuilding of war-torn cities.

Every industry which could possibly be diverted to the manufacture of war materials is to be eliminated and other industries considered on the fringe of the war potential are to be cut back. Only enough export trade is provided for to pay for the food Germans must import to maintain their reduced living scale.

Allied officers said the target is to establish by 1949 a standard of living for Germany approximately that of 1932. Germans would not be permitted a higher standard of living than the European average.

Fishkill Councilman  
Says Pell's Offer Has  
'Flavor of a Bribe'

East Fishkill, N. Y., March 29 (AP)—A town councilman said last night Former Diplomat Herbert C. Pell's offer to give the town recreation fund \$5,000 if a road bisecting his estate was closed had "the flavor of a bribe."

Republican Councilman Henry Christinger made the statement at a Board hearing at which members voted to ask Dutchess County Superintendent of Highways Charles O'Brien to hold a public hearing.

Pell, former Minister to Portugal and Hungary and a member of the United Nations Committee for Investigation of War Crimes, told the hearing:

"The offer was in no sense a bribe because it is not worth \$5,000 to me to have the road closed."

Christinger said he had withdrawn from the recreation committee because of Pell's offer.

**Record High of 83 Degrees Here Yesterday**  
The mercury in the official city thermometer hit the year's record high of 83 degrees at 3:30 o'clock Thursday afternoon, topping the previous high of 79 degrees on March 14, when 79 degrees was recorded.

While Thursday was the warm-

est day so far recorded this year, the mercury failed by one degree of hitting the record of 84 degrees on March 28, 1945.

The lowest point reached yesterday was 49 degrees during the early morning hours. The lowest point reached last night in the city was 51 degrees.

Mid-summer temperatures prevailed in Kingston today but it was not expected the mercury would top yesterday's recording.

The Associated Press reports that New York state continued to enjoy mid-summer temperatures today but the U. S. Weather Bureau said the mercury would not rise as high as it did yesterday, the warmest day of the year.

No records were broken yesterday, but the thermometer rose to 81 in Columbiaville, 80 in Albany and Glens Falls, 79 in Binghamton and Elmira, 78 in Ithaca and Rochester and 75 in New York city.

## The Weather

FRIDAY, MARCH 29, 1946

Sun rises, 5:48 a. m.; sun sets, 6:23 p. m. E.S.T.

Weather, partly cloudy.

## The Temperature

The lowest temperature recorded by the Freeman thermometer during the night was 31 degrees. The highest point reached up until noon today was 50 degrees.

## Weather Forecast

New York city and vicinity—

This afternoon increasing

cloudiness and

warm. Highest

temperature 70

to 75. Gentle

showers and

mild. Lowest

temperature

about 55. Gen-

erally

southerly

winds. Satur-

day consider-

able cloudiness

and mild. Highest

temperature

65 to 70. Moderate

southeast

winds shifting to

north.

Eastern New York—Increasing

cloudiness and mild today. Show-

ers tonight and early Saturday,

followed by clearing and cooler.

## 80-Million Low-Rent, Slum Clearance Measure Signed

Albany, N. Y., March 29 (AP)—

Legislation authorizing \$80,000,000

in loans to localities for low

rent dwellings and slum clear-

ance was signed today by Gov-

ernor Dewey.

The governor asserted that the

fund, together with \$200,000,000

allowed for such projects by pre-

vious legislatures, would "take

up the gaps in housing construc-

tion in which private enterprise

does not find it profitable to en-

gage."

Coupled with the \$35,000,000

emergency housing appropriation

from the postwar reconstruction

fund approved early in this year's

legislative session, the loans con-

stitute "a powerful two-fold at-

tack upon the housing problem,"

Dewey declared.

The governor also signed a

measure to increase the amount

of state housing subsidies to lo-

calities from \$6,250,000 to \$9,000,

000 annually. This bill, before

taking effect, needs approval by

the people in a referendum next

fall. The subsidies, outright

grants to localities, are principal-

ly to cover the interest charges

on the housing loans.

Other measures signed:

Give the state superintendent

of insurance discretionary power

to prescribe uniform accounting

methods for insurance companies.

Requires bonds of \$5,000 to

\$25,000 to be filed with the state

by corporations or associations

conducting harness horse races at

which there is pari-mutuel bet-

ting. A maximum of \$10,000 pre-

viously was required.

The constitution authorizes a

debt of \$300,000,000 for housing

loans, and the \$80,000,000 bond

## Bill Bailey's

## Proclaimed Unfair

Bill Bailey's Service Station at

Cities Service Square, corner Fox-

hall and Albany Aves. has been

condemned by Old Time Method,

who claims that the new type High

Pressure Lub Gun is a waste of

lub grease because it forces the

old grease out of all the fittings.

It condemns Cisco Solvent which

removes carbon and sludge from

the entire motor, as a farce. Old

Time Method claims they used

nothing but kerosene—and their

motors ran!

Why this gadget, the Speedway

Charger, which charges a battery

in 25 minutes, should never have

been invented! Old Time Method

could do the same thing in 24 to

48 hours—and that was plenty

good enough.

And finally Old Time Method

wants to know who ever heard of

a Clean Service Station with At-

tendants who know how?

## Back Proposed Ceiling

## On Existing Houses

Washington, March 29 (AP)—The

administration got unexpected Re-

publican support today for its pro-

posed price ceilings on existing

houses.

The plan, which the House re-

jected, would permit a home own-

er to sell his property for any

price he could get. That figure

would then become the "ceiling

price" for that house for the dura-

tion of the housing emergency.

"It looks to me like nothing

more than a gesture," he told re-

porters.

Senator Taft (R-Ohio), another

committee member, said he

doubted the administration pro-

posal would do "much good or

harm."
